

MESSAGES
FROM
THE QUEEN OF PEACE
TO
PEDRO REGIS

1987 – 2020

Messages of Our Lady, Queen of Peace

Given Through The Locutionary Pedro Régis

Directly from the official website <http://www.apelosurgentes.com.br>

Before the apparitions in Anguera began, Pedro Régis had been suffering seizures without a Medical explanation for about 18 months. The several doctors he had seen could not diagnose any infirmity. He underwent many neurological and cardio exams. The doctors told him that he was completely normal. It was a time of great distress for his parents and his family. According to his description, he would feel sick and would faint, returning to consciousness sometime later without showing any sign of sickness.

On September 29, 1987, Pedro Régis was returning from school where he was studying to be a teacher in the town of Bonfim de Feira, near Anguera. As he got off the bus, in front of a little school near his house, he did not feel well. A friend, Celestino Silva Santa Cruz, who was walking with him, hurried to find Pedro's family members for help. At that moment, feeling that he was going to faint, Pedro Régis sat down on the ground without noticing that he was very close to an anthill. Then a young woman appeared - he thought it was a nun from the neighborhood who had moved to Italy - she seemed to be about twenty years old, dressed in white, with a white veil covering her face. Approaching him, she said: "I will help you. I will get you off of the anthill." With much ease, taking him by his arms, she raised him, and according to his account, as he did not feel his legs were firm enough to walk, she took him to the entry hall of the little school which was located about 300 Meters from his house. The school still exists in that location. From that point, Pedro does not remember what happened.

Sometime later, his family Members arrived and found him unconscious. When he had become conscious again, he asked for the young lady who had helped him. They did not understand what he is talking about, neither did he understand what happened. An interesting fact is that Pedro's body was covered with ants, but he had no bites at all.

On October 1, 1987, Pedro was talking with his sisters in their bedroom and a young woman appeared to him. He recognized her as the one who helped him a few days before. The young lady asked that his sisters leave the room. She spoke to him, gave him a Message, and asked him not to reveal it to anyone until she authorized it. She asked him to pray the Rosary every day and to look for a priest. Pedro started to realize that it was an apparition, but he still doubted that it might just be his imagination.

On October 3, 1987, a month dedicated to Our Lady of the Rosary, the family was praying the Rosary together when Pedro heard a feminine voice coming from outside the house. He asked one of his sisters to check on it. When she returned, she said that there is no one outside. He heard it a second time. Another of his sisters went outside to check and found no one. He heard the voice a third time and Pedro himself went outside to verify if there is anyone calling. Not far from the porch of the house was a hill, and Pedro saw an intense light and was compelled to walk to the hill. He hurried there. His family was confused and tried to keep him from heading onward. They thought he might want to commit suicide by throwing himself into the small lake next to the hill. His sister Valdeci, however, also saw a light on that place. Another sister, Iraci, holding him by his clothes, asked the family members to let him go, and she accompanied him. Upon arriving at the place, he was disappointed because the intense light disappeared. When he turned around, suddenly the young woman that he saw previously appeared to him surrounded by a great light. He was compelled by a strange force to kneel down in front of her. Then the young woman introduced herself: "Do not be afraid. I am the Mother of Jesus. I am here because I need you to help My poor children who need My assistance." The young Lady tells Pedro that now he was cured from the seizures. She asked him to return to that place every Saturday.

On Saturday, October 10, 1987, the Queen of Peace appeared, gave him a Message, and asked the seer to write it down. It is the first Message to the public that Our Lady gave in Anguera (on page 4).

Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 1987

1 - 10/10/1987 - My children, I am the Queen of Peace and want all My children to be at My side, to overcome a great evil that can destroy the world. But for this evil not to happen, you must pray and have faith. My children, I desire the conversion of everyone as soon as possible. The world faces great dangers, and to be free from these dangers, you must pray, be converted, and believe in the Word of the Creator, for by praying you will find peace for the world. My children, many of you go to Church, but you do not go with a pure heart. You go without faith. Many go just to show they are Catholic and are in grave error. You should follow only one way, that of truth. There are people that do not learn to forgive, but you must forgive your neighbor. Enmity is the work of Satan, and he is satisfied when he manages to separate one brother from another. Therefore, I ask you with all My Heart; burn with love. Be converted. Pray, and learn to forgive your neighbor. Peace be with you.

2 - 24/10/1987 - My children, many of you call Me an evil spirit and even say I do not exist. I am not what you think. I am the Mother of the Savior and also your Mother. Do not wound My Heart, it is already wounded enough. I do not come to save, but to prepare you for salvation. Only one can Save: Jesus. My children, be converted, be converted, be converted. Peace be with you.

3 - 31/10/1987 - My children, many of you say, "It is dead, it is over." But no. I say to you with all My Heart; by dying, you will find a happy life, this if you properly complete your conversion. My children, My coming here is for the preparation of everyone as soon as possible. My Son will return one day to harvest the good fruits. So I want you to be prepared, completely converted, to be received as good fruits in the house of your Father. Pray the Rosary in family to be free from temptations. Peace be with you.

4 - 7/11/1987 - My children, you do not know how much My Heart suffers from the sins you commit. My children, My suffering is so great that I implore you; for the love you have for My Son Jesus, sin not. I want you to live in union with your neighbor. Do not desire any evil for him, for The Father loves all of you and wants to receive all of you into the Kingdom of Heaven. Peace be with you.

5 - 14/11/1987 - My children, why do you refuse to forgive your brother? Why do you say "not even though God asks it, will I forgive"? Do not say that. I know that many say, "I will not forgive." But one day they will forgive. But be careful, My children, that it is not too late. Do not say tomorrow, because you do not know what can happen to you. Use the present moment, for the future belongs to God. My children, beware of My adversary, for he is losing strength and wants to avenge himself on innocent people who, for lack of faith, are not prepared with the spirit of the Father. Be sure of one thing; he cannot compete with those who are living in faith, so he always looks for those who live just to live, with faith in nothing, not even in Him Who gave His life for you, dying on the Cross. Peace be with you.

6 - 21/11/1987 - My children, I see so many sins in you. I suffer for this. Pray, pray that the sins you commit be eliminated from your thoughts. Live with your hearts full of happiness and love. Meditate in prayer and with fasting. I am your Mother and My mission is to send peace to you. Make My Heart and the Heart of My Son happy, for you will be rewarded on the day of your death. I desire the good of all; I love everyone and live with everyone. Peace be with you.

Message for the clergy of the diocese of Feira de Santana. My beloved children who are always in My Heart, I need your help to win this battle. Trust in My Immaculate Heart of your Mother who loves you so much. I tell you sincerely that we will win this Victory, but to do so, I need the union of all. I see much weakness in the hearts of some of My children, but do not be discouraged. Create an active conscience for the good of the holy Church. My beloved children, follow Me with an open heart, full of peace and hope in our Great Victory. I leave you with peace in each heart. Peace be with you.

7 - 28/11/1987 - My children, pray for those with a hard heart, and also for those who do not believe in The Father, for they may suffer much. I suffer so much for these My children. But not even for this do I stop loving them. My children, true happiness comes from love, understanding, and faith, and not that which comes from hatred, fame, and riches. And it is from these things that so many of My children suffer. Know that The Father loves all and especially the most humble. Peace be with you.

8 - 5/12/1987 - My dear children. I cry because of the sins of each one of you. I cry also because of the crimes committed by Mothers who abort their babies. This is a great sin. A baby who did not ask to be born is murdered by its own Mother: what an ugly thing. Abortion is a crime. My children, this makes Me very sad. My children, My life has a very special goal; to prepare you to be saved, and it is this that I desire; the salvation of your souls. Peace be with you.

9 - 12/12/1987 - Dear children, Prepare yourselves for Christmas, to live a happy life, very happy. When this marvelous date approaches, what joy in My Heart. Do not make Me sad with your sins. My children, do something for Me and for yourselves. My children, do you want to be happy this Christmas? Then follow the teachings of Our Father and you will not be sorry. He will make each one of you happy. But for this happiness to be constant, prepare yourselves to clear your hearts of hatred. If you do this, I promise you an unforgettable Christmas filled with peace. Peace be with you.

10 - 19/12/1987 - [Given in the Church Senhor de Bonfim, Bonfim de Feira, Bahia/Brazil]. My children, I invite you to be reconciled with your neighbor, to the love of God, and to confession this Christmas. I speak to you about Christmas again because I desire the happiness of each one of you. There is nothing I want more for you than peace, abundant peace for all this Christmas. I will share My happiness with everyone and give a very special blessing for each one of you. Those who are alive with faith will feel the presence of My Son. Peace be with you.

Message of Our Lady for the town of Bonfim de Feira. Dear children: why do you not like to hear the Word of God? Why do you hate Padre Gerard? Be careful, this can hurt you. He who does not love a priest does not love God. You know, My children, that priests are My beloved children. Why hate them? I come here because I know you urgently need help. I want to help you and need everyone's help. It makes Me sad to know that, in a place like this, with so many people, that in their hearts, only eighteen people believe in The Father. Do not keep these mistaken thoughts, for you will be sorry, and it could be too late. Even so, I love you.

11 - 26/12/1987 - Dear children, Pray that the world be a new world, renewed by peace. Pray asking for the Gift of the Holy Spirit. Through Him

everything will be given to you in abundance. Have a great desire to be with God in prayer. Through your prayers, God will give you great things that you need. Dear children, I will be with you in all the difficult moments of your lives. For this, you need but one thing: faith. Thank you for the tenderness you have for Me. I am grateful that you responded to My Appeal this Christmas. I will repay you. Peace be with you.

Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 1988

12 - 1/01/1988 - I am the Queen of peace. I come here because this is My mission. This is the first day of the year, My children, in which I invite you to pray for peace. Dear children, the time for conversion is coming to an end. For this I come here to prepare you, because I want everyone to be saved. Dear children, I am the Mother of Jesus and your Mother. Those who turn to My Son will not be left unaided. I am the Mother of all people s, without distinction; no Mother wants to see her child suffering, and for this I ask of you, if you want to be happy, an urgent conversion. I ask your help so I can win this great battle. Have faith, My children, and the Victory will be ours. This is a very happy day for Me and My Son. Stop sinning and you will make us happy forever. Make us happy and you will have your reward. I bless you in the Name of the Father, Son, and The Holy Spirit. Amen. Peace be with you.

Note: About the Messages, Our Lady said, Dear children, do not let My Messages be just anything. Know how to respect them and I tell you, "stay with them, and you will not be sorry."

13 - 2/01/1988 - Dear children, pray, pray, and by your prayers, My Great Victory will come. Keep praying and forgive your neighbor. Do not allow your thoughts to dwell on evil. Think more on God, and forget about everything evil that exists in this world. I ask your help, since only with everyone helping will My Victory be a Victory for all time. Continue praying the Rosary. The world can only be saved by praying the Rosary. Many are ashamed to pray, and others pray just because they see others praying, but it should not be that way. My children, when you pray, pray with your hearts. Peace be with you.

14 - 9/01/1988 - Dear children, beware of false prophets; they deceive. No one can observe the future. Only God knows what should and what should not happen. Whoever looks into the future and says things to set one brother against another and yet says he works for God, is a false prophet. Nonetheless, there is still a chance for these children to be saved: to abandon this wrong life at once and convert. There are many religions that deny My existence, but be it known that I exist and am present among all of you. Everyone that believes in the Immaculate Heart of your Mother, will not be left unaided. Be converted, My children, be converted. Peace be with you.

15 - 16/01/1988 - Dear children, this world could be a world of peace, but sin does not let it be. It does not happen because everyone works for sin to increase day by day, and with this, Satan is happy, and I, My children, what about Me? Imagine. I know that Victory will be mine, but I want to tell you now, prepare yourselves to win with Me. But this will only be possible with the conversion of everyone. If you respond to My Appeal, My Son will give each one a brilliant recompense. My children, you are dear to Me. Peace be with you.

16 - 23 /01/1988 - Dear children, you cannot imagine the great wonders that God will grant through My intercession. There are so many. Many do not know how to benefit from them. Dear children, the lack of faith is taking over the whole world. Oow this hurts My Heart. How My Son suffers on account of this. Jesus created the Catholic Church, My children, and My dear son, the Pope, is at its forefront to govern it. Everything here bound by the Pope has the support of My Son. Dear children, be Catholics and live the faith. Peace be with you.

17 - 30/01/1988 - Dear children, I ask you with all My Heart of a Mother who loves you so much, do not commit adultery, for Jesus is much offended with this. Why do you commit adultery, My children? Do you think this is right? Those who think they will enter the Kingdom of Heaven committing adultery are wrong. Children committing adultery are giving great aid to Satan, for this is his work. Dear children, many say God is not bothered by this. Whoever says this is wrong. Peace be with you.

[Our Lady speaks to us about her most chaste spouse, St. Joseph. Saint Joseph was always just and faithful before God. Although he suffered much, he never stopped doing good. He received the wonders of God and gave his faithfulness in return. Saint Joseph was a man always generous with God, yes. He was a goodhearted man with a great feel of responsibility. Saint Joseph will always be an example of manhood that God left for the whole world. Peace be with you.]

18 - 6/02/1988 - Dear children, do not be fooled by things that many say will bring joy and happiness, as, for instance, the carnival. Dear children, carnival is a diabolic feast, and whoever participates in this type of festival is giving a good help to Satan. If you want My advice, I tell you, do not participate in this type of festival because it is a festival in which Satan is present from beginning to end. If you knew what could happen when you go to carnival, you would never go again. Peace be with you.

19 - 13/02/1988 - Dear children, I say these simple words to you so they may serve as an urgent alert for everyone, be converted. Conversion is necessary for the salvation of all of you. Without conversion, salvation is impossible. So I beseech you, be converted, abandon sin and do something for yourselves. I hope one day to receive all of you in My Heart. But help Me to do this. Anyone of you who converts an atheist is, for Me, is a sign of Victory. Help Me convert atheists, since they too are My children. I do not want a single one of them to be lost. Please help Me. Peace be with you.

[Note: Our Lady spoke to us about her image. "My image is as a photo. Regard it as a remembrance, and think of Me when you look at it.]

20 - 20/02/1988 - Dear children, I especially invite each one of you to the way of salvation in this time of Lent. Do penance and pray during the whole time of Lent. Put in your heart only words of peace, love, Compassion, and not of hate, wickedness, and condemnation. This is a time that everyone should respect, but even so, many do not even have an idea of what Lent means, and others do not know enough to respect it. How this pains My Heart, and also the Heart of My Son, Who suffers from the sins of each one of you. Peace be with you.

21 - 27/02/1988 - Dear children, remember in your hearts those who have already died, since many souls are suffering because they have no one to pray for them. There are children who do not understand and do not believe in the existence of Hell. Whoever thinks this way is wrong. Hell exists, My children, and many who have already died are there because they did not believe in its existence. If each one of you stops for a moment to think about what hell is, there would be many conversions. Peace be with you.

22 - 5/03/1988 - Dear children, if all you receive My Appeal, you will not be sorry. But if you continue in sin, I cannot do anything. Everything

necessary is already being done for you through Me. Hear and put into practice everything I tell you, My children, and if you be attentive, My Son will repay you. There is still a chance for each one of you. Take advantage of it. All that I ask is for the good of each one of you in particular. Peace be with you.

23 - 12/03/1988 - Dear children, the intelligence that men have lets them destroy themselves with their own hands. It is true that everyone knows the plans of humanity. But now I ask, who of you knows the plans of God? It is childish for men to run after something hurtful to them. And with this, those who most suffer are the poor children who in reality have nothing to do with the machinations of these people. I consider them baby - men. Peace be with you.

24 - 19/03/1988 - Dear children, today Saint Joseph is at My side. This humble creature of God is here to give you a special blessing. Saint Joseph: "Dear children, it is not by chance that we are here. Be sure of this. I leave a little of Myself in each one of you. May the peace of Jesus penetrate your hearts. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen."

25 - 26/03/1988 - Dear children, the world is at the brink of great dangers. If you are not converted, I do not know what will become of you. I have come to this world to tell everyone that Jesus wants the salvation of each one in particular. This is the time of conversion, Jesus has been waiting for so long. My children, do not play with the things of God. I am here because... and this is very painful for all. Peace be with you.

26 - 27/03/1988 - In the Church of Bonfim of Feira. Dear children, many times I knock at the door of your hearts, but you do not give Me a chance to enter. Why? Do you not know My mission is to prepare you to be saved? Therefore, give Me a chance. I need this chance from each one of you. All I want for you, My children, is salvation. This, and nothing else is important. Peace be with you.

27 - 1/04/1988 - Dear children, today is Good Friday. All is consummated. These are the last words of My Son Jesus. And He dies. In the long years of His childhood, I saw His Most Holy Body grow. I was present at the most sorrowful moments of His Passion. O what suffering. Today I am again at the foot of the cross. And I see an even greater suffering. His sorrowful suffering is renewed each day. Peace be with you.

28 - 2/04/1988 - Dear children, I do not come to the world to oblige anyone. I have come to give you something very special. PEACE. I have come with sorrow in My Heart to say to you: Jesus will show men that He is worthy of respect. They are not respecting My Son. It should not be that way. Jesus is your Father. Know how to respect Him. I feel very sorry for all of you, My children. Have a great respect for Me and listen to what I say. One day you will cry out for Me. I will attend everyone, but I also ask for collaboration from everyone. Peace be with you.

29 - 9/04/1988 - Dear children, many people go to protestant Churches thinking they are of God. They are wrong. The people who take part in these are on the path to perdition for sure. Dear children, the religion founded by My Son, and which is of living faith, is Catholic. The rest are from the devil. Peace be with you.

30 - 16/04/1988 - Dear children, Freemasonry, with its deceiving tactics, works in hidden ways to destroy My Church. Know, My children, that there is no salvation for those who take part in Freemasonry, for they are followers of Lucifer. People who desire salvation will gain it by serving only God, and not by serving God and the devil. Peace be with you.

31 - 23/04/1988 - Dear children, all of you can collaborate in the salvation of many children who are on the path to perdition. Just look for the goodwill in each one. Continue praying for My plans to be realized. Thank you for everything. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Peace be with you.

32 - 26/04/1988 - Dear children, the moments I spent with you were wonderful, and will continue to be so, for I will not leave you alone. I will continue to be with you on Tuesdays. This is the surprise I kept for you. As for the people who do not accept My counsels, no problem. If they are not willing, what can I do? For those who accept and fulfill them, thank you. They will receive a marvelous recompense. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

33 - 30/04/1988 - Dear children, I will be very happy if families begin to pray at least one hour a day. If someone asks you why so much prayer? tell them, My dear children, that there is an urgent need for conversion. Do not be afraid. Have confidence. Pray that the desired peace comes for everyone. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

34 - 5/05/1988 - Dear children, I would like to have each one of your hearts in My hands, to take you to Jesus, for He is the only one who can save you. If you want to solve your problems, turn to Jesus, The Savior. No one should go to false prophets to resolve problems, for they work in the Name of God to deceive children who are not well informed. I cry when I see some of My children going to spiritism and condomble thinking they will solve their problems, but they end up multiplying those problems. These false prophets are already condemned to hell and they want to take My innocent children with them. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

35 - 7/05/1988 - Dear children, you ask for the wrong things in your prayers. Ask rather for the Holy Spirit, for he who has the Holy Spirit has everything. I am your Mother and have come to teach you the way that will lead you to God. Continue to pray that My plans be realized. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

36 - 7/05/1988 - Dear children, tomorrow is Maternal Day and also My day. I ask you, since I too am a Mother, the Mother of Him Who one day died nailed to the cross to save the world. There are many who say that Mary is not a virgin. After Jesus, she had other children. Those who say this are false prophets. Jesus is My only Son, and the others that I have are all of you. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

37 - 10/05/1988 - Dear children, I promise to help, in the hour of their death, all those who help make known My Messages. Many people come here, take the Messages home, but do not put them in practice. Why? Know, My children, graces will be abundant for those who put into practice My Appeals in these Messages. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

38 - 13/05/1988 - Dear children, remember today My coming to earth in the poor cove of Iria, in the year 1917. I have come from Heaven to ask for the conversion of all people s and for the consecration to My Immaculate Heart. My children who hear My Appeals today are happy, very happy. So many years have passed, and still today, people continue to offend God. Why, My children? Today, for Me, is a very happy day, and I hope it is for you too. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

39 - 14/05/1988 - Dear children, I am the Queen of Peace. I have come to bring peace to this world. Each one of you in particular needs to be converted so that the longed - for peace comes to all. Dear children, I recommend weekly confession. If Christians begin to reconcile themselves with God and with men and women at least once a week, very soon entire regions would be spiritually cured. And I would feel very happy. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

40 - 21/05/1988 - Dear children, I want to receive you today in the cenacle of My Immaculate Heart and together we will invoke the gift of the Holy Spirit. Come, O Holy Spirit, and protect the Holy Catholic Church. I am always present in your midst, My dear children, just as I was with the apostles and disciples in the Upper Room at Jerusalem, to protect you and take you from the way to perdition. Come, Holy Spirit, to protect this dear Brazil. May the Holy Spirit descend upon and enlighten each and every one of you. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

41 - 28/05/1988 - Dear children, I am the Woman Clothed with the Sun. You are living in the time of My great battle against My adversary, the red dragon, who seeks all possible means to lead you on the path to perdition. Dear children, many of you will abandon the light of life to go to find darkness. Why? There must be a true reconciliation between people for the world to encounter the peace desired for all of you. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

42 - 2/06/1988 - Dear children, Jesus, just as He is in Heaven, is also here on earth, present in the Eucharist. Jesus is present in the Eucharist to strengthen the spirit of each one of us. Thank God for this. Due to the errors that today are affecting the Catholic Church, the majority being the fault of My beloved children, I Myself will correct them, once and for all. And this will happen very soon. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

43 - 4/06/1988 - Dear children, do not worry about the future, for it belongs to God. Give yourselves completely to God, for He sees and knows what you need. Christians are mistaken in looking to the future because they think of wars and evil. For the Christian, there is only one attitude regarding the future; hope of salvation. Do not worry. I am at your side at every moment. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

44 - 7/06/1988 - Dear children, you still do not understand the meaning of the Messages the Lord sends through Me. Ask the Holy Spirit to enlighten you and you will understand better. I have the power given by God to appear anywhere in the world, to prepare you to be received as seed of good quality. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

45 - 11/06/1988 - Dear children, you do not yet know how to love nor hear with love the Messages, the words I direct to you. I am your Mother and have come to earth in flesh and blood to ask for the conversion of all of you. If you want to be most happy, lead a simple and humble life, pray a lot, and do not think you can resolve every problem. Let God solve them. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

46 - 14/06/1988 - Dear children, plant the Divine Word within yourselves, and read a selection from the Gospel every day. Ask the Lord to accompany you in your prayers. If you pray with faith, you will feel the presence of My Son at your side. Ask The Father for the conversion of you and your brothers. I will pray for you. Do not worry about your works. You need prayer before all else and the rest will become easier for you. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

47 - 18/06/1988 - Dear children, you are a chosen people , and the Lord gives you so many graces, but you still do not understand. I do not have anything else to say but this: pray, pray, pray. In prayer you will understand My love for you, and the love of the Lord. Dear children, you should understand that you need to pray. Prayer is not a game. Prayer is talking with God. You ought to listen to God in every prayer. You cannot live without prayer. Prayer is life. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

48 - 21/06/1988 - Dear children, today I ask you to renew your family prayers, and do not be preoccupied with your problems. Pray a lot. I will be with you in each and every moment. My dear children, Satan wants to destroy My plans. Pray that this does not happen. If you only knew how many God gives you through My intercession, you would pray day and night to thank Him. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

49 - 24/06/1988 - Dear children, I have affirmed on various occasions that the peace of the world is in crisis; become brothers among yourselves. Increase your prayer and fasting in order to be saved. Do not be afraid to speak the truths taught by My Son Jesus. Be like the precursor, John the Baptist, who was never afraid to teach what the Holy Spirit gave him to teach. You are fearful, My children, because you have so little faith. Do not be discouraged. Trust in the Lord. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

50 - 25/06/1988 - Dear children, I have come to tell the world: God is true. God exists. And in Him are happiness and fullness of Life. I come here as the Queen of Peace to tell all of you that without peace the world will not find salvation. In God is true joy, from which comes true peace. I would be happy if all of you would begin to look to My Son Jesus. You are only thinking of Me. I do not want it that way. First, remember My Son, for He is the Savior. I am just an intercessor. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

51 - 28/06/1988 - Dear children, you should know that there exists only one God, and only one Mediator, Jesus Christ. You do not yet understand. If you want to understand the love of the Lord, and My love for you, you must pray. I invite you today, dear children, to abandon yourselves totally to God. God can give you all that you want, even things impossible for you. For this, all you have to have is faith. Continue praying for My plans to be

realized. Thank you for everything. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

52 - 29/06/1988 - [Feast of St Peter, also birthday and name day of Pedro Regis]. Dear children, Jesus, talking to Peter, said "What you bind on earth will be bound in Heaven, and what you loose on earth will be loosed in Heaven." My beloved, with these words Jesus leaves no doubt the Holy Father is infallible. Therefore, any Christian who does not obey the Holy Father certainly is not obeying God. Here in Brazil, the Holy Church is in danger of losing the true faith, and to avoid this, priests and bishops must unite themselves to the Holy Father. Many errors are being spread within the Holy Church, and these errors are caused by shepherds who are not united to the Pope. I ask you, dear children, to pray a lot for priests, for many of them will lose the faith. Satan, the father of lies, and priests will be the target of his vengeance. Therefore, My dear children, I need many prayers. Pray. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

53 - 2/07/1988 - Dear children, you should know that without prayer you cannot have peace. So, pray a lot before the Cross for peace. The world is at the brink of major catastrophes. Pray and be converted so that nothing happens. People who do not pray cannot consider themselves Christians since they do not obey God. The most important thing I have to say to you is this, be converted as soon as possible. You do not know what the future will bring. Pray a lot for the conversion of humanity. You cannot do anything if you do not pray. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you. Our Lady added, "Thank you, thank you, thank you for everything. If you knew how much I love you, you would weep with joy."

54 - 5/07/1988 - Dear children, I, your Mother from Heaven, have a great love for you, but you do not yet understand: no other creature but Myself could have so much love for humanity. My beloveds, I ask you once again; pray for priests. Pray that Satan does not manage to destroy My plans. But if you do not pray, how can I win this battle? All I want is to lead you on the path to salvation, nothing more. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

55 - 9/07/1988 - Dear children, nowadays, the scandals caused by bishops and priests who do not obey the Vicar of My Son greatly afflict this Maternal heart of mine, dragging along the path of error large numbers of My poor children. There are many bishops and priests who want to go their own way, without hearing or following the Holy Father, the creature that Jesus laid as the foundation of His Church. It is sad, dear children, but it is the truth. If priests and bishops do not obey the Holy Father, the Holy Church could lose the true faith. How could so much wrong be happening, now? Continue praying. My loved ones, I still need much prayer. Thank you for everything. The Lord will repay you. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

56 - 12/07/1988 - Dear children, Place in your houses the images of the Immaculate Hearts of Jesus and Mary. Consecrate yourselves every day to the Immaculate Hearts. Dear children, pray the Rosary every day, with the joyful, sorrowful, and glorious Mysteries. Continue praying for priests. Pray that My plans be realized. Actually, here in Brazil, a great number of priests do not proclaim the truths taught by Jesus, which we find in the holy Gospels. Error spreads itself everywhere. Only you, My loved ones, can help Me with your prayers. Satan seeks every possible manner to destroy My plans. Pray that he does not succeed. Dear children, My Victory also depends on you. Help Me. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

57 - 16/07/1988 - Dear children, My beloved children, come back to proclaiming the Gospel of My Son with love, courage, and fidelity. Seek to unite yourself with My other beloved children, so that My plans may be realized. Your sufferings will increase day by day. The crisis fermenting in My Church will come to open rebellion, coming especially from many of My Sons who participate in the priesthood of My Son Jesus. Not only here in Bahia, but in all Brazil, My adversary acts by trying to take the greatest possible number of priests on the path to perdition. Know, My children, that Brazil is much loved and protected by Me, your Mother from Heaven. So, My children, do not be offended by what I say to you. The truth needs to be made clear. Here in Brazil, a great number of priests do not guide their flocks with love and fidelity. Apostasy is now spreading in the whole Church, which is even betrayed by many of its bishops. My beloved children, unite yourselves to the Pope, John Paul II, that his plans too may be realized. You have the right to help many of these children who are on the path to perdition. For this you were called by Jesus. Look at the situation of My Church and you will understand better why I say this. To all, My special blessing in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

58 - 19/07/1988 - Dear children, today I invite all of you to love your neighbor. Above all, love those who want to hurt you. My beloved, there should be on your part a general return to God as soon as possible, but many are not ready for this. Every day, humanity is further from God, and every day more people do not want to follow His law. Do not wait for God to give you a sign for you to convert. Be converted. Continue to pray for priests. Pray that Satan cannot destroy My plans. I bless you in the Name of the Father, The Son, and The Holy Spirit. Peace be with you.

59 - 23/07/1988 - Dear children, My beloved children, do not let error and immorality spread within My Church. Have courage. Do not be afraid to say the truth. I will protect you with My Maternal Mantle. I am very preoccupied with the salvation of humanity. My beloved children, it is for this that I am here. Do not worry if so and so does not believe in My appearances. I prefer the hearts of those who believe without seeing. Today, My most beloved son, Pope John Paul II, suffers betrayal and is abandoned by many. Even his nearest co-workers disobey him and frequently show antipathy. My dear children, the disobedience of many of you opens a profound wound in the heart of the Holy Father. How this hurts My Heart. My beloved children, obey the Holy Father so his plans may come to pass, and mine too. The world is not yet lost, even though it goes on the path of perdition and self-destruction. My special blessing to all in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

60 - 26/07/1988 - Dear children, I invite each one of you to live in the grace and love of God. My loved ones, you are prone to commit sin, and without realizing it, put yourselves in Satan's hands. Therefore, I ask you to decide consciously for God, struggling against the devil. I am the Mother of everyone, and for this reason, I want to lead all of you to complete sanctity. I want all of you happy on earth and each one with Me in Heaven. Dear children, this is the purpose of My coming here and is My desire. Do not imagine the great wonders that God bestows upon you through Me. Pray and you will understand better. Continue to pray for priests. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I love all of you, My dear children with heartfelt love. Give Me a little of your love too. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

61 - 30/07/1988 - My beloved children, I am here on an important mission. The time of the great decisive battle has come. This is My hour. This, too, is your battle, for the Victorious Action of the Celestial Conductor, the Woman Clothed with the Sun, will become more manifest. But for half a time, however, I must remain in the desert. Here, I perform the greatest wonders in silence and concealment. The desert where I am hidden is you, My children, consecrated to My Immaculate Heart. And your heart has become arid from so many wounds in a world where rebellion against God and His law is spreading. A world that is marked by hatred and violence spreading in a threatening way. The Holy Father, Pope John Paul II, a victim who immolates himself more each day, for the salvation of the world, asks Me for peace for humanity, and especially, with unceasing prayers, asks Me for the Church from which you solemnly proclaimed Me Mother. But you, beloved children, think only of material things, things that lead no one to meet God. How it hurts my heart. But there is no problem. Everything will be done according to God's plans. He is the Commander of the Highest Plans. My special blessing to all, in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

62 - 30/07/1988 - My beloved children, there is only one thing I desire from you; that all of you be converted as soon as possible. I, your Mother am here and desire to lead you to God. My beloved, I invite each one of you to participate daily in the Holy Mass. Go and pray. Do not look at the others, and do not criticize them. Participate with humility and reverence. The Mass represents the highest form of prayer. Continue. Continue to pray. Pray for priests. Pray for the conversion of humanity. Pray that My plans be realized. Thank you for everything. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

63 - 2 /08/1988 - My beloved children, God wants you to become saints. For this, He invites you through Me to totally abandon yourselves to Him, to God. My beloved, pray a lot for humanity. You will only find peace for the world if you know how to honor God. But do not honor Him only with your lips, but with your heart. Continue to pray for priests. Pray for vocations to the priesthood. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

64 - 6/08/1988 - My beloved children, today I invite all of you to make a courageous public witness. All of you should give a witness of union by a strong adhesion to the Pope and bishops united to him. Be courageous defenders of the pontiff and openly denounce those who are against his Magisterium by teaching contrary to what he says. Today, a great number of bishops, priests, religious, and laity no longer believe. They have already lost the true faith in Christ and His Gospel. The Church of Christ is wounded by the malevolent contact of the immorality and apostasy that has now spread within it. An increasing number of My innocent children walk in the darkness of denial of God, lack of faith, immorality, and impiety. Bishops and priests of the Holy Church of God, go back to teaching the true Catholic morality. I encourage and bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

65 - 9/08/1988 - My beloved children, today I am very sad and even cry to see so many children on the path to perdition, in spite of so many Appeals of mine. Today many souls go to hell, and very few go to Heaven. All this for lack of obedience to God. Continue praying that My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

66 - 13/08/1988 - My beloved children, My Church is in darkness. My adversary is working always more clearly against the Holy Catholic Church. Today a great number of priests who celebrate the Eucharist no longer believe. Many deny the real presence of My Son Jesus, and others restrict it to the moment of the celebration of the Holy Mass or reduce it to just a spiritual or symbolic presence. The Church of Christ is overshadowed by the smoke of Satan. He darkens the thoughts and intelligence of many of you, My dear children, leading you to deceit, mistrust, pride, and apathy, and through these, darkens the Holy Church of God. You all should know that the Church is a place of great respect, for God, Who made Himself man, dwells there day and night. Bishops and priests of the Holy Church of God, help all My poor children depart from sin and live in the grace and love of God. I encourage and bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

67 - 13/08/1988 - Dear children, open your hearts to God, Who owns all hearts. Be patient. Offer to God all your sufferings and all your problems. I want to console you in temptations. I want to fill your hearts with joy, peace, and love of God. Continue to pray for priests. Pray for priestly vocations. Pray that Satan does not destroy My plans. Thank you for everything. I bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

68 - 13/08/1988 - [Father's day in Brazil] Dear children, My special blessing to all of you who are fathers. May you raise your children to be good, and to be a light for the future. To all, I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

69 - 16/08/1988 - Dear children, I am your Mother raised up to Heaven. I am always at your side and desire to lead you to God. I want all of you to be converted so you can share the wonders of God with Me. Live humbly. Live in the love of God. I want to prepare you. This is My desire. Today I want to thank very especially My most beloved son, Pope John Paul II, for the special homage given to Me by the Holy Marian year. May the Holy Spirit strengthen and sanctify him increasingly. To you, My dear children, thank you very much. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

70 - 16/08/1988 - Dear children. Today I invite you to read a passage from the Gospel. Plant the Divine Word in your hearts all day long, and in the evening you will feel an infinite peace. Place the bible in a conspicuous place in your homes so it will attract your attention. Continue to pray for priests. Pray that Satan does not manage to destroy My plans. Thank you for everything. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

71 - 20/08/1988 - Dear children, this is My Appeal for today: pray to the Holy Spirit. Pray that the Holy Spirit enlightens you in all the difficult moments of your life. It is very important to pray to obtain the Holy Spirit. Who has the Holy Spirit has everything. It is a mistake to ask only the saints for something. The Holy Spirit is the fount of peace, and you need peace. Continue to pray for priests. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

72 - 23/08/1988 - Dear children, today I want all of you, old and young alike, to know the commandments of God. I want you to know the commandments of God and put them into practice. This is what I want. Thus, each one of you may be sanctified increasingly. Continue to pray for priests. Pray for priestly vocations. Pray for peace for humanity. Pray that Satan does not destroy My plans. Thank you for everything. The Lord will repay you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

73 - 23/08/1988 - My Daughters. You console My Heart. I can hardly thank you for your tenderness for Me. Do not allow anything impure change your thoughts. Continue firm in the faith. I will bless and protect you. Thank you. Thank you, My daughters. I love you. Thank you. [Message to a group of girls and women at the apparitions.]

74 - 27/08/1988 - Dear children, today I want to reveal a spiritual secret to you: if you want to be strong in the trials of Satan and sin, listen to Me. To have an active conscience you need to pray a lot in the morning, read a text from the Gospel, and put it into your lives. Call upon Jesus at various times during the day in order to live that Word of the Gospel within you. Thus, the Word will increase within you and the space for sin will disappear. I want you to continue to pray the Rosary. By praying the Rosary humanity will encounter peace. Continue praying for priests. Pray for vocations to the priesthood. Pray that My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

75 - 27/08/1988 - Dear children, to you who on the day of your marriage promised before Christ to be faithful, be patient. Do not deceive yourselves with worldly things and vanities. Be honest with your wife, so that the Kingdom of God will be enlarged by your faithfulness. Take care of your children. Teach them the way to truth, which is the way to God. You know, My children, that to realize My plans, I need your help. Thank you for everything. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

76 - 30/08/1988 - Dear children, I want you to prepare to receive the pilgrim image of Fatima when it visits Feira de Santana, whose patron saint is My Most Holy Mother. It is My presence among you. I desire that the people open their hearts to God, so that there be many conversions, and that I may perform great wonders. In Fatima, when I appeared to the three little shepherds, I asked for unceasing Rosaries so humanity may encounter peace. Today I return, appearing in various places in the world, to make the same request. Later this year there will be great events which I foretold at Fatima. Open your hearts to God so that you may be sanctified. Thank you for everything. The Lord will repay you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

77 - 3/09/1988 - Dear children, today I invite each one of you to depart from sin, to detest sin, and to live in the Grace and love of God. Also, I invite you to the way of complete holiness, so I may realize My plans in you. My beloveds, you should know what prayer means. People sometimes pray in the wrong way, for they go to sanctuaries to ask for graces. But there are very few who seek the Holy Spirit. Whoever receives the Holy Spirit receives everything. Therefore, pray that the Holy Spirit comes on earth and all problems will be resolved. Continue to pray for priests. Pray for vocations to the priesthood. Pray that Satan cannot destroy My plans. Thank you for everything. The Lord will repay you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

78 - 6/09/1988 - Dear children, the devil is furious. He tries in every way to lead you on the path of sin. Be attentive; people who decide to totally abandon God become the main target of Satan. He will do everything to separate you from the way to holiness and especially from God. This week Satan wants to block all My plans. Pray that he does not manage to. Combat the devil with penance and prayer. Fast from six in the morning to six in the evening. Satan hates people who pray and are converted. Do not be afraid. Do whatever I say. Satan will not have the courage to tempt you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

79 - 10/09/1988 - [visit to the image of the pilgrim Our Lady of Fatima to Feira de Santana]. Dear children, today I thank each one of you who was with the weapon of Great Victory in hand: the Rosary. Also, I especially want to thank all My beloved children who received Me with love and tenderness this afternoon. Dear children, wherever goes My image, the pilgrim of Fatima, I am there, just as I am here in flesh and blood. Wherever My image is carried, Christians feel happy, honored with the presence of the Mother of God. I thank you again. Thank you, My children. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

80 - 10/09/1988 - My beloved children, now is My time, the time of the Great Return. The hour has arrived for the great battle between the Woman Clothed with the Sun and the red dragon. This is the time of great events. The cup of Divine justice is full, full up, overflowing. Wickedness covers the earth. The Church of Christ is as if obscured by the spread of apostasy and sin. Only you, My beloved children, by your goodwill, can save it. The time that Jesus gave for the conversion of humanity is almost up. Beloved children, look to My small children who are far from God, those who become victims of Satan. I need your help. I want to save them through your help. The most difficult, painful moments are about to come. This time is closer than you think. Great events which I foretold in Fatima will happen this year. I encourage and bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

81 - 13/09/1988 - Dear children, I am very happy because many people converted. Many hearts opened to God. For this I thank you. I feel a great joy in My Heart when a heart opens for God. Rejoice with Me. All hearts should open as soon as possible. This is what I want. Through Me God wants this. With each passing day, I desire to cover you increasingly with holiness. Pray, pray, pray. Continue to pray for priests. Pray for vocations to the priesthood. Pray that Satan will not be able to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

82 - 17/09/1988 - My beloved children, I am at the front of a great battle. Your Mother from Heaven now leads her immense army into every corner of the earth. My beloved children, the presence of the Heavenly leader, the Woman Clothed with the Sun, will bring the greatest possible number of My innocent children to know the way of God. Proclaim again the Gospel of My Son with love, courage, and fidelity. Tell all My poor children that through Me, God invites them to live in love. My presence among you is marked by My images that in various parts of the world weep, shedding many tears, and even tears of blood. And also the appearances I make in many regions of the world are a fragrant sign of My Motherly presence. This is the fulfillment of the promise I made to the three little shepherds in the fourth apparition in Fatima. Still another sign I give you is the numberless conversions that happen wherever I appear. The peace of Jesus be with you. I bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

83 - 18/09/1988 - Dear children, you should learn to support all sufferings. Sometimes when people suffer much they become discouraged and even lose their faith. Do not worry. Your Mother in Heaven also suffered much in her life on earth. Ask the Lord to console you in all your difficult moments. Accept everything for the love of God. To come to God, you must suffer much. Pray, pray, pray. I, your Mother, am here ready to help

you. But what I do depends on you. I bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

84 - 20/09/1988 - Dear children, humanity has forgotten God. People no longer believe in Him. Know, My children, God exists and is present among you. If humanity continues to act in this way, a great punishment will befall the world very soon. Satan, with his thousand faces, will lead My poor children to disobey God and His law. We will win, for evil can never rule over Good. God is with us; the Victory is ours. My beloved, hear My Appeals, so our Victory will be even greater. Continue to pray for priests. Pray for priestly vocations. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

85 - 24/09/1988 - Dear children, begin to love your enemies and adversaries. Do not judge. Do not hold a grudge. Do not keep covetousness in your heart, only love. Do not desire any evil for your enemies, instead, ask God to bless and protect them. I and My Son will give you the Grace to love them increasingly. Nowadays, the great majority of people go to purgatory when they die. A certain number go to Hell. Only a minority go directly to Heaven, without passing through purgatory. This happens because people do not prepare themselves for death. They think God and His law do not matter. Come back. Come back to praying for priests. Pray for priestly vocations. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

86 - 27/09/1988 - Dear children, the time is near when one brother will kill another, and a father will kill his own son. Many will repent of a life lived without God, but it will be too late. Be prepared, for the time of great events is coming; the time of the realization of the great secrets revealed by Me in countless Apparitions in the world. Pray, My beloveds; flesh will die, but the spirit will live forever. Be attentive, open your hearts to God as soon as possible. Great happenings will have no timetable. Continue to pray for priests. Pray for priestly vocations. Pray that My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

87 - 29/09/1988 - [First anniversary of the apparitions.] Dear children, today the Church celebrates the feast of the archangels Gabriel, Raphael, and Michael. In the struggle between the Woman Clothed with the Sun and the red dragon, the archangels play a very important role. Therefore, My beloveds, let yourselves be guided by them. The angels, archangels, and all the Heavenly Host are united with us in a terrible combat against the dragon and his evil angels. I am the Queen of Angels. The angels of light who struggle against the rebellious angels and evils of Satan are under My orders. Satan, with his plots, leads My poor children to disobey God, and he already considers himself almost the winner. But your Mother of Heaven acts in silence with her archangels, and all are part of Celestial glory, now approaching the culmination of a Great Victory.

Pray with us. The Lord placed Me at the head of this great battle, The angels loved by Me, Gabriel, Raphael, and Michael battle at My side. The archangel Gabriel was sent by God to receive the Yes of your Mother of Heaven. Now he has the task of receiving your Yes in fulfillment of the law and the will of the Father. The archangel Raphael will strengthen your weakness, help you be decent before God, pour balsam on your painful wounds, and lessen the burden of your sins. The archangel Michael will defend you against all the attacks and snares of Satan. How many times would you have been a victim of the attacks of Satan, were it not for the archangel Michael intervening on your behalf? Continue, continue, continue to pray. I need your help. Pray. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

88 - 30/09/1988 - Dear children, pray thanking God for allowing Me to meet with you here for a year. Pray that the Father permits Me to meet with you here for many years. I am very happy. Rejoice with Me. A year has gone by - how many conversions. Continue praying that My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

89 - 1/10/1988 - Dear children, many children come here to wound My Heart, but on the other hand, many come to alleviate My sufferings. I am your Mother, My children, and I only want what is good for each one of you. I only want to make you saints for the glory of the Kingdom of God. Thank you for everything. The Lord will reward you. Continue to pray for priests. Pray for priestly vocations. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

90 - 4/10/1988 - Dear children, Satan is darkening many people's thoughts, leading them to not believe in My presence here. Watch out, Satan is doing everything in his power to take you from the path to God. Pray, pray, pray. My beloveds, I never affirmed in any place where I appeared that I have come to save, for I am only an intercessor. Whoever desires to be saved must turn to Jesus Christ. Many people criticize My Messages. Do not criticize them. They come from God, and not from the devil, as many say. I am the Virgin Mary, My little children, and am here to help you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

91 - 8/10/1988 - Dear children, everyone who prays the Rosary gives Me great joy and happiness. I feel so much joy when I see someone with the weapon of Great Victory in hand, repeating the words of the archangel Gabriel and taking the pray taught by My Son Jesus to the highest glory of Heaven. I am the Lady of the Rosary. I promise to help at the hour of death with all the graces necessary for salvation, everyone who prays the Rosary with faith every day. So that there be no doubts, this grace is given by order of My Son Jesus. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

92 - 8/10/1988 - Dear children, return to loving your enemies. Open your hearts to God. I want all of you humble and clean of heart, open to God. My children, God invites you to be strong and firm in faith, to live in Grace and His love. I want to make your saints for the glory of the Kingdom of God. Open your hearts. Very soon the world will be transformed into a new world, without hate or violence. The world will be a new garden and all will live happily. Pray and be converted. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father, for he will make a very important decision for the life of the Church. Pray for him. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

93 - 11/10/1988 - My beloved children, I am the Woman Clothed with the Sun. The Sun that covers Me is the same Sun that enlightens you in every moment and difficulty: Jesus Christ. Jesus is the light by which the whole world is illuminated. I also am part of this light. This light has a little bit of Me. The path on which I lead you will free all My poor children from the darkness that comes from Satan. My dear children, I just want to help you in the salvation of humanity. I want to help all My innocent children depart from the claws of Satan. My greatest preoccupation is with My children who separate themselves from the others, abandoning the true religion to go to a religion founded by men. For all this and much more, I want to help

you overcome these children who separate themselves from Christ. I encourage all of you and bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

94 - 12/10/1988 - Dear children, well you know that this nation is much loved and protected by your Mother in Heaven. Therefore you should do not be afraid. Pray and believe. Today all Brazil celebrates My feast, in which I am venerated by the name of Our Lady of Aparecida. Your Mother in Heaven will always protect this great nation, much loved and dear to God. Other countries also celebrate the feast of your Mother from Heaven today. Now the whole world will always be protected by Me, your Heavenly Mother. I want to help you. Be patient, do not be afraid. My Son and I will protect you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

95 - 16/10/1988 - Dear children, Satan, with his tricks, leads My innocent children to not believe in My presence here, and to not comply with My Appeals, nor with the Appeals of My Son in the Holy Gospels. Be attentive: pray and seek to always remain in God. I will give you great graces. Pray. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

96 - 19/10/1988 - Dear children, I have not come from Heaven to oblige or judge anyone. I know that you are Children of God and need help. For this, God has sent Me to prepare you. God loves you, little children, and because of this, I am here. Many people wonder about My presence in various places in the world. Dear children, I am here to help you, but much depends on you. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

97 - 22/10/1988 - Dear children, you all should know that peace, love, and union among brothers and sisters comes from God. You also should know that hatred, cursing, and separation ns in families come from Satan. Therefore, you should always be attentive. Pray a lot in the morning, read a text from the Gospel, and live it all day long. Are you not interested in God's programs, little children? You have no time for Him. It should not be this way. Do what I say and you will not be unhappy. I love you, My dear children, and I want to help you. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

98 - 25/10/1988 - Dear children, the Messages I give you are not to be left in the bottom of a drawer like simple remembrances, but rather to be read and put into practice. It does not help to have the Messages in hand, think them beautiful, but not do what I ask. I want to help you with these Messages, My children. Put them into your lives. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

99 - 29/10/1988 - Dear children, I am the Blessed Virgin Mary. I want your hearts to be purified by the Holy Spirit, so you can be increasingly holy. Always remain in God. Love your enemies. Do not keep hatred in your heart, principally for people who never desired evil for you. Ask God to bless and protect your enemies and adversaries. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

100 - 1/11/1988 - [All Saint's Day]. Dear children, with each day that passes, I want to cover you more with holiness. Do not feel alone, God is with you. Today, all the angels and saints pray and intercede for you before The Father. And so you should be always secure and confident. I love you, My little children, and never stop interceding for you with Our Father. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

101 - 3/11/1988 - Dear children, when I tell you: pray, pray, pray, you should not understand that I mean just more prayer. I want to raise you to an ardent and continuous desire of God. This week you will notice the presence of Satan. Do not be afraid. Pray and seek to always remain in God. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

102 - 5/11/1988 - Dear children, open your hearts like a flower opens on a springtime morning. Seek to love your enemies. You do not gain anything by hating your neighbor. I want to make you saints for the glory of the Kingdom of God, My little children. Pray and be converted. Pray that hardened hearts open to God as soon as possible. I want to help you, dear children, but what I do depends on you. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

103 - 8/11/1988 - Dear children, people have forgotten God and almost no longer believe in Him. Know, My children, that God exists and His goodness is infinite. Dear children, know that the world runs risks and is at the brink of great catastrophes. Pray and believe in God. God is no longer respected by men. Immoralities are permitted and His law is no longer respected. God loves you, little children, and for this that He [Mary asked Pedro not to transcribe something]...that the world does not know up till now. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

104 - 12/11/1988 - Beloved children, the time of the total purification is near. I want to lead you on the path of perfect imitation of My Son. For this, let Me guide you. Bring the greatest possible number of My innocent children to know the way of truth. Return to proclaiming the Gospel of My Son Jesus with courage, love, and fidelity. Today, the scandals caused by priests and even bishops who do not obey the Vicar of My Son deeply wound My Maternal Heart, for they drag a great number of My poor children along the path to perdition. With each passing day the number of My poor children who walk unrestrained along the path of denial of God, lack of faith, immorality and wickedness increases. Hatred, disobedience, and lack of faith cover the whole world, making it a desert without life and without love. I need you to spread the truth. Do not feel alone, favorite children, your Heavenly Mother will always be with you. I encourage you all and bless you in the Name of the Father, and of the Son, and of the Holy Spirit.

Amen. Peace be with you.

105 - 15/11/1988 - Dear children, you need to repent of the sins you have committed. God forgives you easily, My children, but you need to be sorry in order to obtain forgive. Pray and fast. Your Heavenly Mother desires to lead you to Heavenly glory. Open your hearts. Be always with God. I want to lead you to the path of eternal salvation. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

106 - 19/11/1988 - Beloved children, I want you to continue praying. I pray for and intercede for you with The Father. But, children, you have to pray too. I am ready to help you, My children; pray and be converted. Obey your parents. Pray a lot for them. I will be present in your prayers. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

107 - 22/11/1988 - Dear children, you are the flowers in My garden. I want to bring to the presence of My Father. I love you, My children, and want to bring you to Celestial glory. Be patient. Pray a lot. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

108 - 26/11/1988 - Beloved children, My appearances in many regions of the world are the last chance that God gives to humanity for its conversion. If you do not listen to My Appeals, you will be sorry, and it could be too late. Return to God as soon as possible. Humanity is on the eve of the most terrible scourges, and punishments. Your Mother of Heaven is very preoccupied with the destiny of humanity, and so she asks of you: pray, pray, pray. I want to help you, My children. Do what I say and you will be happy. Do not be afraid. Pray and be converted. Continue praying. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

109 - 29/11/1988 - Dear children, Bahia received from God the present of the presence of the Celestial Mother. God, in His infinite Mercy, had pity on you, My children, and so I am here. [Anguera, Bahia, Brazil] I do not come to be praised, but together, to praise our good God. Soon every state in Brazil will receive the same present that Bahia received: the presence of the Celestial Mother in every state of Brazil. Pray that Satan does not interfere with the plans of the Mother of Heaven. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

110 - 3/12/1988 - Dear children, I am the way that will lead you to life. I am here to help you, dear children. I ask you to follow My directions which are for the good of each one of you in particular. Be attentive. Pray and remain in God. Soon, there will be three consecutive days of darkness that not even science will know how to explain. All of you will suffer much in these days. I promise to all who are at My side that they will not lack light. I ask you to always keep candles blessed by a priest in your house. Do not be afraid. Do what I tell you to do. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

111 - 6/12/1988 - Dear children, today I ask you to prepare for Christmas with prayer, penances, and works of charity. Do not exaggerate your worry about material things, for only thus will you be capable of living the feast of Christmas. I want to bring you to an ardent and continuous desire for God this Christmas, My beloveds. Therefore, begin to love your enemies and adversaries. I am not here to oblige anyone, but rather to lead you to the way of salvation. Whoever follows Me will not walk in darkness, but will be forever happy. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

112 - 8/12/1988 - Dear children, I am the Immaculate Conception. Before God created the Heavens, the earth, and all that exists in it, I was already in His thoughts. At the Annunciation, I was a faithful servant. I opened My arms, thanked God, and said Yes to the truth of the Father. What suffering. But the Lord was always at My side, strengthening My spirit with His Divine love. Today I am here to ask your Yes to the will of My Father and to the fulfillment of His law. I am the Blessed Virgin Mary and Servant of God. I am at your disposition, ask what you like. I am here to serve you. Continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

113 - 10/12/1988 - My Beloved children, these are My times, the times in which your Mother in Heaven fights Satan and his evil angels. Be instruments in this Great Victory. Be obedient to the Vicar of My Son, Pope John Paul II. My adversary established his reign over this world and already considers himself the great winner. But your Heavenly Mother works in silence and concealment, confronting the rebellious angels and evil of Satan with her angels of light. My Church is now being invaded by a contaminating smoke that spreads evil everywhere. My priests live in a Brazil blessed by God. The Holy Father, father of all humanity, is commanded by your Mother in Heaven. I give orders and he fulfills them with a humility never before seen. The priests who obey the Vicar of My Son [the Pope] are blessed by Me, and those who do not obey are invited by your Heavenly Mother to a general return. Today your Heavenly Mother asks you to use the Rosary as one of the most effective arms to combat the devil. I am the Queen of priests. I want all of you at My side in order to win this great battle. I bless and encourage all in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

114 - 15/12/1988 - Dear children, I am the Virgin from Heaven. I am the Queen of Peace. I am your Mother all beautiful and lovely. I am here to help you. I want to transform you into true Christians, My dear children, so let Me guide you. Today I invite you to reconcile yourselves to God by confession. This Christmas Jesus wants to be reborn in your hearts, so abandon yourselves to Him. Continue, continue, continue to pray. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

115 - 17/12/1988 - My beloved children, these are My times. These are the times in which your Heavenly Mother asks you to be faithful to the Gospel of My Son. Now the moments of sorrowful purification are approaching you. Very soon apostasy will become apparent. Only those who are united to the Holy Father will be saved from shipwreck. I beseech you to proclaim the Gospel of My Son with courage and faithfulness. Nowadays so

many do not believe the words of My Son in the Holy Gospel. My Church is internally divided and in danger of losing the true faith. Many errors are being spread within it, and the real guilty ones are the pastors who do not obey the Vicar of My Son, Jesus Christ, John Paul II. Many bishops, priests, and religious are only and exclusively preoccupied with social problems. They are forgetting that Jesus died on the Cross and arose to gain for us the great gift of redemption and to save souls. And so deliverance theology is spreading increasingly, taking innumerable children of mine on the path to perdition. Liberation theology, with its deceitful tactics, works openly to destroy the Gospel of My Son. All of you priests should struggle much for the salvation of humanity. Do not be overly preoccupied with material things, so that you will be capable of imitating My Son Jesus. And you religious should pray a lot, and do not try to be more than you are. Your mission is to be always in prayer before the Cross. Pray for all the priests in the whole world, especially for the Holy Father, Pope John Paul II. Beloved children, My Church is in darkness. You are the true light. Everything depends on you to save My Church. You should form a powerful army to combat error, immorality, and lack of faith in My Church. I count on your help. Everything depends on you. I encourage you all and bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

116 - 20/12/1988 - Dear children, prepare yourselves for the feast of Christmas. Open your hearts to receive the Savior who is about to be born. Today I invite you especially to love your neighbor. If you love, you will experience a very special presence of My Son Jesus this Christmas. God will give you great graces if you abandon yourselves to Him. This Christmas I want to give My special Motherly blessing to all Mothers. The rest of you will be blessed by Jesus. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray for Jesus to be reborn in your hearts this Christmas. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

117 - 24/12/1988 - Dear children, watch with Me. It is Holy Night. Today your Heavenly Mother relives the sad moments of the trip to Bethlehem. Having to leave the home in Nazareth was a sad moment for My Heart. Chaste and good Saint Joseph and I had many moments of great affliction. It was already night and we were looking for lodging, but no one received us. All we found was a sorry cave and the warmth of a cow and our pack animal; our transportation during the day. Those refusals were for Me and My Little One, your God, a moment of great pain. Today the same thing happens. My dear children, Jesus is rejected by many of you. At times, He knocks on the door of your hearts to ask a favor and you refuse. On that night we received many Heavenly visitors: millions of His angels have come to adore Him. Today you have your God face to face, live as He is in Heaven, and you forget that He is all - powerful. I invite you to open your hearts tonight to receive graces and the gift of love, a gift that all humanity needs. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

118 - 27/12/1988 - Dear children, do not be afraid of temptations, for I am always near you. Pray, pray, pray. I am your Mother, and love you each and every moment. Do not be lonely. When you have difficulties, do not be afraid, because I love you and I am always at your side. You do not know how many gifts God gives through My intercession. Pray and you will better understand this. Continue, continue, continue to pray. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

119 - 31/12/1988 - Dear children, spend the last hours of this year - end with Me. 1988 has come to a close. All this year I have been at your side, helping you and showing you the way of truth. Thank God for being healthy and happy. My dear children, tonight I am very happy that you are here together with your Mother in Heaven. Your Heavenly Mother always wants your happiness, and so invites you to open your hearts. Pray and be converted. I want to print the seal of love on everyone's heart. If you love everyone, you will be at peace. If you are at peace with everyone, love will Triumph, and Jesus will remain in you. Jesus is your father and also your Great Friend. He loves you and desires you much peace. The presence of your Heavenly Mother in many places on earth is a perfect sign of the love of Jesus for you. I desire your complete happiness, so I give you My Heart. Receive it with tenderness. Thank you for having responded to My Appeals daily during this year. Continue, continue, continue to pray. Continue to pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I love you and want to continually bring you to prayer. My dear children, I am tireless and call you even when you are far from My Heart. I feel pain for each one of you that loses the way. But I am your Mother. I easily forgive and am happy with each child that returns to God. I want to help you, My children. Be converted. Continue, continue, continue to pray. Pray for priests. Peace be with you.

122 - 7/01/1989 - Dear children, I do not want to oblige any one of you to become holy. But I say that if you do not become saints you will not enter into the Kingdom of Heaven. Today I desire to clothe you with My Maternal Mantle and lead you on the path to conversion. Pray, pray, pray, My beloveds. Every day I consecrate you to My Immaculate Heart. Abandon yourselves totally to Me and I will protect you. My Son Jesus desires to give you special graces through Me. My Son is happy with your consecration, so consecrate yourselves. I love you and want to help you. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

123 - 10/01/1989 - Dear children, humanity is now on the eve of the most terrible scourges and punishments. Whoever is at My side and My Son's side will not suffer. I am your good Mother and Jesus is your Great Friend. Before God, do not be afraid of anything, but give Him your heart. Offer your sufferings to Him from the bottom of your heart. And so you will be strengthened by prayer, as a free heart in a peace without fear. I am your Mother. I love you and want to help you. Continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

124 - 14/01/1989 - Dear children, you know that I want to lead you on the path of holiness, but do not want to oblige you by force. I want each one of you to help yourself and help Me by little sacrifices and prayers. That way I can guide you, and day by day, you will come more closely to holiness. My dear children, this way I will not be forcing you to live My Messages. But this long time that I have been with you is a sign that I love you immensely, and want each one of you to become a saint. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

125 - 17/01/1989 - Dear children, I ask you that from now on you seek to walk in the way of holiness. I love you for this, and want you to be holy. I do not want Satan to be putting obstacles in your way. My children, pray and accept all that God gives you on the path to holiness, painful but at the same time, God will reveal His tenderness to those who begin to make progress. Do not give much importance to small things, but try to live for the things of Heaven. Continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

126 - 21/01/1989 - Dear children, I invite you to participate daily in the Holy Mass. I want each Mass to be an experience of God for you. I want to tell everyone, "Open your hearts to the Holy Spirit, so He can lead you on the path to holiness." I also invite you to confession, even though have confessed a few days ago. Say these words to Jesus after the Eucharist at each Mass. Jesus, You are our only God, Our Father and our only Great Friend. Jesus, you are our hope, our consolation and our salvation. Jesus, we love you. Jesus, we confide in you. Amen. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

127 - 24/01/1989 - Dear children, pray and be converted. The world is in great stress and at the edge of great catastrophes. Soon there will be grave conflicts, but the just will gain the advantage. Peace in the world is in crisis. The world can only be saved in peace. But the world can only find peace if it finds God. Return to God as quickly as possible. I want you to return to the practice of fasting, so recommended by Jesus in His Gospel. Thus you will be true disciples of Jesus and will spread His light around you in this time of darkness. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

128 - 26/01/1989 - Dear children, today I invite you to pray from the heart. My dear children, if you pray from the heart, you will melt the ice in your brothers, and all the barriers to conversion become more easily overcome for all who wish to welcome you. This is the Grace you should implore for your neighbor. Always seek to love your enemies and adversaries. Do not nourish hatred, bitterness and curses, but only blessings, smiles, and serenity. I am your Mother, I love all of you, and so desire your conversion. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

129 - 28/01/1989 - Dear children, I invite you to place blessed objects in your homes. Each one carries these signs. Bless all your things to be able to defend yourselves against Satan and diminish temptations by carrying a weapon against him. Satan is very strong. He will make every effort to separate you from conversion. Be attentive. Pray and seek to always remain in God. I will always be at your side, even in the smallest temptations. Pray. Continue, continue, continue to pray. Pray for the souls in purgatory. Pray that peace may reign in families. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

130 - 28/01/1989 - Dear children, The Almighty is tormented by your sins. Dear, children, seek to always live in love, so that your God Who loves you so much, does not feel sad and troubled. Return, return, return to God. Offer all your sufferings and all your problems to God. Stay always at the

side of your Heavenly Mother and I will protect you. Continue, continue, continue to pray. Pray that humanity finds the desired peace. Pray for yourselves. Pray for the sorrows of the Sacred Heart of Jesus. Pray for those who are converted and for those who are on the path to conversion. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

131 - 31/01/1989 - Dear children, it may seem strange to you to pray so much, but I tell you, if you do not pray, you will not be able to fulfill your duty as Christians. Pray without rushing, without consulting the clock for fear of not doing what must be done. Let the Holy Spirit guide you and you will see that you get everything done. Any other way, you will never get anything done. Pray for the priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray for the souls in purgatory. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

132 - 4/02/1989 - Dear children, My beloved, children, I am the Queen of Peace. I am the rainbow of the new covenant. I invite you to enter the Ark of the New Covenant that I built in My Immaculate Heart. My beloved children, take refuge in My Immaculate Heart, and your Heavenly Mother will protect you. Today a great number of My poor children no longer believe. They have already lost the true faith in Christ and His Gospel. Satan, always subtle and deceitful, has managed to impose darkness in the interior of My Church. Now the Church of Christ is overshadowed by the smoke of Satan. He has darkened the intelligence and thoughts of many of My children, making them proud and arrogant. Through these, he has darkened the Church of Christ. Beloved children, invite My poor children to return to God. The time you have for your conversion is almost up, and your days are counted. If you want to be saved, return to God as quickly as possible. As I said, your days are counted. Bishops and priests of the Holy Church of God, return to a full, humble, and total unity with the Pope, because you now run the risk of a very grave schism. Come back to being preoccupied with souls, the supreme good that was entrusted to you. May the peace of Jesus and My peace be with you. I bless and encourage all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

133 - 7/02/1989 - Dear children, today I invite you to prepare yourselves for Lent with fasting, prayers, penances, and works of charity. Too, I invite you to abandon yourselves completely to God during this Lent. Go to confession every week, but do not let your confession become routine. Confession is the best way to be reconciled to God. If you do not confess, you cannot fulfill your duty as Christians. If you do not act this way, your conversion will become increasingly more difficult. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

134 - 11/02/1989 - Dear children, return, return, return to God. If you do not abandon yourselves to God, you cannot find peace. Why do not you abandon yourselves to God? I know you have been praying for a long time, but truly free yourselves. Pray at night, when your day is over. Sit down in your room and tell Jesus "Thank you. Thank you Lord," If at night you go to sleep in peace, praying, you will wake up in the morning thinking of Jesus and can pray to Him in peace. But if you fall asleep distracted, the next morning you will feel depressed and even forget to pray. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

135 - 11/02/1989 - Dear children, pray, pray a lot. Pray the Rosary, which in a special way repels Satan. The devil cannot do anything when Christians pray the Rosary. Pray the Rosary every day, especially for priests. Do not forget to set a time for prayer. I want to bring you to a continual ardent desire for God in prayer, so pray. Really pray. Do not be shamed by people who do not pray and criticize you. Continue, continue, continue to pray. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

136 - 14/02/1989 - Dear Son, [Pedro is sick.] pray, pray, pray. Do not be afraid. You will win. Do not worry, your Heavenly Mother will help you. Offer up this suffering for the conversion of sinners. You will not walk yet this week, but I promise you that on the next apparition you will walk like any normal person. Tell all My sons and all My daughters to pray an Our Father and a Hail Mary for you. I will see you Saturday. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

137 - 18/02/1989 - Dear children, this is My Message today. I pray and intercede before The Father for you. The Almighty wants to give you great graces through My intercession. If you follow on the path which I lead you, you will receive particular graces. My children, nothing is impossible for God. You do not need to pray fifty or a hundred Rosaries to attain a Grace from God. Just one is enough for God to give the Grace you need. But you have to ask with faith. I want to perform great wonders here. Therefore, I ask you to pray. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

138 - 21/02/1989 - Dear children, pray, pray continually. Dedicate a part of your time solely to prayer. There are many Christians who are no longer faithful because they do not pray. Numerous Christians no longer believe, or only have an insufficient faith for lack of prayer. Begin by praying every day at least the five decades. Thus you will grow in the spiritual life and I will be very happy. I am your Mother and I want to help you. Whatever you do for Me and My Son on this earth, I promise to one day pay in double. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

139 - 25/02/1989 - Dear children, Satan is very strong and wants with all his strength to destroy My projects which I have already mentioned. Just pray, but pray without ceasing. I, too, will pray to My Son to realize all the projects which I have begun. Be patient and persevere in prayer. Do not allow Satan to steal your courage. He does much in this world. Be attentive. Pray. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

140 - 25/02/1989 - Dear children, tonight My Heart exults with joy and tenderness. I thank you for being here with your Heavenly Mother. My beloved children, I ask you to give to the Lord all your past, and the evil accumulated in your hearts. I want each one of you to be happy, but no one can find happiness while living in sin. Therefore, dear children, pray, and by prayer you will understand the new path of joy that will appear in your

hearts. This way you will be happy witnesses to what I and My Son desire for each one. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

141 - 25/02/1989 - Dear children, accept sickness and suffering with love, as Jesus did. I cannot cure. Only God can. Pray. I will pray with you. Believe firmly, fast, and do penance. I will help you as much as I can. God comes to help everyone. I am not God, I am just the Mother of God, and your Mother. I need your prayers and sacrifices to be able to help you. Pray and accept. Only thus can I joyfully give you the Grace that Jesus permitted to cure you. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

142 - 28/02/1989 - Dear children, I always need your prayers. You ask each other what good are these prayers. Look around you and you will see how sin has gained ground in this world. Now Satan wants to block all My programs. Pray that he does not manage to. I will ask My Son to let you feel the Victory of God in the trials provided by Satan. Pray that Jesus may win. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray for the souls in purgatory. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

143 - 4/03/1989 - Dear children, behold My Appeal for today: pray at the start and at the finish of any work. If you do this, God will bless you and your works. I see that you are worried about your works, but I tell you that when you are preoccupied, your works will not go well. Offer your time to God. Let yourself be guided by the Holy Spirit, your work will go better, and you will see that more time is left over. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

144 - 4/03/1989 - Dear children, live humbly the Messages I give you. Do not boast that you live them, do not walk around saying that we live them. If you receive the Messages in your heart and live them everyone will recognize this without your words, which help only those who do not hear them. Live them and witness them with your lives. If you accept the Messages I give you, I promise to intercede with My Son for your salvation. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

145 - 7/03/1989 - Dear children, meditate on My Messages and live them. Through them I will bring you to an ardent and continual desire for God. Therefore, I ask you to insert them into your lives. If humanity would return to God through My Appeals to conversion, peace would very soon reign in the world. Humanity is now at the brink of a great abyss. It is menaced by the danger of war and great destruction. And so I recommend more prayer. Pray the Holy Rosary. Pray with Me. Pray and do penance for the conversion of sinners. Pray that all My rebellious children see the truth and return to God. Pray a lot if you want peace. Peace will come to the world only if men and women return to God. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

146 - 11/03/1989 - Dear children, I am the Queen of Peace. I am the Mother of the most Blessed Sacrament. You will never be able to understand the depth of the Divine Love that God left you in the Eucharist. As He is in Heaven, Jesus in the same way is really present in the Eucharist, body and blood, soul and divinity. Jesus becomes present in the Eucharist in His Divinity and glorified body, truly the body born of the Virgin Mary. How great is the number of the Eucharists, but also, how many sacrileges are committed. The Christians who go to Church without preparation, without the Eucharist, without making a thanksgiving after Mass would be better if they did not go, for they end up hardening their hearts. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that all My plans come to pass. Praised be Jesus Christ, our Savior and only Mediator in all things. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

147 - 14/03/1989 - Dear children, I want you to continue to pray the Rosary for peace in the world. Pray a lot. Through prayer you will experience the most profound joy and resolve every situation, including those that seem impossible to you. Pray, pray, pray unceasingly. With your prayer and fasting you help Me realize My plans. Pray and fast so all My plans may be realized. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

148 - 15/03/1989 - My beloved Son, [For Father Gerard Laflamme] My adversary is working to take you to the path of darkness. But your faith, strong and unmovable as a mountain will not let him accomplish anything with you. Your Heavenly Mother always has and always will protect you, and never will leave you all alone. I pray for you; your heart is mine. And My Immaculate Heart is the refuge for you and all your brother priests. From this humble place, I thank and bless you.

149 - 18/03/1989 - Dear children, I ask all of you to show the love you have for Me, participating daily in the Holy Mass. If you do this, the Lord will generously repay you. May the Holy Mass be for you a daily duty. Anticipate and desire that it begin, for Jesus Himself offers Himself for you in the moment of Holy Mass. So eagerly await that moment in which you are purified. Pray a lot for the Holy Spirit to enlighten you. If people assist at Mass with a heart stained by hatred, they will return home with a cold and empty heart. So this does not happen to you, pray and before all else, learn to love your neighbor. Thank you for everything. Continue, continue, continue to pray. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

150 - 18/03/1989 - Dear children, I grant you all the graces you ask of Me. I ask only one thing, prayer. My desire is to help each one of you in particular, but I cannot help you if you do not pray. Just prayer, and your Heavenly Mother will help you. I want to thank you for all your response to My Messages. Thank you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

151 - 21/03/1989 - Dear children, once again I am with you to teach you the way that leads to God, the true way that takes you to peace and true

happiness. Be converted. Pray, pray, pray a lot so you may accept My love. If you do not accept My love for you, I cannot do anything. Pray that all humanity accepts My love. Pray for all My children who have withdrawn from God, that they return with faith, love, confidence and a great hope. Continue, continue, continue to pray. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. The peace of Jesus be for all of you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

152 - 23/03/1989 - Dear children, it is Holy Thursday. Today the Church in the whole world remembers the institution of the Eucharist, this greatest Sacrament which permits Jesus to be really present among you. The Eucharist was the greatest gift that Jesus left for you. Love was the main cause that made Jesus have Compassion for you and offer His Body and Blood as the perfect food for your soul. Today, more than ever before, you need to live the new commandment given by Jesus on Holy Thursday night at the Last Supper: the commandment of Love. Dear children, without love you will have no peace. If you do not love your neighbor, you do not love Jesus, Who is love itself. Peace and love to all of you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

153 - 24/03/1989 - Good Friday. Dear children, today, stay with Me at the foot of the cross. It is Good Friday. All is consummated. These are the last words of My Son Jesus before he gave that strong shout with which He gave up His spirit O My dear children, it is truly Good Friday. It is the day when your Heavenly Mother experienced her most profound sorrow. Live this day with Me and see if there is a sorrow greater than mine, My dear children. Stay at the side of your most sorrowful Mother. She offered Herself to give you Salvation. Yes, My dear children, Jesus accepted all with love. He did not complain. He did not say anything when they mocked Him. He only desired that the Will of God be fulfilled at that moment. He offered Himself with love for you and for your salvation. All this had to happen. The will of the Father be done. His desire was to save us. Pilate questioned Him and did not see in Him any crime that merited condemnation. Pilate did not want to condemn Him, but out of weakness, he turned Him over to suffer cruel violence.

THE WAY TO CALVARY. Jesus goes up Mount Calvary with difficulty, carrying the heavy cross on His poor shoulders. Unable to walk the path, He suffers a painful fall before He gets there. Inhumanly, His executors kick and stab Him to make Him get up and continue. With so much pain, Jesus could not do anything, but He fulfilled the will of His Father. When they stripped Him of His garments, I was at His side, and as His Mother, his executioners understood and permitted Me to cover His nudity with My veil. In spite of the offenses, He does not complain, accepting all with love, and offering all that suffering to His Father. I watch as they stretch Him out on the Cross. His hair is clotted with the blood that covers His face. All bloody, spit upon, whipped and outraged, He looks at His Mother beseechingly, but I cannot come closer because His executioners will not allow it. I feel the blows of the hammer as the nails pierce His hands and feet, and a terrible shock runs over My soul as the cross hits the bottom of the hole, making My Heart beat violently with pain. Still, the worst pain was when they mocked Him for His falls, the contempt for His wounds, His injuries, His body sacrificed, the outrage for His groans of agony, and the blasphemies for the supreme offer of His life. Above all, I felt pain for the contempt and rejection. My Son's Heart is torn to pieces by this immense abandonment, even before it was pierced by the spear of the Roman soldier.

THEY LEFT HIM ALONE. The twelve apostles were not here at the foot of the cross. One betrayed Him, another denied Him and wept bitterly in the distance. The others were spread out and were afraid to come closer. Neither were His friends here, the same friends who received so much from Him. Just John was with Me, strong and pure, innocent as a child. I could see in his eyes the deepest sorrow when he looked up at the cross, seeing his friend about to die. Jesus, up on the Cross, in the last hours of His life, looks on us two and brightens with the certainty of infinite love as He says, "Woman, behold your Son" and thus all was consummated. My beloved children, I, as Mother of Jesus, and your Mother, cannot let you continue heading toward the abyss. Be attentive. Open your eyes. Look where you are going. Humanity still lives, thanks to many who pray the Rosary and live in search of peace. Live in such a way that Jesus does not shed tears of blood because of your sins. Good Friday is renewed each day in a broader, more universal way than the way it happened on the Passion and Death on the Cross. Today, again, Jesus is nailed to the cross, spit upon, outraged, despised, and abandoned by many of My children. My children, understand what this day means, and do not despise Jesus, who died for you and for your salvation. As your Mother, I want to teach you to love, and to accept suffering as Jesus did. Open your hearts and let Me lead you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

154 - 25/03/1989 - Dear children, how infinite is the love of Jesus. He, knowing all that was to happen, looks to His Mother, and leaves her in the hands of His apostle, son, and Great Friend John. Yes, dear children, today your Heavenly Mother is in the care of her new son, born with such great sorrow. We are awaiting the Victory that sooner or later will come. I am with My new son, who cares for his sorrowful Mother with great tenderness. I want you too, My beloved children, to take care of your Heavenly Mother, for at this moment I need you most. Stay with Me and with your brother John, awaiting the Great Victory. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

155 - 26/03/1989 - Easter Sunday. Dear children, My Jesus has arisen, Alleluia. How My Immaculate Heart anxiously awaited this precious moment. Sing glories, Jesus has arisen, My dear children. On this day, My joy is so great to see My Son risen. Rejoice with Me. Beloved children, share My joy. Rejoice with all the angels and saints in Heaven. Jesus conquered death and arose from the dead. Give thanks to God, sing glories. May the Arisen One give you courage, joy, and peace. The peace of the Arisen One be to all of you. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

156 - 28/03/1989 - Dear children, this is My Message for today: pray. All agitation comes from Satan. Our prayer should redound in peace. Without prayer you will not have peace. Pray, pray, pray, pray for the souls in purgatory. I feel sad for each consecrated soul that is eternally lost. Pray for all the intentions I ask of you, including the souls in purgatory. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

157 - 1/04/1989 - Dear children, pray a lot. Pray always. May all your actions be, in truth, a prayer. Now, sin is no longer recognized as evil, and so My poor children are going to perdition in always greater numbers. I desire that the Holy Rosary be frequently prayed, especially for children, the sick the poor and for sinners. Satan installed in the world his reign of hatred and death. In this nation My adversary acts openly, and already claims Victory. Be careful. Be attentive. Pray a lot. I do not want any one of you to become a victim of Satan, so I beg you: Pray. If you pray, Satan will not have strength to tempt you, so pray, pray. Pray always more. Do not stop praying. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

158 - 4/04/1989 - Dear children, return to God. He is waiting for you with Open Arms. Return, return, return. I have come from Heaven to encounter you with profound joy. I want to help you. I want to turn you into saints. And so I ask you: open your hearts to God, as on a springtime morning, the flowers open to receive the Sun. Today, more than ever, you need to get up in the morning with the desire to be better than you were yesterday. You need to live more profoundly immersed in God. You must serve Him better and have courage to always begin again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

159 - 8/04/1989 - Dear children, if you habitually live in mortal sin, you are spiritually dead. And if you come to the end of your life in this state, eternal death in hell is waiting for you. In this world, which has become worse than in the times of the Flood, you risk being eternally lost. In fact, how many souls rush into hell every day because they do not accept the invitation I have given in many regions of the world to return to the way to God by the path of prayer, penance, and interior conversion? Principally evils of a spiritual order can prejudice the supernatural life of your souls. Sin has spread like the worst and most harmful of plagues, everywhere spreading sickness and death in many souls. Be careful. Hell exists. It is eternal. And today many run the risk of falling into hell because they have caught this deadly sickness. Pray and do penance for souls. Many souls are suffering because there is no one to pray for them. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

160 - 11/04/1989 - Dear children, I want to speak to you again about abortion, this terrible crime committed by so many people and even legalized in many countries. Even nations of ancient Christian tradition have come to the point of legitimizing the assassination of babies still in their Mothers' wombs. This is one of the principal causes of the lack of peace in the world. Pray a lot that this injustice be no longer committed. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans be realized. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

161 - 15/04/1989 - Dear children, this is what I am beseeching for today. Renounce smoking and especially, programs on television. My dear children, television has completely destroyed you. After watching the programs on television, you are no longer able to concentrate, and so, no longer capable of praying. Do not waste your time watching television, thus stealing precious moments from prayer and the hearing of My words. Through television, the whole family is penetrated by a subtle and diabolical tactic of division and corruption. The most defenseless are the children and young people, whom I see with the preoccupied tenderness of a Mother. Television is one of the main ways used by Satan to spread his reign. Many in the production of television programs are spiritually dead because they wholly dedicate themselves to Satan. Satan, with his deceitful tactics, takes My poor children on the path to perdition. I ask you, dear children of My Immaculate Heart, to never participate in profane shows. Close your eyes to the easy seductions of the world. Depart from all those places where the sacred dignity of Christ is profaned. Put in practice what I say, and you will be true imitators of My Son Jesus. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for priests. Pray for vocations to the priesthood. Pray for yourselves. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

162 - 18/04/1989 - Dear children, do not be surprised if I speak so much. I talk to you because My Son Jesus wants Me to. I want you to observe the commandments of God and do all that My Son taught, so you can be His true followers. Nowadays a great part of humanity no longer keeps the Ten Commandments. Humanity is every day more distant from God and closer to the great abyss. The danger of a new war is very real. Beneath the appearance of fragile promises of agreement, they prepare more sophisticated ways of killing, and humanity is led by hatred to self - destruction. I want to form in this nation, with the help of all My children, an unconquerable army. I invite all of you to pray the five decades of the Rosary daily, so that peace may reign in this world. I, Our Lady of Aparecida, have a special love for this country. I do not want Satan to install his Kingdom here in Brazil, so I ask you to pray and do penance. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

163 - 22/04/1989 - Dear children, walk on the path I have shown you. If you do, you will be helping yourselves and growing in the spiritual life. I ask you once again to stay away from television so you can persevere in the light of purity and Grace. Do not feed on food poisoned with impurity, drugs, immorality and unfaithfulness. Rather, nourish yourselves with the Word of God, which strengthens you spiritually and fortifies your life in Grace. Depart from all sin, however slight it may be. Give everyone a good example of purity, sobriety, and modesty. Set a good example, especially with an austere way of life, rejecting the more provocative and obscene styles. Do not offend My Jesus any more, for He is already too offended. I repeat: nourish yourselves with the precious food of the Divine Eucharist, and above all, with the Gospel of Jesus. Accept, Meditate and live the Messages your Heavenly Mother gives in so many ways today. Let yourselves be guided by Me as children, and I will lead you to Jesus. Return to praying more, dedicate yourselves more to God, and adore Him more in the Eucharistic Mystery, so He becomes the Sun that illuminates your whole life. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

164 - 25/04/1989 - Dear children, I ask you to increase your prayers. God wants to give you special graces through prayer, so pray increasingly. You must know that without prayer you cannot understand what God has planned for you. Therefore, pray without ceasing. I want God's purposes to be realized in everyone; that everything He has planned grow in all hearts, and that your hearts open so as to receive from God the wonders He desires to bestow on you. Pray so that the blessing of God protects you from the evils that threaten you. Do not lose courage. On the contrary, remain always joyful. I am at your side, so rejoice always. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

165 - 29/04/1989 - Dear children, sin no more. Jesus is saddened because of your sins. Do not offend Jesus with your sins any more, My children. Pray and do penance. You know, My children, that you are always in this My Immaculate Heart, so do not be afraid. I ask you to pray the Holy Rosary with fervor and joy. Anyone who prays the Rosary gives Me great joy, so pray. I am always attentive. Pray and be faithful to My words. Hear what your Heavenly Mother is saying when she sweetly reminds you how to prepare for the grave happenings that are coming upon the world. Let Me guide you. Many of you are victims of temptation, doubt and criticism in relation to My appearances. Do not embitter My Heart with your

criticism and lack of faith. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

166 - 2/05/1989 - Dear children, in this month of May, seek to live more profoundly immersed in the things of God. Seek to live with intensity the consecration you made to My Immaculate Heart, for only thus will I be venerated by each one of you, My dear children. I ask you to pray the Rosary with love and dedication every day in this month of May, a month especially consecrated to Me, so you will be always more intimately in My Immaculate Heart. In this month of May especially dedicated to Me, I also dedicate to you. Be converted and return to God Who saves you and gives you peace. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

167 - 6/05/1989 - Dear children, the Lord will send you trials, but with prayer you can overcome them. God tests you by what happens day by day. Pray that you will be able to calmly pass each one of these tests. Through the difficulties that the Lord sends daily, you will open yourselves increasingly to God. Seek to meet Him with love. I will be at your side in each one of these trials, to help you overcome them. Do not be afraid, have confidence. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

168 - 9/05/1989 - Dear children, the film that many are striving to be exhibited in Feira de Santana [The Last Temptation of Christ] is a work of Satan. So it should not be shown in Feira, nor in any other part of the world. Jesus is really saddened to be the victim of so many blasphemies. Many people, even though they say they are Christian and Catholic, are supporting the exhibition of this film. Things like this bring the Wrath of God upon you, and afterwards, abandonment. The word of the bishop, together with his priests, is really conformed to the desire of Jesus and Myself. In Feira, a great multitude walk in the darkness of denial of God, lack of faith, in immorality and impiety. I ask you to stay far from television and movies. Satan is loose in the world, seeking to carry many souls to spiritual death. Be careful. Always be alert, pray and do penance. Pray the Holy Rosary. The Rosary is My special prayer, so always pray it. Unless there is a general return to God by conversion and penance, a great punishment may befall this nation. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

169 - 13/05/1989 - Dear children, I am your Heavenly Commander. I am the Queen of Peace. As you remember today My first apparition in the poor Cova de Iria, in 1917, you are living the events that I then foretold. All that I foretold in Fatima to My daughter, Sister Lucy, is happening today. The struggle between Me, the Woman clothed with the Sun, and My adversary, the red dragon, is now coming to its decisive phase. So I still appear today in a most extraordinary manner, to reassure you that I am always present in your midst. You are now living the moments in which the red dragon, that is, Marxist atheism, has spread over the whole world causing increasingly damage to poor souls. He has truly seduced and thrown down a third of the stars in the sky. These stars in the firmament of the Church are the pastors. They are you, My poor beloved children.

The moment has come when I desire to manifest Myself to the whole Church through you, for the time of the Triumph of My Immaculate Heart has come. As a loving Mother, I give the consecration to My Heart as a vaccine to preserve you from the epidemics of atheism that contaminate so many of My children, taking them to a true spiritual death. I also ask you to pray the Holy Rosary. The Rosary is My preferred prayer, and so in My numerous appearances I always invite you to pray it. I am always at the side of all those who pray, and ask it with urgent Motherly preoccupation. From this humble place, I encourage and bless all of you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

170 - 16/05/1989 - Dear children, how many in this world suffer from hunger, and many with a full table do not do anything for them. The day will come when many materially rich will weep and beg from the poor, for their souls are as dead as a dark night. I am a Mother who repeats the same song; return, return, for My Lord still is waiting for your conversion. Return. There is still time. Do not wait for tomorrow, for it could be too late. Come back today, now, if you want to be saved. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

171 - 20/05/1989 - Dear children, I am here with you because I love you and want to help you. Know, dear children, that all is possible for him who believes, and for those who trust in the Lord, nothing is difficult. I want to tell all of you that Heaven is preoccupied with the salvation of your souls, and for this reason I am here to help you and to increase your faith. Do not be discouraged. Have confidence. Continue on. The armor that the Lord gives to each one of you is the Holy Bible. Read it and live it. Thus you will be able to drink from the fountain of living water. My dear children, do good to all. Do not be afraid to proclaim the truths of My Messages. Do not be afraid, even if they treat you as crazy. I am your Mother. I am always with you to free you from the slavery of sin. Those who are in sin must change their lives, because if you come to the end of your live in this state, salvation becomes more difficult for you. Do not try to be more than others. Be humble. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

172 - 23/05/1989 - Dear children, God desires your return to The Father, because He desires that each one of you be saved. How The Father knocks eagerly on the door of your hearts. But you do not open it to receive Him. How many times does a father call attention to his children, before punishing them? That is how God has called on men for years and years. Only a Mother can know how much a father is annoyed. Think now, dear children, why this Mother suffers for those who still do not want to hear her. Everything I ask of you is for your own good, and is the desire of the Father, of the Son, and of the Holy Spirit The Most Holy Trinity is with you. Do not be discouraged. I am with you to help you. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

173 - 27/05/1989 - Dear children, nowadays I appear in many parts of the world, because the struggle between Me and My adversary is now coming to its decisive phase. I have come to the world with great power and glory, because My Son is about to arrive. Prepare yourselves. I ask that all of you help Me. I need you. Without you I cannot realize all that My Lord commanded of Me. Help Me. I give My blessing and My Heart to all those

who work in this refuge, which is for conversion. Be attentive. Prepare yourselves now. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

174 - 29/05/1989 - Dear children, this is the time for conversion. The time has come for each one of you to separate from evil. Blessed are those who accept the call of the Lord. Blessed are they who work and pray for the conversion of humanity, because My Son will give them a just wage. Blessed are those who support insult and calumny from the blind who lead the blind, without knowing where they will fall. Blessed are the priests and religious who return to the faith. Happy and blessed are all those who come to drink water from the font of My Jesus Savior; water that slakes the thirst of those persecuted for the faith, and comforted by this Mother who wipes the tears of each soul with love, as a Mother knows how. Blessed are those who seek peace, for I give them My peace; the peace of My Son Jesus Christ the Savior, Son of God. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

175 - 30/05/1989 - Dear children, in this month of May I feel very happy because I was honored by many of My children, who went on procession house to house with My images. I would like it if this did not happen only in May, but in every month of the year. Wherever one of My statues is carried with love, I am present there, praying with you for peace in the world and for the conversion of sinners. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

176 - 3/06/1989 - Dear children, humanity needs to accept and live My Messages which I have sent to the world by My chosen ones, spread over many regions of the world. O children, repent, ask forgive, love your neighbor, make amends, and above all, return to God who is waiting for you with Open Arms. My Heart is very offended by My children who do not accept My Messages of love. First, My beloved children, close the doors of the Church. Many of My priest children deny the authenticity of My various manifestations in many places on earth. No one should make a precipitated judgment against the truth of My apparitions. As I said, there must be caution, but the way many do it, it is no longer caution, but rather interference of My adversary. I have come to this world, not to be interrogated, but to be heard. I have come to this place to ask you to return to God, for only thus can you be saved. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

177 - 6/06/1989 - Dear children, I am the Queen of Peace. I am the Mother of God the Son. Today I want to warn you against the snares that Satan wants to set for each one of you. You should be very careful, for he is intelligent and astute. He knows perfectly well all the ways of deceiving you. He also knows all your weaknesses and above all, how to bring you down, carrying you to his Kingdom of darkness. In all this time that I am with you, I have warned you and warn you again. Be careful. To combat him, use prayer, the Rosary, the Holy Bible, and the Eucharist. Any time you do not feel pleasure in prayer, you can be sure that it is My powerful adversary. He is clever. Be careful. Be attentive. Watch day and night to avoid falling into his snares. When you feel disturbed by him, call upon My name, Mary. Call, and My Son and I will be at your side to defend you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

178 - 10/06/1989 - Dear children, be attentive. Satan will act in such a way that many will fall into his snares. I declare to you that many fervent souls will become indifferent. The Lord has sent Me to many regions of the earth, and I have faithfully and lovingly sent the Divine Messages to you. I ask each one of you to open your heart and hear My Messages, for only thus can I realize what My Lord has commanded. When you fall into one of the traps of My adversary, do not complain, for you did not lack warnings. I want to help you. Listen to Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

179 - 13/06/1989 - Dear children, My Immaculate Heart is burning with love for all of you. The Divine Flame of My Immaculate Heart desires to enkindle the whole world through you, My dearly beloved children. The great Triumph of My Immaculate Heart will come through you. Yes, you must be a sign of light that illuminates the whole world. I need your help. I cannot do anything without you. But how can you do this? By devotion to My Immaculate Heart and to the Holy Rosary. I have come to this humble place to ask you to pray the Rosary every day for the conversion of sinners, for the salvation of the world, and in reparation to The Most Holy Trinity, for all the blasphemies committed against It. The flame of My Heart already burns in those places where I show Myself and am attended to. Here, too, before long, Anguera will be inflamed by the fire of love of My Immaculate Heart which burns with love for all of you. It is the fire of Divine Mercy that My Son brings to you through My Heart which suffers for each one of you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

180 - 17/06/1989 - Dear children, I am very happy to see each of you here. I want you always close to Me. I am always at the side of each one of you to help you in your daily difficulties. I ask each one of you to pray, really pray. Do not cease to pray, since I will not cease interceding with My Son for each one of you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

181 - 20/06/1989 - Dear children, My Heart is increasingly filled with thorns every day that passes. The thorns are the blasphemies and ingratitude that men daily hurl against My Sorrowful Heart. I ask you to change your lives, that is, abandon sin and be converted. I am your Mother, and I am counseling you because I know you need it. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

182 - 24/06/1989 - Dear children, I have come from Heaven with profound joy to teach you the way that leads to The Father. During all this time I have directed the Divine Messages to you with love, but you do not want to hear them. Why? I know it is hard for you to give up something you have been doing for so long, but for love of Him Who died for you, you can stop if you want to, given the good will of each one. I want to help you. Be attentive. Listen to Me. May the Lord let you feel My Victory every minute of your life. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

183 - 27/06/1989 - Dear children, I am the Immaculate Conception. I am the Queen of Peace. I am the Mother of God the Son. Once again I have come to you to ask for something very important: Your Life. The time has come when each one of you, dear children, should ask for your very existence. I have in My hands the power to lead you on the path to true happiness. Let Me guide you. My dear children, see how I love you. I want

each one of you to always be in My Immaculate Heart. Give yourselves to Me and I will lead you to My Son. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for vocations to the priesthood. Pray for the souls in purgatory. Pray for the Holy Father. Pray that Satan does not manage to destroy My plans. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

184 - 29/06/1989 - Dear children, today I have come to ask for your prayers for all the priests in the whole world, and especially for the Holy Father, John Paul II. Pray for him. Hear him and obey him in everything. All his teachings are true. Everything he says is in accord with My desire and that of My Son Jesus. He is My Pope. He is My favorite Pope. And through his teachings will come the great Triumph of My Immaculate Heart. Do not be amazed. Just pray. Thank you for allowing Me to meet with you here again. From this humble place, I encourage and bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

185 - 1/07/1989 - Dear children, I am very happy because the Lord permits Me to meet with you here to help you in the hard path to conversion. Today I invite you to adore the Blessed Sacrament. Lately Jesus feels very alone, because He is being abandoned by many. I ask each one of you to be company for Jesus. Go. He is waiting for you with Open Arms. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

186 - 4/07/1989 - Dear children, this is My Message for today: the time for doubts and uncertainties is past. This is the time for conversion. The time for your conversion is almost up. I want to instruct you by the way of confidence and abandonment in the hands of the Lord. Give yourselves to Him, for only thus will you find peace. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

187 - 8/07/1989 - Dear children, once again I have come to call you to conversion. I ask you to wholeheartedly accept the Messages My Lord sends through Me. My dear children, know that My coming here is not by chance. Do not consider something this serious as a joke. Your doubts and misgivings are interferences of My adversary. Be careful. I ask each one of you to believe in My presence here and pray for those who do not believe. They need much prayer. Pray for them. Christians need to accept the love of God. People need to pray increasingly. You should spend the greater part of the day in a climate of prayer. You cannot imagine how many souls are in fact saved by your prayers. Once again I say: pray. Pray increasingly. Do not say you pray a lot. As your Mother I say that you still do not pray a lot.

I want to warn you about the sacrament of Confession. Go to confession frequently and pray more. Very few are following My Message about confession. I tell you again that you should not confess just once a week, but rather when you feel the need to purify your soul. You must know that the sacrament of Confession is very important. But be careful. Do not hide any of your sins, or regard the priest as just any man. In the Confessional, he represents Jesus Christ, your Merciful Savior. Christ acts through His priests. This is a marvelous, surprising and consoling reality. For you priests, I do not need to tell you of the great love I have for each one of you. In these last times, daily I have led you in the way of true imitation of My Son Jesus. For only thus can you become signs of joy and consolation for all My children who live in the darkness of sin. Now is a most painful time for you. These are times when you will weep and see horrors everywhere.

These are the times I foretold in various ways and by many signs. All people need to come to the knowledge of the truth, to accept and follow the Gospel of Jesus. This is your task as ministers of God. Your priestly heart should be meek and humble, Merciful and sensitive, pure and compassionate, and should always be at the service of your needy brethren. No one is free from collaborating with this plan of salvation, not even children, nor the suffering sick. All Christians can and should do something within and around themselves. Everyone needs God, Christ. Whoever says he does not need God is as a fool building on sand. Christians need to return to Christ. One must pray. Without prayer, life loses its meaning, and you will never attain your objectives. Therefore, you need to pray always to bring alive the gift of God. The same God Who has become man and lived on this earth, going from village to village, doing good to all, today still goes after hearts open to His invitation: come follow Me. But people do not want to follow Him. They are only interested in the things of this world, vanities and money.

The time has come when I invite all Christians to pray together for peace in the world and conversion of sinners. Courage, dear children. Courage. Do not be discouraged. Remember that the Divine Mercy never fails. And if you are at peace with God, you can overcome all your difficulties. You now have no great sins because you are careful not to commit them. But you must always be alert. Remain always in prayer. In your problems such as sickness, do not despair. Know, dear children, that your sufferings help you and serve for the glory of the Kingdom of God. Always remember that pain is never in vain. It never is useless. Be patient. Pray always. Always seek to be at peace with God and your brothers. You should always be builders of peace. But be aware that you do not make peace with hatred of the destruction of others. Peace is made with peace. I am the Queen of Peace. I have come to the world to help you have peace, the peace of My Lord and your Savior Jesus Christ.

Priests, My beloved children: I want to lead you to the heights of sanctity. Therefore, I ask each one of you to consecrate himself to My Immaculate Heart. Bring My protection upon yourselves. I invite you to be always attentive to the words of the Pope. Obey the Vicar of Christ. Obey him in everything. His words give comfort, hope and confidence. All that he says is true. Pope John Paul II is the greatest gift My Immaculate Heart received from Jesus for these times of purification, which in truth are not good. The priesthood is a Divine call. You already know this, since it refers to the most important service for the humble People of God. It is by your words that Christ comes to the world and is present among men. What a marvelous thing. Too bad that many of you do not recognize the great power you possess. Your role as priest is indispensable. Everyone in the Church can collaborate, but nobody else can do what the priests do. It is true that the Grace of God can act in the same way, especially where there is no ministry of God, and where nobody is to blame for this lack. But you cannot forget that the normal and sure way of redemption comes through the means instituted by Christ and the forms established by Him. Do not be discouraged by the lack of the youth for the service of the Lord. Be confident. Pray. Have courage.

Always proclaim the truth, nothing more than the truth. The truth that My Lord confided to you was not to be hidden nor buried, but to be proclaimed with humility and courage in the moment when it is threatened. When you need Me, call Me by name. I am here to help you. My powerful help is strongly sought by My first beloved son, Pope John Paul II, who is constantly invoking the Divine Mercy for you. Be sure that for your pastors, the bishops, there is nothing more important, urgent, or precious than your sanctity. And you, bishops of Brazil, I ask: be courageous. Do not be afraid to speak the truth. Constantly proclaim Jesus Christ and His Divine Message. The Lord has entrusted the destiny of His Church to you. You, My

beloved children, are the principal instruments of the Victory of Christ. So, in the Name of Christ and His Gospel, be fathers and brothers to your priests. To you, ministers of the Church, bishops and priests, as Mother of the Church, I have a request to make; proclaim the Gospel of Jesus to all people. Be masters of the Truth, this Truth that Christ Himself confided to you.

As Mother of the Church, I see that you need a true union among you, bishops and priests. Another thing I ask of you: form around you a barrier of union and never become separated. This is My desire and the desire of My Lord. Lastly, I have an Appeal to all the bishops of this great nation whom I greatly esteem and love: do your best to always be near to your priests. May The Holy Spirit enlighten you now and forever. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

188 - 11/07/1989 - Dear children, you should always be at the service of the Lord. You should defend everything that is of God, for you are Children of God and not of Satan. Witness to your faith at every moment and let yourselves be guided by the hands of the Lord. Your duty as Christians is to accept, at all times in your life, what is of God, and to say no to what belongs to the Kingdom of Satan. I am the Mother of God the Son and your Mother. I am here to help you. Let yourselves be sweetly guided by Me. Thank you for allowing Me to meet with you here again. Continue, continue, continue to pray. Pray for yourselves. Pray for priests. Pray for the souls in purgatory. Pray for the Holy Father. Pray that all My plans come to pass. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

189 - 15/07/1989 - Dear children, I have come today as the Mediator of all graces, because I truly desire to give very special graces to you. I ask each one of you to renounce yourself. Abandon all the things of this world which separate you from God. As Mother of Jesus, I can help you whenever you need it. But I cannot save you. Only God can do this. I just intercede for each one of you before My Son Jesus. This is My task as Mediator between God and humanity. I am a Mother, and as a Mother, I feel the need to help you, for I know you need help. And how you need it. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

190 - 18/07/1989 - Dear children, I am the Queen of Peace. I am the Mother of The Eternal God. Today I have come to show you the way you should follow o live well with God and your neighbor. I am saddened when one of My children blasphemes against My Lord, or when a soul consecrated to Me is eternally lost. I need your prayers and your sacrifices. Keep praying that the works I started be realized. The devil is angry and wants to do many things to keep My plans from being realized. Pray. Pray a lot. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

191 - 22/07/1989 - Dear children, I have dedicated all My life for each one of you, but you do not want to do anything for Me. Why? If you do not want to accept the Messages I have sent you all this time, You will not receive any Grace. But if you accept wholeheartedly the Messages that My Lord sends you through Me, you will gain everything, even things that are impossible for you. I am the Mother that intercedes for each one of you. Help Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

192 - 25/07/1989 - Dear children, see how humanity is in these last times. People are no longer interested in God. For many, love almost does not exist, and so, humanity is heading to a great abyss. I have come to the world to reclaim what belongs to God and help you distinguish between good and evil. If men do not return to God through My repeated Appeals to conversion, a great punishment will not delay in coming. This will be much greater than the Flood. Do not be afraid. Whoever is on the side of the Lord will not suffer. Pray. Pray. You do not know what is waiting for you. Pray. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

193 - 29/07/1989 - Dear children, My Message today is for all those who would like to be here but for whatever reason, could not come. I want to say to all these people that I receive their prayers with much tenderness, even though they are not here at this moment. I thank all those who work with Me in this refuge. Thank you. Thank you. You will not lack the marvelous recompense that My Lord has prepared for you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

194 - 1/08/1989 - Dear children, I ask each one of you to make reparation for the blasphemies committed against My Immaculate Heart and the Heart of My Divine Son. This is the time when the Lord wants to give you very special graces. So make reparation even today for the offenses that each one of you commit against the Immaculate Hearts. My great desire is that all return to God, and live reconciled with one another. I am the Mother of The Eternal God, the Mother of Jesus, your Mother. I want to help you. Listen to Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

195 - 5/08/1989 - Dear children, today I am very happy and want to share this joy with each one of you in particular. Your presence here is for Me a reason for great joy. Thank you for coming again. Be filled with joy and courage, dear children. Do not be discouraged. Have confidence in the Lord, for His Mercy is infinite. I am the Queen of Peace. Let Me sweetly guide you and you will not feel the weight of your daily difficulties. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

196 - 8/08/1989 - Dear children, today I invite you to renew your hearts. Open your hearts to the Lord. I ask each one of you to have unlimited confidence in My Immaculate Heart and in the Heart of My Divine Lord. The greatest evil still in each one of you is sin, you can be sure of this, for sin takes you completely away from God. Christ, being without sin, detested sin, but loved sinners with a special love, and often visited them to forgive them. And so I say to you: do not lose hope. Be confident in the Lord. I also ask you to always have at hand the exorcism composed by Pope Leo XIII, a short prayer but very efficient for saving souls. Always carry it with you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

197 - 12/08/1989 - Dear children, humanity is on the verge of destruction that it can provoke with its own hands. What I foretold to you in Fatima for this century has already begun. There is the danger for humanity of a new world war. I feel a great affliction for what is waiting for you, My poor innocent children, so threatened by hunger, war, hatred and violence. This is a terribly painful time for you. Pray and do penance. The punishment will come only if humanity does not convert. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

198 - 15/08/1989 - Dear children, today you are standing by your Heavenly Mother, raised to the glory of Paradise in body and soul. Today Heaven is in festival. All Paradise rejoices contemplating the glorious body of your Heavenly Mother, reflecting the brightness of the Most Holy Trinity. You, too, look to Me, and I will send the light and peace of My Lord and your Savior, Jesus Christ. In your most difficult moments, look to your Mother in Heaven for courage and help. When you happen to fall, or when you feel the weight of defeat, or meet with evil and hatred, come to Me and I will give you safe protection. Today, looking with eyes of Mercy on My innocent sinful children, I say: I am your Heavenly Mother. I am the Woman clothed with the Sun. I invite all of you to take refuge in My Immaculate Mantle, to be protected and led to Jesus, your Merciful Savior. I am the refuge of sinners. Today, look to Paradise, where your Heavenly Mother was elevated body and soul, and I will console you. At the moment when the fury of My adversary is loosed and manages to subvert so many by the power of Triumphant evil, I invite you, My poor children, to always remain in prayer. Be instruments of the Victory of Christ. Renounce everything, really everything, and in the hour of your death you will be transported directly to Heaven. To encourage and help you to travel on the path where I lead you, I will pour an extraordinary rain of graces on each one of you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

199 - 19/08/1989 - Dear children, be filled with courage, for I am the Mother of Hope and the Queen of Peace. Come to Me, My children, for I desire to take all of you together to My Son Jesus, present in all the tabernacles of the world. Jesus is present in the Eucharistic sacrament to help you build this union and give you an example of how to love with complete self-giving. It is not uncommon in your lives for two or three or more people who love each other to become separated. I am referring to people who leave their native land to seek their livelihood in distant lands. When they leave, those who remain cry for those who are leaving. Those who are going leave a simple present or photo so those who remain have a reminder. A testimony is a lesson of love at the hour of departure.

the Lord Jesus Christ, perfect God and perfect man, does not leave you a symbol, but rather the reality of Himself. Christ is not far from you. He goes to The Father, but remains among men. He does not leave a simple keepsake. He is really present in the Eucharist, body and blood, soul and divinity under the appearances of bread and wine. The Eucharistic Heart of Jesus will do great things in you. Be responsive. Sin no more. Be always in the state of Grace. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

200 - 22/08/1989 - Dear children, have confidence in Divine Mercy. Do not be overwhelmed or destroyed by actual conditions, but rather keep alive the hope of a better tomorrow. You have the Father in Heaven and a Mother who loves you with unlimited love, so you need not be afraid. Trust in the Lord. I give My blessing and My Heart to all children, to the sick, the poor, the marginalized, the afflicted, to all. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

201 - 26/08/1989 - Dear children, not everyone has the gift of understanding My plans, just those that I have called to be part of My Victorious Army. Few are called. Still, your Heavenly Mother through them, offers the possibility of salvation to all My children who travel on the path to perdition. Your life here on earth is, in fact, a continuous succession of encounters with God, with Christ. Yes, you are truly encountering Christ at every moment; in the Holy Scriptures as the Word of God; in His ministers, as master, priest and pastor; in your neighbor, especially in children, the poor, the sick, and the marginalized. Lastly, you are meeting Christ present in the sacraments, channels of His saving action. May My Lord bless all of you, all who have received My urgent Appeals. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

202 - 29/08/1989 - Dear children, today I invite you to pray. Without prayer, you cannot attain what you want. Know, My dear children, that by prayer you will receive much joy and much peace. By prayer you become richer in the Grace of God. Therefore, dear children, pray, pray a lot. I want prayer to be the life of each one of you. I ask you especially to pray for all those who are far from God, so that they return. Open your hearts today. In this way you will be richer, for God will reign in the hearts of all people. Your Christian heart seeks happiness and wants to experience it the context of true love, but this is only possible, I repeat: when you open your heart to the Lord. Therefore, dear children, pray, pray, pray a lot. Do not cease to pray. May prayer reign in the entire world, and may each one of you be always disposed to collaborate in this plan of salvation. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

203 - 2/09/1989 - Dear children, I love you and want to tell you: God who loves you, Who is Love, Is the One Who calls you today through Me to live His Divine Message: the Gospel. As a consistent and clear witness, conserve intact and help fructify the treasure of Christian faith given you through baptism. Be faithful to the commandments of the Lord, for only thus can you be saved. May the Merciful Lord keep you under His immense protection now and forever. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

204 - 5/09/1989 - Dear children, be filled with courage, for I am the Mother of Grace and Mercy. Open yourselves to God and give Him your very existence, and you will grow constantly in the spiritual life. Your spirituality must drink from the pure font which is Christ, Master of masters, Pastor of your souls, supreme model of every educator and all education. My Lord needs the contribution of all of you so other hearts may receive the Word that not all understand, that is, the Word of invitation and unreserved donation to the cause of His Kingdom. If you want to help continue the Life and mission of Christ, be faithful to His commandments, for only thus can you truly be His imitators. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

205 - 8/09/1989 - Dear children, I am here because I am faithful to Christ and because I love each one of you in particular. I want to speak and witness the Love of My Son Jesus to all of you, so you may believe in Him and be saved. The humble servant of the Lord is in your midst today with the same intensity and affection with which The Divine Master received and blessed the crowds and especially people suffering from their problems. I have come to help everyone. I am the Mother of all, and especially of the poor. Blessed are the poor and those who, for Christ, are especially sensitive to his brothers who suffer the lack of necessities. Do not be preoccupied in accumulating riches. You ought to place the goods God gave you at the disposition of all. Seek first your spiritual life. I am not here to condemn the rich. Christ, too, did not strongly condemn the rich for being rich or for using luxurious clothes. He strongly condemned the rich who did not consider the need of the poor living in misery. Christ did not condemn the simple possession of material goods. But His harshest words were directed towards those who used their goods selfishly, without

thinking of their neighbor who lacked necessities. Live in the Immaculate Love of My Heart. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

206 - 9/09/1989 - Dear children, accept sickness and suffering with love, as Jesus did. Christ, Son of God, innocent, knew suffering in His own flesh. Therefore, dear children, do not despair. Have confidence in Divine Mercy. Sickness is, in fact, a cross, a cross sometimes very heavy, a trial that God permits in the life of a person by a criterion that surpasses our capacity of understanding. But it should not be looked at as a blind fatality, nor necessarily as a punishment. It is not something that destroys without having a positive aspect. On the contrary, even though it weighs on the body, the cross of sickness, carried in the Eucharist with the cross of Christ, also becomes a font of salvation, of life, or of resurrection for the sick person or for others who help him. Once again I say, do not lose hope. Have confidence in the Lord, for His Mercy has no limits. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

207 - 12/09/1989 - Dear children, I am the Mother of Hope. I entrust all of you, My dear children, to My Son Jesus, your Merciful Savior. I entrust you to Him, and you trust in Him. Entrust your day to Him today and in the future, your faith and love, your works, joys, and preoccupations, worries, and hopes. Do not be discouraged, walk with hope. Count on a better tomorrow. Do not cease to look at the cross of Christ, and in it you will find yourselves, today and in the future. With a special and warm Appeal, I address the young generation, you children and teenagers: conserve your inheritance conquered and acquired with difficulties, sacrifices and prayers of your ancestors. Conserve and develop it. Work for the glory of God, for your own good, for the good of society, of the country where you live, and for the good of the Church in this country, for which your Mother has an especial attraction. God is with you. You are not alone. Your Heavenly Mother is with you to help you. Trust. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

208 - 16/09/1989 - Dear children, work to cultivate good sentiments. Be brothers to all, even to those who often seem to close their hearts. If in a moment you seem to fail, call upon Jesus Christ, for He is the only guide of your spirit, the only direction for your intelligence, will, and heart. He is the Redeemer of humanity. He is the Redeemer of the world. In Him is salvation, and there is no salvation other than in Him. He taught you by example and Word that the way of salvation is love; first and above all, the love of God; and because God has a fatherly care for all and wants humanity to become a single family, treating each other as a family, you should love one another, as Jesus Christ loved you and taught you. I am the Mother of God the Son, and your Mother. I did not come from Heaven to judge anyone, but rather to help you walk on the path that leads to salvation. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

209 - 19/09/1989 - Dear children, pray. Pray a lot. Pray for those who also pray, and for those who do not know how to pray, and for those who do not want to pray. May they all be good. Pray and do what God wants of you. I need you, My dear children. Help Me. I suffer because of those who have turned away from God. Share My Motherly suffering. Do not judge anyone. Pray, love, carry the cross with Me of this suffering for the salvation of all. At this moment I bless all the sick people in hospitals, all those who suffer in body or soul. I bless the children. I bless all of you, old and young, parents and offspring, all who are present here at this moment; finally, I bless all Brazilians, as well as all Brazilians who live in other countries. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

210 - 23/09/1989 - Dear children, love always, and do good to everyone. Always say no to failure to love, violence, and evil. And say Yes to love, for only love saves and builds. My Son Jesus Christ offers you the greatest joy in the world, which is to know how to love, and to feel loved. Do not be discouraged. Trust. There is no reason to despair. As He promised, My Son is with you till the end of time, with His help, His Grace, and His infinite power. Courage, dear children, courage always. I am at your side to help you. Trust Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

211 - 26/09/1989 - Dear children, guard truth and sincerity within yourselves. Do not go around lying here and there. Always tell the truth, for lies do not belong to God, but rather to the devil. You should always try to be an example of dignity at all times, so all your brethren imitate your course of action. Be sincere with your brothers. Always behave as true Christians. I repeat: speak the truth, for lies destroy you spiritually. Also, be masters of the truth. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

212 - 29/09/1989 - Dear children, today I invite you to live the Messages I have given you in the last two years. Know, My dear children, that My presence here in your midst is a great Grace that God is giving you. I desire that this Grace be live in abundance for each one of you in particular. Live the Messages I have given you for your own good and for your brethren. When someone offends you because you live My Messages, do not feel sad, My children. To the contrary, your heart should be gladdened and thank God for this opportunity to show your faith. God will never abandon you. He is always with you, and to help you very specially, He has given Me the Grace to be here with you. Do not be discouraged. Courage, dear children. May My Lord, at this moment, bless your Brazil. May God bless all you Brazilians with peace and prosperity, serene concord, understanding, and fraternity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

213 - 30/09/1989 - Dear children, be happy that you are Christians. Show it by your words, your behavior, at work, in your family, in a word, everywhere. Every chance you get, you should give a true witness of Jesus, not only in words, but especially in deeds. In this way you will be behaving as true disciples of My Son. It is not enough to say I am a Christian. First you must learn to be a Christian. If you want to be a true Christian, you will have to live the Messages of Christ with all your strength and courage, so that your works speak louder than your words. Plant faith, hope, love, and charity in your hearts, for these are the sure path that leads you to the Father, through Jesus, your guide. Always have confidence, for I will be at your side in an extraordinary manner to help you complete your plans. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

214 - 3/10/1989 - Dear children, My Lord is always with you. He always helps you according to your will power to progress. He offers a glorious mission to fulfill to all without distinction and gives to each one whatever is necessary to go onward in the mission entrusted to him or her. Freedom of choice has been given to everyone. The Lord gives everyone freedom to choose the path to follow. But there is one thing you should keep in mind:

the right path brings you always closer to the glories of the Lord. The wrong path stops you and delays your spiritual evolution. The proof that a Christian trusts in the Lord and lives His Messages is in his acts, not in his words. Have confidence. Work for the salvation of souls with love. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

215 - 7/10/1989 - Dear children, peace. How peace is important for humanity. But not everyone seeks peace. Seek to live in peace with your brothers, My children. If you do so, you will always have at your side the sincere support of the friend that God The Father sent to help you, Jesus Christ. Do not be discouraged. Have confidence in the Lord every moment of your existence. Your strength depends on your willpower. Jesus will gradually enter into your hearts, creating within your soul a climate of peace, love, joy, and happiness. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

216 - 10/10/1989 - Dear children, I am the Queen of Peace. I want all of you to cooperate in this plan of salvation. I ask you, I beseech you; help Me. I need you. Live in the peace I offer you. Love always. Pray and do reparation. Live always doing good, as Jesus did, and He will be happy with you. I am always at your side to strengthen you, guide you, and defend you. Have confidence, patient, and hopeful. Soon a new light will appear in your lives. Courage, dear children, courage. Do not retreat. Onward. Pray, trust and enter into the safe shelter of My Immaculate Heart to partake in My Victorious Army. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

217 - 12/10/1989. Dear children, always have confidence. Do not be carried away by the problems that invade your country. As much as possible, seek to reduce these problems until they disappear. Pray, pray, pray. Do not be discouraged. Be firm as a rock that weathers a storm unmoved. Seek to do things properly. Ask the Holy Spirit to enlighten you before any decision. You do not have to be sad, My children, for this will only make things worse. Have courage, faith, and hope. Do not be discouraged. I am at your side to help you carry out this great mission. Be strong so as not to be touched and carried away by the currents of pleasure that come before you, awaiting a tiny chance to carry you to a great abyss. Be careful. Keep to the path I have shown you. I am the Mother of everyone, without distinction, so I want to help you. Do not waste your precious time complaining and sad. Battle like true soldiers of Christ, in open warfare with the enemy. First you must know the reason for this struggle, in order to gain from this work. The answer will be given you in the Gospel My Son left for you. So I invite you to read a passage from the Gospel daily. I want to help you. I want you to act as children for Me and I will take you to Jesus. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

218 - 14/10/1989 - Dear children, I am very happy to be here with you again. Remain united in love and understanding, so that peace and happiness reign in you. Work in yourselves, renewing your interior in the path of love. And then, as far as possible, help all those who need your help. Try to always be in the state of Grace, so Jesus may always be with you. With Jesus at your side, all your actions will be blessed by Him and offered to The Father. Do your part. Jesus will help you. He will do the rest. Open your hearts so love can penetrate your being, and slowly you will rid yourselves of your imperfections and sufferings. Have confidence. Trust in yourselves. There is a great treasure within you, but you must strive to find it. Have confidence. I will help you as much as I can. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

219 - 18/10/1989 - Dear children, give your best in your task, always with love, patience, sincerity, and good will, so you can help all your brethren. Let your heart show itself in favor of your fellow beings. Take this opportunity that My Lord offers you to always grow more in the spiritual life. If you act with confidence, My Son and I will always be at your side, helping you in the great mission God has given you. Imitate Jesus in His works and His teachings. If you do so, you will attain peace and harmony in your hearts. You are workers in the Lord's harvest. Each one of you must cleanse your heart so the seed of My Son can give an abundance of fruits within you. Do not be discouraged. Courage. Remain in prayer, suffering, and hope, for the hour of your deliverance is drawing near. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

220 - 21/10/1989 - Dear children, you are free to do what you like, but you can be sure of one thing. If you do not convert, if you do not return to God, if you do not love your neighbor, with goodness to all, you will never be happy, you will never find love for yourselves. You will be like a lost navigator, without a destination, not knowing where he is going. If you want to arrive safe and sound at the end of your journey, you must follow Jesus, with faith, courage, and force of will, in His Gospel, taking from this masterpiece the help you need for your spiritual growth. You who are Christians should spread the Gospel every chance you get. In this way, you can help awaken those who have not yet had the happiness to feel in their hearts the glory of the work left by My Son, so that all humanity may harvest the fruits planted by Him through all the centuries. Help Jesus and He will help you. You too must be constant heralds of Christ and His Divine Message. If you do so, My Lord will generously reward you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

221 - 24/10/1989 - Dear children, be honest in your acts and you will discover the treasure of wisdom within you. You must act conscientiously in everything. Seek to put into practice all that My Son taught you by His Gospel. If you do so, My Lord will reward you. God is your Father. He is the fount of love and goodness. He knows what is necessary for you, so do not worry. Have confidence, faith and hope. What you ask of My Son with faith, through your prayer, you can be sure He will grant it. I give you My blessing. Pray for your material wellbeing and your growth in the faith. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

222 - 24/10/1989 - Dear children, I am your Immaculate Mother. I am always with you to protect and direct you. My hour has come. The sorrowful times foretold by Me have come. You are living in a world that no longer calls sin an evil. Many have lost the feel of sin, so sin is increasingly committed and justified, and so an increasing number of souls daily rush into hell. Each moment that you live on earth you are running a great risk of being eternally lost. Certainly I cannot ask you to stand still or not live in this world. By the will of My Son, you live in this world, but not of this world. I desire that you follow only My Son, Who is your life. He rose to Heaven to prepare a place for you and help you live in this world, always with an eye for Heaven. You will never be deceived by this world if, with Me leading you by the hand, you follow Jesus, your truth, way, and life every moment. Follow Him, prepare yourselves, and be converted. This is the time for your conversion. Be converted. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

223 - 24/10/1989 - Dear children, always live in the joy My Immaculate Heart offers you. Through you, the Heavenly Mother wants to offer the possibility of salvation to all those who walk in the path of perdition. Help all to depart from sin and live in the Grace and Love of God. Today your Mother from Heaven wants to help everyone fulfill the Divine Will, for only thus can you be sanctified and brought to the Father. Be faithful. Do what I say. Live My Messages and permit yourselves to be led by Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

224 - 24/10/1989 - Dear children, a man without faith has nothing within himself, and cannot offer anything good for others. Therefore, before all else, you must have faith. Next, you must do all that Jesus taught; you should open your heart to the Lord, and ask His help to be able to grow increasingly in the spiritual life. Be a person of faith, the light that shines for you in every moment of your existence. Have confidence in the special protection of your Heavenly Mother. Go on the path I have shown you. Always walk on it and never tire. Do all that I say. Speak up to be heard. You hear Me when you put into practice everything I taught you. If you want to prove to yourself and others the truth of My words, live My Messages. Live them. Live them. Live them. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

225 - 24/10/1989 - Dear Sons and Daughters. The angels in Heaven are with sword in hand to annihilate those who corrode the earth. Woe to those who do not repent and change their lives. You are a wicked generation and call upon yourselves the chastising hand that will not delay to strike you. If you do not convert, without a doubt a punishment will come worse than the Flood, such as never has been seen. Fire will fall from Heaven and a great part of humanity will be destroyed. Walk at My side, for only thus can I help you carry the bloody weight of the great trial that will precede the coming of the day of the Lord. Be careful. Little time is left for you. Be attentive. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

226 - 24/10/1989 - Dear children, Have courage, faith and love. Do not grieve. I am at your side, even though you do not see Me. I am the Mother of everyone, without distinction. Therefore, I have come to the world to call you to conversion and point out the way to Heaven. Be good. Love one another as Jesus loves you. Seek to build peace, for if you do not work in this direction, you will never encounter peace. Do not resort to violence. You will suffer much and continue to suffer if you are not converted. Therefore, be converted, change your life, and return to God. I am your Mother, and am always with you to help you. Do not worry. Be confident in your Heavenly Mother. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

227 - 24/10/1989 - Dear children, you are living in a world contaminated by sin. All humanity is contaminated by this invisible poison, and so needs urgently to be cured by the Merciful Love of Jesus. Let everyone know that sin in the souls of My poor children is like mud, but the Divine Grace has power to change even the most wicked sinners. Sin no more. Return to God by the path of love, confidence and penance, for only thus can you arrive at salvation. Therefore, return today if you want to encounter peace in your spirit. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

228 - 24/10/1989 - My beloved children, I protect you always and everywhere in every corner of the earth. I keep you always in My Immaculate Heart. This is the time of the great battle between the Woman clothed with the Sun and the red dragon. These are the times of the Triumph of My Immaculate Heart. So use all the arms I have prepared for you in order to be always protected by Me. Follow Me on the path of suffering. Certainly difficulties will always arise, but have confidence, faith, and hope. My Son always offers you light and power by The Holy Spirit so you can understand your sublime mission. Also carry a word of comfort and hope to those who live with you, to everyone, especially to the poorest and to those who most need comfort and hope because they suffer in body or soul. Walk at the side of your Heavenly Mother, My beloved children, and you yourselves will be in this world the immaculate light that will conquer the darkness of evil and sin. I am for you, Mother and Teacher. My Motherly mission is to make Jesus live in each one of you in fullness. Always have confidence. I am at your side. Trust. Courage, courage, courage. To all, I bless and encourage you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

229 - 24/10/1989 - Dear children, humanity is contaminated by the leprosy of sin, and so increasingly poor souls are being lost. I am pained by the loss of many souls. If you continue to commit more sins, you will never attain salvation. Therefore, ask for forgiveness. Repent of your sins. Repentance is the first step taken on the path to conversion. Do everything possible to avoid provoking the Wrath of God. If you sincerely ask forgive, He will forgive you. Repent. Repent. Repent. Walk in My light. Walk on the path I have shown you. Enter into the secure refuge of My Immaculate Heart, for only there will you be saved. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

230 - 24/10/1989 - Dear Son, [Just for Pedro] you need to get used to suffering, for you still have a lot to suffer. But have confidence. Have courage. I will be at your side in all your trials. Remain in the love of My Immaculate Heart. Be patient. Have confidence in your Heavenly Mother. You are very determined, but often too much. Be careful. You well know that anything you do without Me is not well done. Therefore, before any decision, tell Me and I will take you on a sure path. I need you, My son. You are in My plans. I cannot do what I would like to do without you. Be at My side. I will help you in all your difficulties. Confidence, My son, always confidence. You know how much I like you. I thank you for what you do for Me. Thank you, My son, thank you.

231 - 24/10/1989 - Dear children, I am the Queen of Peace. I am the Queen of Heaven. Walk with Me and follow Me on the path of love. Have confidence, courage, patience and hope. From our grief a new era of light will soon arise. Do not be feeling that you are alone. I am with you. Today I invite you to unite yourselves to My Immaculate Heart, to be protected and taken to the Father. Here [strike your breast] you are safe from every danger, and when the storm strikes, you will find refuge and you will find your peace. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

232 - 24/10/1989 - Dear children, pray the Holy Rosary every day. The Rosary is the prayer that I Myself have I have come from Heaven to ask of you. Pray it often. Multiply your prayers. Pray the prayer of the Rosary for bishops and for priests, for the action of the devil will lead many priests and religious to abandon their vocation. This is the hour of the Great Combat. The arm I give you for this combat is the chain that binds you to My Immaculate Heart; the Holy Rosary. Many of My children are at risk of being eternally lost in these decisive moments, because there is no one to

pray and make sacrifices for them. But you can do this. You pray for them. Help Me save these souls. My Lord will richly reward you for this work. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

233 - 24/10/1989 - Dear children, be modest in the way you dress. There are many styles that offend God, Our Lord, and so many souls rush into hell each day. Give a good example to all, especially by an austere way of life, and rejection of the styles increasingly provoking and obscene. Be careful. One of your sins, however small it may seem, can harm your spiritual life. Remember always that your body is the temple of the Holy Spirit, and so nothing impure should stain it. Be careful, be careful, be careful. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

234 - 24/10/1989 - Dear children, with an immense desire to bring all of you to Heaven, I leave My throne of glory and I have come from Heaven to earth, to ask you to pray the Rosary and offend no more Our Lord Who is already very offended. There is no problem that cannot be solved by praying the Rosary. Therefore, pray it always. Do not cease to pray it. I promise to all who pray the Rosary daily and spread this devotion that will have their names written in My Heart, never to be erased. If they do not listen to My Appeals, many souls will rush into hell for all eternity. The Church will be persecuted as never before and the Holy Father will suffer much. Pray for him. The Vicar of My Son will have to suffer much, because the Church will be the victim of great persecutions. This will be the time of darkness, and the Church will pass through a horrible crisis. Pray for the Church. Pray for the Holy Father. Pray for yourselves. I am your sorrowful Mother. I suffer for each one of you. I suffer because of your suffering. Do not be afraid. I will be at your side to help you in the most difficult hours. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

235 - 4/11/1989 - Dear children, I am the Mother of Mercy and Love. I ask you to pray and do penance for the conversion of sinners, so they may return to God and find their salvation. I want to show all My children the path to salvation through My Rosary, for this is the anchor of salvation for humanity and the remedy for all ills. Start now to pray for each other. Pray for yourselves too. Pray for the Pope, for he prays for you. Pray for bishops and priests, pray for all those who need your prayers. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

236 - 7/11/1989 - Dear children, you feel many difficulties because you do not pray. Pray and you will have the solution for all your problems. When you pray, you will always have the willingness to pray more. Without pray you will never attain anything. Keep praying and increasingly you will acquire from Me a taste for prayer. Be always in prayer with Me. Pray, pray, pray. I will help you as much as is in My power. Continue praying and fasting, so that My plans may be realized. With you prayer and fasting, you help realize My projects. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

237 - 11/11/1989 - Dear children, I am the Queen of Peace. I invite you to live more intensely My Messages I have given you. You should not be ashamed of talking about My Messages, nor should you be afraid. There is no reason to fear, for I am at the side of each one of you. Therefore, do not be afraid. Have courage. My plans can only be realized when each one of you begins to live My Messages. Therefore, live them, live them, live them today. Do not do tomorrow what you can do today. Thank God with Me for this Grace that we can be here together at this moment. Thank Him. Thank Him. I have done so much for you, but you do not want to help Me. I need you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

If you follow the path I have shown you, you will find the peace My Immaculate Heart has prepared for you. Be careful. Be attentive. Today, more than ever, you need to look to the things of Heaven, for the times in which you live are most dangerous, and you risk of being lost because of disobedience and acceptance of sin. All of you go by the way I have shown you. I am the Mother of everyone, and so I want to see you all happy. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

239 - 18/11/1989 - Dear children, I am the Mother of the poor. I am the Queen of Peace. You are Christians. All of you, Christians, seek to lead all My poor children to the fullness of truth, which can only be found in the Holy Church founded by My Son to carry the Gospel of salvation to all people s. Do not be discouraged. Have confidence, faith, and hope. Help as much as possible all those who need your help. If you do so, the Lord will reward you generously. Help, help those who need you. I am the Mother of the most poor of the poor. I suffer for those who are in need. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

240 - 21/11/1989 - Dear children, Respect you fellow beings in all circumstances. Judge not, for only God is the supreme judge. I am your Queen and Commander. If you want to be a saint, respond to My invitation. Be obedient. Strive for peace and love to reign among you. Thus you will be happier every day, for God will reign in your hearts. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

241 - 25/11/1989 - Dear children, I am the Queen of Peace. I am the Mediatrix of all graces. Today I invite you to be prudent in all your actions. Be careful. Before you act, check to see what in them will benefit your spiritual growth. If your acts will not produce anything useful, do not do them. I am the Mother of hope and confidence. Rejoice with Me. Reconcile yourself with God. Believe in the Gospel. Do not be sad. Rejoice always. May God bless you and your families, and your country. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

242 - 28/11/1989 - Dear children, I am the Queen of Peace. I have come to the world to teach you to live the Gospel and find salvation. Tell the world of today that salvation is in Jesus, and outside of Him there is no salvation. Open your heart to love. Do not ever forget that you are a gift of God for others. Love one another as Christ loved you. Love in the way My Son established. So treat others as you want to be treated. Let God speak to your heart. Do not depart from Him. He has something important to say about your future. Prepare to listen to Him. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

243 - 2/12/1989 - Dear children, My Message today is for all of you who are parents. Teach your children the importance of a personal relationship with Jesus, your beloved Savior and Friend. Teach them the importance of prayer, of love for neighbor. Teach them how to cultivate peace. Teach them to pray. You are the first teachers of your children of the path to faith and holiness. No one can take your place in this task, you can be sure of this. The task of educating your children in the way of truth is yours. So do it. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

244 - 5/12/1989 - Dear young people, today My Message is for you. You all should know that My Lord expects much from you, and trusts in you to spread His Divine Message. Learn to love Christ and to love humanity. In a word, learn to love yourselves, so in turn, you become more capable of giving yourselves. In this way, you will be men and women for others, and the world of tomorrow, thanks to your contribution, will be a richer world for humanity. Be faithful to the Pope and to the bishops in the Eucharist with him so you can remain faithful to Christ. You are, and should be increasingly, apostles to the youth, as witnesses to Christ among your friends, both at work and sport, as also in your daily relationships of friendship and fraternity. May everyone find the truth. Christ is the truth, so love the Truth. Jesus is the whole truth, to whom the spirit of truth will guide you. Do not feel alone, dear young people. I am with you. Pray for your own wellbeing and your growth in the spiritual life. I go with you each step of the way with love to help you find the way to truth. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

276 - 17/03/1990 - Dear children, do not allow the temptations of the world to steal your faith, because it is most precious to God. Have confidence in My Immaculate Heart. Do all that I have indicated. I will always be at your side to help you, so do not be afraid. Trust in the Lord and in Me, and you will lack nothing. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

277 - 20/03/1990 - Dear children, many of you have yet closed your hearts to God, so pray that they may be opened. I have come from Heaven to help you live the Message of My Divine Son. But you cannot live the Divine Message while living in sin. Therefore, be converted, be converted, be converted. Be reconciled with God. Open your heart. I am your Mother and carry you always in My Immaculate Heart. I recommend that you pray more, because I cannot help you without your prayers. Pray, pray, pray. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

278 - 24/03/1990 - Dear children, this is the Message I send today in the Name of the Lord; I am the Mother of God the Son and your Merciful Mother. Listen with confidence to the Appeals of My Son Jesus, Who dwells in all who believe in Him. Be confident and make an always greater effort because the Appeals from Heaven are truly serious. Receive with love all the Appeals I have sent to you in these recent times. Be small, pure

and responsive, for Christ is counting on you. He loves you and hopes for your return and collaboration. Even though you feel distant, He is not far from you. Rather, He presses you to His heart, so you feel His affection and establish a dialogue between Father and son. You will discover the presence of My Son in your midst as you live in harmony, justice and the peace of God. They will see Christ in you if you practice charity and meekness, especially with the most needy.

My Son needs your witness and your love, so that the Message of the Gospel may grow roots and be spread to every corner of the world. I have come to open your eyes to the bottomless riches of life that God gives to you. If you find His Word and follow it, if you discover the greatness of the love He has for all men, then you will have to understand that living your life is worth the trouble. Therefore, do not despair. Have confidence in the loving Mercy of the Lord. You, My dear children, come here full of joy and confidence, setting aside the insidious things of the world, to truly encounter Jesus, the Way, Truth, and Life, to which He invites all of you to follow Him with love. My Son calls you not only to walk with Him in this trip of life, He sends you in His place to be His witnesses in the world, concretely, before others like you, in search of the way, the truth, and life, but do not know where to go. Therefore, your time has come, dear children, and you cannot fail this urgent call. You are not alone on the path. I am with you. I will walk with you. I will be your companion on the path, and with My help, you will be able to follow the vocation offered to you by My Son. Rejoice, because Heaven is with you.

Do not lose hope. Do not be afraid. My Son well knows what is within you. He only knows. Open your heart to Him. Let Him speak to your heart, for only He has the Word of eternal life. My Son is the Divine Sun that enlightens all who live on earth. Therefore, do not be sad, He knows perfectly well what you need. Jesus is with you, dear children. He established His dwelling among you, and walks at your side, with love. Believe in the Message of salvation.

Take refuge in My Immaculate Heart. Here you are safe from any danger. Be confident and pray always. Always remember that you never walk alone. My Son is your constant companion. He will never abandon you. He is always close. In a special way, He is near you in the sacraments. He made you Children of God in baptism and strengthened you to be His witnesses by confirmation. In the Eucharist, My Son comes to you as food for your souls. He is the Lamb of God, Who takes away your sins in the sacrament of penance. In matrimony He grants you the graces necessary to remain faithful to His love which He promised you at the altar and to educate your children as children of the Father. In the sacrament of orders, He confirms deacons and priests in their special vocation, and gives them the necessary graces to be His ambassadors and ministers to the People of God. In the anointing of the sick, He cancels their sins and brings relief and strength to the sick and dying, giving them confidence in the Mercy of God.

You can be sure, dear children, that Jesus is near you. When you need Him, He comes to you, picks you up, and carries you on His shoulders, because He is the Good Shepherd. Do not be afraid to build your lives on the bedrock, Christ Himself. He will be your joy and your peace. Rejoice, for the Lord is good and His Mercy is infinite. Teach one another of the love God has for each one of you. Teach with faith and example. You well know that God does not deceive, but is the sure light that will guide your way. Never trade your liberty as Children of God for a slavery that comes from egoism and sin.

I am your Mother and I have come from Heaven to help you. I did not come to oblige you. You are free to follow the way you want, but be careful not to travel the wrong way. Know that you alone will never achieve anything, so for this, I am by your side. Listen to me. Allow Jesus and His message to change your lives. He is beckoning you to make a true walk with Him, a walk in faith that will correct all your generosity, enthusiasm and courage. This will undoubtedly be a wonderful adventure. My Son is counting on you, relying on your help to free the world from sin and selfishness. He is the sure light in the world obscured by the flight from the realities of life and the confusion of values. Do not allow your potential to be dissipated. Jesus needs everything that you can give. But do not forget: it is not important to My Son what you have, but what you are. Rejoice that you can give generously. You are the Children of God. You are the elect of God. He created you in His image and likeness. He has chosen you and loves you. My Son is calling you to be saints. He is not only calling bishops, priests, and nuns to be saints. He is calling each of you, all of you together. Seek to walk together, united in Christ in faith, hope, and love. Do not be afraid to bring Christ to your friends. Be evangelists. Work with love and dedication for the salvation of souls.

I have been with you for so long and you still do not understand. Do not stand idly by, for the love you have for My Son Jesus. Do something for yourselves and for your brothers. I repeat: do not cross your arms. Seek to help your own selves. God has always thought of you and loved you as unique people. He knows each one of you by name and knows perfectly well what you need. Therefore, do not be discouraged. Seek only to live as the Lord desires. To discover the will of the Lord for your life, you need to hear the Word of God, pray, share your questions and discoveries with others, to discern and value the gifts you receive. Prepare the way of the Lord, Who does not stop coming to you as on the Holy Night, to enrich you with His life and His presence. Let a space always remain in each of your hearts that only He can fill. Help everyone discover, astonished and confident, that God is your good. Know, My dear children, that He loves you much and wants to see you always happy. You deserve the best in your lives. Open your hearts to the God of Wisdom and Mercy, Who offers you the fullness of life already here on earth, and later in Heaven.

You will be called to account for all that you have done here on earth. Therefore, be careful to keep your faith in Christ firm and secure. Live your faith consistently and with fervor. Do not allow yourself to be overcome by all kinds of temptations that try to extinguish your faith and make you forget your dignity as human beings and Christians. Know, My dear children, that Christ is your great and good friend. He will never deceive nor abandon you. He said that He is the way. He is the way with the teachings of His Gospel and the examples of His life. If other ways open in front of you, they can seduce you with prospects of goals as easy as they are ambiguous, but do not forget: My Son is your only way. He leads you to a full realization of the hopes in the most intimate part of your heart. He said that He is the truth.

In fact, He is the Word of the Father. You are longing for the truth about your own selves and the world, about the Mystery of evil and suffering, about life and death. You are offered many unbiased truths full of presumptuous optimism, or contaminated by the worm of relativism and pessimism. My Son is the absolute truth, by which The Father offers humanity a persuasive response to all the questions that torment it. Humanity can discover in Him the full truth about itself and the world. Jesus said that He is Life. Yes, dear children, Jesus is true life. He died and arose from the dead, conquering sin forever. Jesus gives this new life, victorious over death, to those who believe in Him, for this is the will of the Father, that all who see the Son and believe in Him will have eternal life.

Each one of you is called to holiness. God chose exactly you, for love, to be His saints. God is calling you. Even though you have experienced the darkness of serious sin, He is calling you. He, more than anyone, knows there is a great reserve of goodness in each one of you because He created you in His image and likeness. The Lord knows all your difficulties perfectly well but also knows your great willingness to behave correctly and to follow Christ, because you know He is the Way, the Truth, and the Life. I encourage you, dear children, to not lose confidence in yourselves. Be saints so others may be inspired to sanctity. Follow Christ so others may seek Him. Holiness is your rule of life. Remember this always. Give witness with your life that you belong to Christ. Be reconciled with God. Go to the sacrament of Confession which will let you touch with your hand the infinite goodness of God and the greatness of His Mercy.

I am the Queen of Peace. I have come to bring you peace. May this be the right moment for a spiritual check - up, and if necessary, to repair and correct your itinerary. Thus you will have to encounter anew the joy of life and have a greater goodness and spirit of comprehension. You do not have to be ashamed to witness by your life that you belong to Christ. You say it is hard to be a Christian. It is a really long voyage. Still, My Son appeals to your freedom. He invites you to believe, to mature, and to bear fruit. He hopes from you a response that will take over your whole life. Even when you are sad, try to always remember that Jesus is your friend. He calls you His children, shares your anxieties and shows that He is preoccupied with you. As your friend, He wants you to speak to Him in prayer. He loves you and wants to always be present in your midst, to help you live according to His will. Remain intimately united with Christ. Walk in the footsteps of your saints.

You know you never will find happiness if you remain closed within yourselves. There is no space for egoism or apathy in your life. The cross speaks a language of giving, and you, My dear children, have much to offer and to give. When you open yourselves to Christ, you will learn what the cross means. On Calvary, My Son gave Himself as a complete and perfect gift and asks you to give yourself in the same way. The way to Calvary is the way that leads you to the center, that leads you to holiness. It is the way that each one of you is called to travel, because the call to holiness is for everyone. No one is excluded from it.

I am the Mother and Queen of Priests. Also to you, My beloved children, I want to talk to you about the joy and peace that can be found, not in having, but in being and knowing a person and living according to His teaching. This person is Jesus Christ, My beloved children, your Lord, and Friend. He is the center, the focal point, the only one Who unites you in love. Remember that the Kingdom of God needs your generous and total dedication. Make an effort to open up the way of salvation for humanity through Christ and His evangelical Message. Proclaim it. It is your privilege to show Christ to those who are seeking Him and invite them to follow Him. Children who have not yet met the Lord or have lost Him, await a friendly Word from you, a greater incentive. Pray to the Holy Spirit to enlighten you so that with His help, you attain great things. Construct a more beautiful world with your lives. Proclaim Christ to those who still do not know Him or know Him imperfectly. Work for unity and peace without pausing.

You priests and bishops must live as true brothers to better assume your mission to be one with Christ. As Disciples of Christ, you are supporters of the Message of salvation. Your life, your heart, your services, your prayers are to let the light of the Savior shine in this world. My Son chose you and loves you. He will keep you faithful to the end. His Grace will sustain you in your generous service to your Church. Let the seed of goodness and Mercy grow in your lives. Let your goodness and your patience grow in your lives. Let your goodness and patience develop completely. Do not consider the present problems as the end of hope and the death of enthusiasm. Rather, consider all your life as an opportunity through which God speaks to you to make a lasting contribution for the good of your country and your suffering people. Do not be afraid of effort, sacrifice, and discipline. You need them to love Christ with all your heart. Do not hesitate to spend your energy serving others, especially those in need, and those who live in a situation of extreme misery.

the Lord is faithful to His promise. You must be faithful to Him. Onward together, My beloved children, in faith, hope, and love. I have come from Heaven with love to tell you to open your heart to love. Give yourselves, offer yourselves generously to those who need you. Open the doors of your Churches, of your religious houses, to whoever knocks. Teach them with love. Be as good as is your Father in Heaven. Be increasingly conscious that you represent the responsible link between the Merciful God and man and woman searching for truth, justice, and peace. Strengthened by the consecration of your life, know how to confront with courage the restlessness of the world, the selfishness that denies love and adulterates justice, the error that confuses and disturbs souls. You, My beloved children, are called to be the living image of Christ, because the conscious offer of all that you are, repeats and hides in time the daily miracle of the love of the Son of God, coming to save all humanity and free it from evil.

I am your Mother and Teacher. You know that you have your place in My Immaculate Heart. Open the door of your hearts to Christ. Enter in the Eucharist with God through Christ so you can be in the Eucharist with every human being. Return to Him Whose name is Love so you can love others, not for simple fleeting qualities, but because they were created in the image and likeness of God, because they were redeemed with you by His blood. Live continuously in full fidelity to your consecration and you will always be ready for the sacrifice of love. Love cannot stop halfway, as you well know. Love must always be ready to offer itself even with extreme generosity. My son, do not hesitate to demand perfection in this ardent desire. Be perfect as your Heavenly Father is perfect. You can be sure of the results of your efforts, for you know the Lord of the harvest is in your midst. It is He Who chose you to be His servants to carry out the task of evangelization. The Gospel is a great spiritual power and you need to know and accept its teachings to be able to spread them. Know that the Gospel is your only hope. Therefore, do not cross your arms. Go, proclaim the Gospel, for it is the only means of salvation for humanity. United, tell the world of today that salvation is in Jesus Christ, the only Way, Truth, and Life.

I am the Queen of Peace and I am the Queen and Mother of Brazil. Christ is the light of nations. He also is the light of Brazil. You were chosen to be supporters of this light. You long for a Brazil more just and more fraternal and together you can build it. Be realists; do not dream of a world without problems. Certainly, problems will always arise. But have confidence for I will be with you to help you. Peace will come to Brazil. You can be sure of this. But you have to make an effort to make it happen, and pray that everyone who lives here may have courage, faith, and hope. As I already said various times, many things depend on you and your effort, because if you stand idly by and do not do anything, things become increasingly difficult. May the Lord Jesus, Who knows your thoughts, bless you and your Brazil? He is good and rich in understanding, overflowing with love, desiring to be understood and to receive a return for His immense love. The Lord is like that, and you should imitate Him. Be attentive to the cry of the poor, and put into action all your generosity, being converted increasingly to God and your neighbor. Help, with love, all those who live in conditions of extreme misery, immense poverty. Give to these poor children what you have in abundance. All of you are Members of one and the same human family and live in the same world. You love life and this is already something that glorifies the Lord. To love life is to already be aware of what you

receive from God and that you cannot be happy without Him. Christ is in a special manner the Way, Truth, and Life. Be witnesses of Christ in your country. Pray for one another. Pray for the Holy Father. Pray for priestly and religious vocations. Pray for priests. Be always more ardent witnesses to the Gospel. Rejoice, because you are not alone. I am with you.

The Word of God, Who descended from the royal throne in serene silence that involved all things, reigns in the intimacy of your hearts. Make your heart totally His. Truly become His witnesses with firm faith and generous love. To you, My dear children, I direct this ardent Appeal: make Jesus Christ the base of your lives and the font of your joy. Take this road, and above all, be disposed to continually renew your faith. For each one, faith is the light that shows the outlet of the tunnel of indifference and disbelief. Faith is the power that gives courage and help to persevere. It is the greatest gift of God, which you must accept gratefully and generously live. Rejoice, because Christ loves you. Rejoice in your life. Do not lose hope. Let your life and conduct be credible signs of Christ. I repeat: walk always at His side. Thus you can be sure you are walking securely, for even though the valley seems dark, He is your light, your guide, and your joy.

I am your Mother and Commander. I want to speak again to you who are parents. You will encounter many difficulties in raising your children, but do not be discouraged. Have confidence in My Immaculate Heart. As I cared for My Son Jesus with love, so will I help you take care of your children, educating them as Children of God. Your children are your great treasure. They love you much, even when they find it difficult to express this love. Look for opportunities when you can speak and share with your children on a profound level. Do not allow them to become strangers, even while living under the same roof. The years at home pass very quickly. They are precious years. Each moment passed with your children enriches them, and for your part, you will discover that your own lives are enriched in an incomparable manner. As you know, there are great moments of joy, but also the sad moments. But everything passes. The important thing is that God remains. And since He remains, you can be sure that His Grace will always be with you to help you raise your children.

To you, My children, I want to say: I love you and want to see you always happy, radiating joy and peace for those who live with you. You can be sure that God loves you and is your Great Friend. The love of God appears in you. You are a gift sent by God. You are a gift for your parents. You are their future. Your parents love you much. Ask them to teach you the things of Heaven. Beautiful things that you will like. I hope you grow with a great desire to do only good and seek to turn this world full of love for those who are passing necessity. This is what My Son and I hope for from you.

I am the Mother of Hope and Have confidence. I desire that the Lord protects you in every moment of your existence. May He be your guiding star, as you seek to be instruments of His Peace. God will help you discern His will, so you too can give fruit, and your fruit will remain. I exhort all of you to seek Christ and follow Him. Grow in the path of peace. Love your enemies and adversaries. Love of neighbor is what marks those who follow, with love, My Son Jesus. Force yourself to offer and contribute that which is expected from you. Do not stop working for peace. With your lives, be builders of peace. Also, I recommend that you pray for the Pope. Always pray for him. Follow his directions. He needs your prayers and your faith so he can carry out the great mission entrusted to Him. Obey him. Obey him. Obey him. All his words correspond to the truth because what he says is the truth of the Father. He is not alone. The Spirit of God is with Him. Obey him in everything. The hour has come when this desert world is to be renovated by the Spirit of the Father. Prepare yourselves to be present at My greatest wonders. Always have confidence in the special action of your Heavenly Mother. I am your Immaculate Mother. Walk with perfect confidence in My Immaculate Heart.

Walk with Me. Follow Me on the path of prayer. This path should be followed by all of you, for only thus can you be like Jesus in everything. My task is to make you like Him in everything. Therefore, open your heart to My Heart so I can realize in you all that My Lord desires. At this moment I bless you who are present here, and all who could not come, all. The presence of each one of you here at this moment is reason for great joy for Me. Thank you for having come. Thank you for allowing Me to be with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

279 - 27/03/1990 - Dear children, I am the Queen of Peace. I have come to say to you, be converted, be converted, be converted. If you habitually live in sin, you will never find salvation. So I repeat: be converted. Let Me guide you. Confide yourselves into My arms, and I will open to you the Great Wonders of God. Open your hearts to Me. I want to help you, but you cannot remain closed to Me, your Mother. Rejoice, because I am with you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

280 - 31/03/1990 - Dear children, again today I invite you to be converted. If your conversion does not become real, many things will become increasingly difficult for you. Be converted. If you do not convert, a great punishment will soon come to earth. Therefore, be converted. Many things depend on your conversion. I am your Mother and I know what can strike you and so I tell you to be careful. Listen to Me. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

281 - 3/04/1990 - Dear children, return to God through prayer and penance. Follow the path I have shown you. During Lent seek to live profoundly immersed in the things of Heaven. Return to the Lord. He is waiting for you with the immense love of the Father. Return, return, return. I desire that your return to God happens as quickly as possible, because the time for your conversion is running out. Be converted now. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

282 - 7/04/1990 - Dear children, again today I invite you to prayer. I have come from Heaven with love to help you live more profoundly immersed in the things of God. Listen to Me for I am your Immaculate Mother, and I want to help you whenever you need Me. Walk on the path I have shown you. I have come from Heaven to pour extraordinary graces on you. Be happy because I am at your side. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

283 - 10/04/1990 - Dear children, here is the Message I give to you today in the Name of the Lord. I am the Queen of Peace. You are always in My Immaculate Heart and this gives Me great joy. I desire that God grants you the gifts of wisdom and understanding, so you may grow increasingly in the spiritual life. Open your hearts to Him who is Good, and rich in Mercy. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

284 - 14/04/1990 - Dear children, I am your sorrowful Mother. How My Heart is wounded in these times by so many of My children, since they live truly clinging to sin. I have come from Heaven and as a Mother I want to help all My poor children, for they are far from God. I want your return to God to happen as soon as possible, because, as I said, the time for your conversion is almost over. I am the Queen of Peace. I promote love and Divine harmony among you which admirably shows itself in The Father, Son, and The Holy Spirit. Live with this Trinitarian spirituality which will make you true adorers in spirit and truth. Never let yourselves stray from the principles of faith. Rather, make an effort to take the faith to all those who do not have it and are living in the gloom of sin. Be careful. Walk on the path I have shown you. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

285 - 17/04/1990 - Dear children, you are longing for extraordinary graces, and God will give them to you. Just pray. I have come from Heaven to help you walk the path that will reconcile you to God and your neighbor. Therefore, seek to live My urgent Appeals. I want to help you, but you have to help too. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

286 - 21/04/1990 - Dear children, I am very close to you, even though you do not see Me, to help you travel on the long roads of life. I want to lead you to a high peak of holiness, but remember, you will only be great if you serve God. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

287 - 24/04/1990 - Dear Son, [to Pedro Regis] do not worry if you have to speak to your brothers. Let Me speak to them through you. Listen, My son. Give yourself to Me and I will help you any time you need it. Just have confidence, for I will do great wonders through you. Pray, pray, pray. Be glad that "X" is at your side and will help you. I like to see you with "X" for... and you should always be happy for this reason. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

288 - 24/04/1990 - Dear Daughter, [to a nun] I always wish you well. I thank you because you have given Me great joy. Thank you. You know, dear daughter, that you are always in My Immaculate Heart. I ask you to help Me convert My poor sinful children, because they are living in the gloom of sin. They need Me, but do not know it. Tell them I love them much and want to see them happy always. Help Me, My daughter and I will ask My Son to give you a great reward. Do not be afraid. I am with you. Have confidence. Thank you, thanks, thanks for all you have done for Me and My Son. Thank you. I love you and bless you.

289 - 28/04/1990 - Dear children, withdraw definitively from all that can harm your spiritual life. Do not sin. But if for weakness, you fall into sin, it will always be possible to ask forgiveness for the wrong you committed and recover friendship with God and your brothers. My Son offers you the way to do this. Always remember that God is infinite Mercy and does not abandon anyone, regardless of what happened or may happen. Entrust yourselves to His Fatherly Love. Have confidence in the Merciful Love of the Lord, Who calls you to live in His Grace and Peace. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

290 - 1/05/1990 - Dear children, I ask you to give Me your very life, for only thus can you clothe yourselves with My interior docility and be always obedient. Do not worry. Nothing is lost. There is still a chance, and everything can change. But you must listen to Me, for I am at your side to show you the way you must travel. Remain in My Immaculate Heart. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

291 - 5/05/1990 - Dear children, do not let yourselves be deceived by the things the world offers you. Be careful. Do not allow Satan to steal your faith and take hold of your hearts. Be attentive. Pray and listen to Me. I am your Mother and only want what is good for you. Rejoice, because I am at your side to help you. Have confidence. I desire that the Mercy of God penetrate your daily existence with charity and peace so you can grow spiritually and give fruits in abundance. This is the Message I am sending you today in the Name of the Lord. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

292 - 8/05/1990 - Dear children, I am your sorrowful Mother. I suffer because of those who live in the darkness of paganism or belong to other religions. They too are Children of God, need His Mercy and My help, but do not know it. Pray for them. You must know that the truth is found in its fullness only in the Catholic Church, founded by My Son to bring the Gospel of Salvation to all people s in all times. Only those who obey Pope John Paul II are in the Catholic Church. Those who do not obey him cannot be considered Catholics. My Son founded His Church on Peter, the rock. Whoever does not accept this truth it is better to be converted as soon as possible. Pray and be converted. I repeat: nothing is lost. The time has come. Be converted now. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

293 - 12/05/1990 - Dear children, I am your true Mother. Offer your interior docility to Me for only thus can I realize all that My Lord commanded. You will be truly happy here on earth if you fulfill the will of your Heavenly Father. Therefore, do not stand there with your arms crossed. Be converted. Rejoice. Heaven is waiting for you. This is My Message I am sending you today in the Name of the Lord. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

294 - 15/05/1990 - Dear children, I am the Mother of Mercy. Give yourselves to Me with full confidence, for I will be with you in an extraordinary way to always help you. The time has come that, in place of your tiny hearts contaminated by sin, I want to place My Immaculate Heart. Thus you will become like Me, capable of loving, forgiving, and accepting the will of the Lord. Follow My example and be always confident in My special protection. I have come from Heaven to help you, so rejoice. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

295 - 19/05/1990 - Dear children, I am the Queen of Peace. I am the Queen of Heaven. Look to Paradise, the place you were uniquely created for, and live always turned to the things of Heaven. Remember that the Lord, with His Light, banished forever the darkness of discouragement and frustration, and will always be near to help and support you. God is your absolute good, and calls you to live increasingly united to the Pope and to the bishops and priests in the Eucharist with him. You will only be able to remain in the truth if you listen to the words of My first beloved son, Pope John Paul II, with love and humility. Therefore, be attentive. Do not allow false prophets deceive you, using the Name of the Lord to deceive you and

lead you to perdition. I repeat: be careful. Be attentive. Obey only those who obey the Pope, and do not judge those who do not obey, because this is not for you to do. Listen to Me. Do not close your hearts to My words, but live them for your own good and for the good of your brothers and sisters. This is the Message which I am sending to you today in the Name of the Lord. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I am happy to be here with you tonight. Thank you for coming. God bless you and protect you. Also, I thank you for the generosity you have shown up to now and invite you to live the Messages I have sent to you in these past three years. Prepare your hearts to receive Divine truths with a spirit free from any human prejudice. Do not be shut up within yourselves. Open your hearts to the action of God. Give and you will receive. Give a generous response to all My Appeals with great confidence. Do not be deceived by sin. Obey Me. Change your life. You cannot witness to My presence here without changing your life, so be converted now. I invite you warmly to continue working to build peace. I am the Queen of Peace. Be reconciled with God. To be saved, believe firmly in His Gospel. You have many questions, and I am here to tell you that there are answers to these questions. The answer is Christ, the Son of God made man to teach you to be fully men and women, and at the same time, to also offer the possibility to be, as He, Children of God. This is your future. Sons of God, called to participate with Him in the same destiny of glory. Therefore, dear children, My Appeal; receive Christ in your lives. If you do not experience this interior encounter with Christ, you will never be happy. My Son is always offering you His Light and His Hope. Therefore, dear children, do not be discouraged. Have confidence, and love increasingly. Love God in His will, and love your neighbor, because supernatural love is the best defense against any and every evil. Continue helping Me. Keep the faith. Know that faith is the greatest gift you receive from the Father. Continue therefore on the path of faith.

Do not worry too much about anything. Give everything to Me, for everything that is yours now belongs to Me. What I wholeheartedly wish to all of you present here tonight is for the Lord of all beauty and kindness to bestow upon you all the graces desired, especially the grace of your conversion. Fear not, because in this great fight, I will be the winner. Give yourselves wholly to Me and I will make you perfectly responsive to the Father's Will. Keep My words in your hearts, keep them in the most secret place of your souls, for only then can I offer you to Jesus in the fulfillment of the Plan of God. A child knows full well the Mother's voice. And why do you not want to understand Me? Do you not know that I am your Mother? 340 - 12/10/1990 - [Feast of Our Lady of Aparecida]. Dear children, I am the Queen of Peace. I am the Mother and Queen of Brazil. Here, in this nation, as in all the nations of the world, I want to offer, through My Immaculate Heart, the possibility of salvation to all My poor children, because they live far from God and from Me. I ask of each one of you: give yourselves to Me unreservedly, without fear, without bitterness, for I am your Mother and I desire to help you. All of you should know that without Me you can do nothing. I speak to you to be your light. Each and every one can still be saved. This is why I am speaking to you. Listen to Me. I desire that the love, peace, and Compassion of God penetrate the hearts of all of you who listen to Me. I repeat: listen to Me. This way you will always have My special protection and will receive from My Divine Son the greatest of rewards. I did not. I have come from Heaven to oblige you, but to say that The Almighty very humbly desires your conversion. Time is passing, and a great punishment is coming closer. If you are not converted, a great punishment will fall upon Brazil. Unfortunately, here in Brazil, a great number of people no longer believe in the Gospel of My Son, or simply think it is a legend. Pray, pray, pray. Everything depends on you. Your conversion must happen now. Your time is very short. Therefore, be converted, be converted, be converted. I am your Mother and know what is waiting for you. Do not just stand there with your arms crossed. The chastisement is near. Be converted. I repeat: be converted. Heaven is anxious to see your conversion. Brazil needs peace, but peace will only come if you are converted. Therefore, the destiny of Brazil is in your hands. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

341 - 13/10/1990 - Dear children, what I foretold in Fatima is about to happen, for the time of the great Triumph of My Immaculate Heart has come. Today, remember with joy My apparition in the Cova de Iria, and the Great Miracle of the Sun performed by Me to witness My presence and to show you that these are My times, the times of the Great Purification. Do not be trapped by sin. Give yourselves to Me. You will find your refuge and peace only in My Immaculate Heart. Therefore, all of you should remain in My Immaculate Heart. This is the Message which I am sending to you

today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

342 - 16/10/1990 - [for Maria Aparecida da Mata Alves] Dear Daughter, Pray. Pray. Pray. True, you are suffering. But in the future your suffering will be a cause of great joy for you. Do not worry. Have confidence, for I will always be at your side to help you. Do not be sad. Carry your cross with confidence and joy. Suffering is truly a cross, but you are not alone. 345 - 27/10/1990. Dear children, today a large number of people no longer live their faith; many claim to be Christians, but go to church only as a diversion, without belief and without devotion. The Christian should be, for everyone, an example of the true Son of God, especially in prayer and way of life. I repeat to you once more: Accept My Appeals. Truly lean on My Son Jesus Christ, for He is the Only Salvation to the world, and apart from Him, humanity can never be saved. I want to be at the side of each one of you to help you. Open your hearts to Me for I am your kind and loving Mother. Live in My love, for only thus will you be led to Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

347 - 3/11/1990 - Dear children, I invite you to consciously decide in favor of God and live lovingly all the Messages that I have sent to you. I desire to grant you extraordinary graces, so I ask of you: open your hearts to God and to Me. Thus you will live the peace and joy that My Immaculate Heart offers you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

349 - 10/11/1990 - Dear children, My Message today is especially for all you who are present here. I need each and every one of you. 350 - 13/11/1990 - Dear children, today I have come to ask you to change your family life. I want you to live in holiness in order to be an example for all the others who live far from God and from Me. I also desire that families grow daily increasingly in the direction of God by prayer. I have been calling you for so long; for so long ago I have shown the way to return to God, and you did not want to listen to Me. If you had put into practice the Appeals I made in Fatima, I would have attained peace for the world and total satisfaction for the Church. But I was not heard, and humanity finds itself at the brink of a great abyss. Again I repeat: be converted, change your lives, and purify your hearts. But remember, nothing is renewed or purified without love. Therefore, love, love, love. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

353 - 24/11/1990 - Dear children, I ask you to respond to My Supreme Appeals. To begin with, you will manage to live in the peace that My Immaculate Heart offers to you. Be faithful to Me. Be faithful to Christ. Live happily and confident. Always be attentive. Pray. Maintain peace in your families, even if you have to renounce what you want most. May all of you remain in the peace and love I offer you. Whoever remains in peace

and love, remains in God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

354 - 27/11/1990 - Dear children, do not be afraid, for I am your Mother, and Jesus is your Savior. If you managed to understand the love that Jesus and I have for you, you would weep for joy. Be responsible and educate your children as children of the Father. Do not allow the devil to deceive your children. Pray with them and teach them the way of goodness. You have a great responsibility for your children. Therefore, I repeat: be careful. God will want an accounting of the talents He has offered to you. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

406 - 18/05/1991 - Dear children, tonight My Heart exults with joy to be here. Thank you for coming. Know that there is a special place in My Heart for each one of you. Therefore, rejoice. I am your Mother and I want to help you. I have come from Heaven to give you all My love, but I cannot help you unless you open your hearts. Pray, pray, pray. I want to see all of you happy. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

407 - 21/05/1991 - Dear children, I have come with joy to invite you to be like My Son Jesus in everything. Have courage. Have confidence in My Immaculate Heart. My Immaculate Heart is the safe refuge I have prepared for you. Rejoice. Do not be afraid, especially you who are listening to Me, because I will establish My habitual dwelling in your hearts. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

408 - 25/05/1991 - Dear children, I am here again addressing My Message to you with a heart full of joy and love for each one of you. But also, and above all, with the desire to be heard. May you all be messengers of the Divine Message, even if your house is the only place for your apostolate. Be true followers of Christ. Do not be discouraged. My Prayers are always with you. May My Son, Our Lord Jesus Christ, grant you abundant graces so that you may go and bear fruit, and may your fruit remain for the glory of God and your growth. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here once again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

409 - 28/05/1991 - Dear children, you are anxious for the sign I promised you. Pray. I will give you this sign [sign that Our Lady promised in message 376] even if all are converted as I wish. After this sign many unbelievers will come to believe in My Presence here. Pray. Do not be anxious. Convert yourselves. I love you and want you to be pure on this path. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

410 - 01/06/1991 - My beloved children, know that it is in your sincere and total love for the Gospel that you can meet the weight of discipline that your mission requires, and truly attract souls, leading them to holiness. For this reason you must be particularly rich in faith in order to pass them on to others. You must also be firm in the faith, to be able to help others in temptations and weaknesses; but above all, you must be enlightened in faith, that you may manifest to others false doctrines against faith, false Christs, and false prophets. Be careful. Do not be unfaithful to your Church. God will collect the talents He has given you, My favorite children. You are aware of right and wrong; but why do you still accept the mistake? I repeat to you: Be careful. How many today are following the path of error because of your false teaching and false examples of life? Do not let Satan enter My Church. Return to preach the truths that My Son has communicated to you. Do not be afraid. As promised, My Son will be with you until the End Times. Courage. Onward. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

411 - 04/06/1991 - Dear children, be careful. Pray. Be attentive and watchful about yourselves, lest you be tempted. I repeat to you: Be careful. If you live the messages I have given you with humility and confidence, you can be sure that Heaven will give you a great reward. Rejoice. My Son loves you. He is your Savior. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

412 - 08/06/1991 - [to Mr. Evandro]. Dear son, never be discouraged, because I am your Mother and I am by your side to help you. I am happy for all you do for Me and My Son. Thank you for everything. Know that your reward is already in My Immaculate Heart. I smile because I love you with such a love that you cannot imagine. When I say that I love you, it is to make sure that you truly have a Mother, and that you will never be alone. Do

not be afraid, pray and I will do everything through you. Do not feel small or weak, for in My Eyes you are big and strong. May Almighty God grow in you His gifts to the glory of His Kingdom? From this humble place I encourage and bless you in the Name of the Father, and of the Son, and of the Holy Spirit, Amen. Peace be with you.

413 - 08/06/1991 - Dear children, you cannot grow without God's Blessings. Therefore, ask first of all God's Blessings for your life, for only then will you be able to fulfill the Divine Will. Do not worry. I love you and I am by your side. Smile. I repeat to you: I love you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

414 - 11/06/1991 - Dear children, be ever more obedient to My Words. Be increasingly Mine in prayer, abandonment and trust. Overcome all temptation by prayer. Have confidence in Me. Your lack of confidence paralyzes your activities and helps My adversary. Be careful. Listen to Me. Do not be unfaithful. I love you and I want to help you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

415 - 11/06/1991 - [To Walmir Mota]. Dear son, thank you for your trust in Me. You know that I love you and you are always in My Heart. Do not worry. I am by your side to help you. Pray. I repeat: I love you and I am by your side. Thank you. Thank you for everything. I bless you. In the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

416 - 15/06/1991 - Dear children, to all priests, and to you too: you are entrusted with the task of witnessing, with obvious signs of charity, that only the faith inspires you; it is the only reward that, supported by hope, you have in mind. Know that only Jesus, through His Cross and Resurrection, made possible your union with God and among yourselves. My Son loves you. He Himself takes you in prayer; let yourselves be guided by Him who prays, in you and for you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

417 - 18/06/1991 - Dear children, know how to value these moments of grace that My Lord gives you. It is convenient for each one of you to take advantage of these occasions of grace and make them a treasure for your daily life; for the joyful moments of loneliness and discomfort, are unfortunately inevitable, because of your sins. Do not be discouraged or lose hope, because I am your Mother and I am by your side. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

418 - 22/06/1991 - Dear children, My Message today is, in a particular and special way, for each of you here. I love you and thank you for all that you do for Me and My Son. Know that in My Heart there is a place reserved for each of you. Never worry, for you have a true Mother in Heaven. Rejoice. I repeat to you: I love you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

419 - 06/25/1991 - Dear children, be defenders of peace and love. Without peace and without love, you cannot achieve what you desire. Open your hearts to love. When you feel love in your hearts, your life will be full of happiness and graces. You cannot experience God's Love if you do not love. Therefore, love, love, love. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

420 - 06/29/1991 - [Confidante's Anniversary and St. Peter's Day]. My favorite children, I am the Queen of Peace. I am the Mother of God the Son and your Mother. I have come from Heaven to bring to you the Appeal and comfort of the Redeemer of humanity. He offers you the greatest joy in the world, which is knowing how to love and feel loved. He infuses within you the Strength from Above, necessary to change your life and to respond to His Divine Call. May His Invisible Presence be your comfort. Favorite children, you are the shepherds of a kind and simple people who hunger for God. Live with enthusiasm and joy the evangelizing mission entrusted to you by the Church of Christ. To accomplish this, I courageously took on the task of satisfying this hunger by bringing all My poor children to meet God. You must give the specific collaboration of your own mission in building the civilization of love. Today's world needs your testimony and your help. Tell all my poor children that God is true, that God exists. All people, even those who have adhered to atheistic or anti-Christian ideologies, or who manifest a return of the values of the spirit, wonder about God, feel His desire and need, and seek hope. To these poor children, sometimes torn by deep contrast, you must give an answer that justifies the transcendental values and the Gospel proclamation. Obviously, give an adequate response, not prefabricated, but dialogical, built from the depths of conscience and concrete interrogation, a concrete response from life and professions, family and community problems. Give an answer corroborated by personal testimony to make the announcement credible and achievable.

Spare no effort as builders of peace and unity, and be, with your word and your life, the presence of the One, Holy, Catholic and Apostolic Church founded by My Son, Our Lord Jesus Christ, to carry the Gospel of Salvation to all people. God allowed His own Son, Our Lord Jesus Christ, to shed His Blood on the Cross so that men and women could become His friends again. He Himself was arrested in the Garden of Olives, taken from court to court, unjustly tried and convicted, plagued and ridiculed, and finally sent to death on a cross. Through His Passion and Resurrection He gives you light and strength to turn back to God your Father and return to the right way. I am your Sorrowful Mother. I am the Mother of the Universal Church. As pastors, you must watch over, guide and encourage, so that today's world will be built on the solid pillars of love, justice, solidarity, mutual respect and freedom, so that the aspirations that so many Brazilians of goodwill have will be for a better future. Be, therefore, supporters of the Gospel of Christ to all the Brazilian people, thus making them feel that only Christ can satisfy the hearts of their hearts. Present them with high and great ideals that encourage them in their legitimate aspirations for a more just and fraternal world. Do not be discouraged, My Son is with you. He has need of you, sustains you, and pervades your whole life. The priest's life is beautiful precisely because of this indissoluble union with Christ, for this continual sacramental and vital intercession between Him and you. Favorite children, be supporters of the Truth of Christ. Love one another, unite with one another, help one another, for only then will you be faithful to the Gospel of my Son, be faithful to the Pope and to the Church. Know all of you that the truth is kept whole only in the Catholic Church in which the Holy Spirit continues to live and pour out the Wonders of His Love. Faithful to their inspirations, go forth with renewed enthusiasm in the mission of evangelizing to all who do not yet know God or imperfectly know Him. Do not fear or lose hope. In this way I accompany you, surrounding you with My Mother's Love so that you may all be of

Christ. On this day My first favorite son, Pope John Paul II, turns to Me with complete confidence and I, in the depths of his heart, I repeat the words of My Son: "You are a stone." Pope John Paul II is indeed a sign of My Extraordinary Presence among you. Those who do not accept his teachings will not be able to remain in the truth. Therefore, obey him. From this humble place I encourage and bless you all in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

421 - 29/06/1991 - Dear children, you are all prone to commit sin and without reflection you are heading to a great abyss. I have come from Heaven to point you to the path of salvation and true happiness. Be careful. Do not sin anymore. Your sins turn you away from God and His grace. Convert, convert, convert. I am in a hurry. I repeat to you: Be careful. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

422 - 02/07/1991 - Dear children, today, once again, I invite you to pray the Holy Rosary with love and dedication. If you do so, you will receive great graces from My Divine Son. Therefore, pray it. I have made countless appearances in various parts of the world, inviting My poor children to conversion and repentance. Know all of you that it is thanks to My Presence that the world still lives today. I invite you, therefore, to live sincerely all My Messages. I am happy for all you do for Me. Continue to help Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

423 - 06/07/1991 - Dear children, I am in your midst as Messenger and Queen of Peace, concerned, as you also, by the growth of peace and harmony among all the people s of the earth. Pray, for only through prayer can you grow spiritually. Seek to hear My Appeals. I have not come to oblige you, but it is My duty to show you the path that leads to salvation. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

424 - 06/07/1991 - Dear children, I recommend to you once again the weekly Confession. Confession is the remedy I offer you in order to follow the path of grace and holiness. If you live My Appeals with love and sincerity, you can without delay reach the Triumph of My Immaculate Heart. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

425 - 13/07/1991 - Dear children, to everyone gathered here I make this invitation: Be converted without delay. Renounce cigarettes, alcohol, and particularly television programs. Through these renunciations you can open in your life an even greater space for prayer and listening to My Holy Messages. Know all of you that television is the strongest and most pernicious instrument My adversary uses to lead you to sin and impurity. Television today has become an idol worshiped by all the nations of the earth, coming to your homes with a false message, harmful to you and your soul. Television thus corrupts your life by placing the seed of evil in your hearts. Do not watch television programs, for only then will you become great in My Eyes. I repeat to you: I have come not to oblige you, but as a Mother, I sweetly desire to lead you to Paradise. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

426 - 16/07/1991 - Dear children, defend, without fear, the messages that I have given you here in Angüera. Through them I desire to sanctify you and become in everything like my Son Jesus. Do not be discouraged or sad, for even with your sins and defects, I love you. Convert, convert, convert. Many things depend on your conversion. Therefore, I repeat to you: Be converted. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

427 - 20/07/1991 - Dear children, you who are listening to Me, do not worry about anything, not even about your destiny, but as children, trust in the Extraordinary Protection of your Mother. I am your Kind Mother and I have come from Heaven to help you. Do not be afraid. Trust. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

428 - 23/07/1991 - Dear children, pray. Pray the Rosary before any action. Be eager for peace, but peace will come only with the conversion of all. Therefore, convert, convert, convert. I need your help. Therefore, help Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Be at peace

429 - 27/07/1991 - Dear children, My Message today is just this: Live with joy and courageously spread the Gospel of My Son Jesus. I do not want to oblige you, but as a Mother I ask you to turn to Paradise. I have come from Heaven with the desire to help you. Therefore, accept Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

430 - 30/07/1991 - Dear children, I invite you to discover your real vocation to collaborate in spreading the Kingdom of God, Kingdom of Truth and Life, Holiness and Grace, Justice, Love and Peace. This is the Message that today I send to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

431 - 08/03/1991 - Dear children, continue to carry out with joy the task that I have entrusted to you, always open to the Spirit, to His Inspirations and Initiatives, to make your contribution in building peace and love. Continue praying. Through prayer you will be able to overcome every difficulty. Therefore, pray, pray. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

432 - 06/08/1991 - Dear children, answer the Call of My Son Jesus Christ and follow Him. Strive and pray, for only then can you respond to the Divine Call. Pray. God calls whenever He wants, for He is the owner of all hearts. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

433 - 10/08/1991 - Dear children, bring My Messages to the knowledge of everyone. You are responsible for them. If you welcome them into your heart and live them, you can witness them to all who hear you. I will reward you for all that you do on My behalf. Help me. I need you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

434 - 13/08/1991 - Dear children, if you want to serve your brothers, let Christ reign in your hearts. Do not be afraid to be saints. I know the road is a difficult one, but do not be discouraged. Have courage, faith and hope. I am your Mother and I am by your side. Rejoice. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

435 - 17/08/1991 - Dear children, I am Mary, the Mother of God the Son and your Merciful Mother. I ask once again for the consecration to My Immaculate Heart. With your consecration to My Immaculate Heart, I will be able to help you and you will become in everything like My Son Jesus. Therefore, consecrate yourselves. I love you and I want to help you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

436 - 20/08/1991 - Dear children, pray, pray, pray. Pray the Rosary. The Rosary is the prayer that draws you closer and closer to My Immaculate Heart. My Son, Jesus Christ, wishes to give you, through me, the gift of the wisdom of the heart, so that you may understand the messages I have given you. Therefore, I repeat: Pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

437 - 24/08/1991 - Dear children, do not be afraid. First of all, resort to prayer. Never seek to be grounded in false doctrines and false prophets, but turn to Christ, for He alone is the Way, the Truth, and the Life. Only in Him is salvation for the world, and outside Him can no one ever be saved. Do not worry about anything, for I am your Mother and I have come from Heaven to lead you joyfully to Paradise. Rejoice. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

438 - 27/08/1991 - Dear children, I will give you peace. I will pray to my Son Jesus Christ that you may be filled with blessings and graces, that you may bear witness to His message and love to all who do not know Him. I am your Mother. I wish you all to be happy and to be with Me in Heaven. Smile. I love you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

439 - 31/08/1991 - Dear children, your presence here tonight is a source of great joy to Me. Thank you for coming. I invite you once again to read an excerpt from the Gospel every day. I want the Word of My Son to be life for each of you. Rejoice. In My Heart there is a special place for each of you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

440 - 03/09/1991 - Dear children, I remind you once again of the importance of prayer and love of neighbor. If you do not pray and have no love in your hearts, you can never grow spiritually. Therefore, pray and love. I repeat to you: I do not want to oblige you, but as a Mother I want to show you the Path to Heaven. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

441 - 07/09/1991 - Dear children, rejoice with Me, for the Triumph of My Immaculate Heart is already near. Continue to pray that the projects I started here will be realized. Never be discouraged, for I am your Mother and I wish to help you all. Have confidence. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

442 - 10/09/1991 - Dear children, I invite you once again to pray with your heart, for only then will you be able to accept My Love and send it to others. Continue praying. The world is still experiencing strong tensions. Know all of you that the peace of the world is threatened. I repeat to you: Pray and love. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

443 - 09/14/1991 - Dear children, My Message today is for each of you gathered here: I love you immensely and I wish to see you all with Me in Heaven. Today I invite you to pray before the Cross for the peace of the world and the conversion of sinners. Never be discouraged. I am your Mother. My Son, the Prince of Peace, is your Savior. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

444 - 17/09/1991 - Dear children, I tell you again: Have confidence, faith and hope. Do not be discouraged. The Christian should never be discouraged, but with the power of prayer he must carry on the great mission entrusted to him by My Son. Always remember that My Son will never abandon you. He will always be present. Courage. Pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

445 - 21/09/1991 - Dear children, pray. I wish to embrace you and give you all My love. I am among you with a heart full of joy to grant you My Appeals. Listen to me. My Presence is a great grace to you. My Son loves you, so He sent Me to you. Convert yourselves. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

446 - 24/09/1991 - Dear children, this week pray more and try to live the Appeals I have already given you. The time has come when you must realize that you are of Christ and that by His example you must always do good. I wish to see you all happy, but this will only be possible if you are converted. Therefore, convert yourselves. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

447 - 28/09/1991 - Dear children, all of you remain by My side, for only then will you find your refuge in My Immaculate Heart. Pray. The world is heading to the path of perdition and only prayer can save it. I repeat to you: Pray and do penance. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

448 - 29/09/1991 - [4th year of the Apparitions]. Dear children, I love you and wish to be with you for a long time. Tonight, I invite you once again to accept with sincerity all the Appeals I have proposed to you in the past four years. Know that My Love for you grows every day. My Son Jesus Christ desires your conversion and your salvation, so I invite you to follow Him with love. I am the Queen and Mother of Brazil. I have come from Heaven to grant you Peace. Accept Me. To all of you, who hold a position of responsibility in both the political and religious sectors, I would like to say: Your nation is going through difficult and distressing times. See how the numbers of violence, robberies, kidnappings, dishonesty, in short, lack of love for neighbor and disrespect for the weak and abandoned are increasing. Look around you and see how many of them feed on the crumbs that are thrown in the garbage. I did not come to condemn you, but as a Mother I want to show you the way that leads to My Son. Pray and be converted. I wish you well and your happiness. I do not want to see you suffer. Pray. Pray. Pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

449 - 10/01/1991 - Dear children, I am the Queen of Peace. I am the Queen of Brazil. Your nation urgently needs peace, so I invite you to pray to My Son, the Prince of Peace, that He may grant you true peace. My Son is your Way, your Truth and your Life. It is precisely on the Cross that He clearly shows that love is stronger than hatred and violence, and forgiveness is more just than retribution. Never be discouraged. Have confidence. I am your Mother and I have come to help you. Rejoice. I repeat to you: Pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

450 - 05/10/1991 - Dear children, you are all great in My Eyes and I love you. I have a great desire to see you grow on the path to holiness. I know it is difficult, but I also know that your desire to grow in this direction is great. Pray. Ask My Son to help you. Do not be afraid of Him. He is your Father and your Brother. Do not be discouraged even when you encounter difficulties. Just pray, God will help you. Have confidence. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

451 - 09/10/1991 - Dear children, pray. My Son loves you. He has opened the way for you to abandon the bondage of sin and to find the way of salvation and new life in God. Know that you too are able to respond to God's Calls. Be faithful to His Commandments. Do not be discouraged. My Son will be with you until the End of the World. Have confidence. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

452 - 12/10/1991 - Dear children, peace be with you. I am the Mother and Queen of Brazil. Today, the beginning of the apostolic journey of the Holy Father John Paul II to your nation, I invite you to welcome with love and dedication his message of peace, love, faith and hope. Pray that his words of comfort and spiritual salvation, the truths of faith, will come alive in your mind and heart to hear the words of brotherhood and love from the one who visibly represents the God of Peace on earth. He has come to stand in faith, but above all, to help you to walk the auspicious path of peace in your nation. Harken to him and obey him. He will tell you the truths of God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen.

453 - 15/10/1991 - Dear children, do not cross your arms, but seek efforts to carry on all My Messages. You are all able to help Me. Do not be afraid. Trust in My Extraordinary Protection. I am with you. Courage. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

454 - 19/10/1991 - Dear children, your presence is a source of great joy to Me. I invite each of you tonight to be pure and faithful to the Commandments of the Lord. Above all, love His Word, which is Love and Salvation. Do not stand idly by. Love and do good to all. I love you in an extraordinary way and I want to see you happy. Accept me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

455 - 22/10/1991 - Dear children, pray, pray, pray. Only through prayer will you achieve the peace that comes from God. Be assured that each of you is in My Heart. Do not be discouraged. Courage. Do not be afraid. My Son, the Prince of Peace, is with you. He loves you and desires to settle in your heart. Accept Him with love and He expects from you a decisive answer. Onward. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

456 - 26/10/1991 - Dear children, Christ is the answer to your longings. In him you will find the answer to all your questions and anxieties. Approach Him who has the Words of Eternal Life. Follow the example of Him who is the Way, the Truth, and the Life. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

457 - 29/10/1991 - Dear children, behave like True Children of God and lead a holy life. Your heart must always be available to do the Will of God our Lord. I wish you to consecrate yourselves to Me, for only then can I lead you to My Son Jesus. Have courage. Rejoice, for I have come to you to offer you the possibility of finding Paradise. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

458 - 2/11/1991 - Dear children, Peace be with you. I am the Queen of Peace. I have introduced myself to you as the Queen of Peace to make you aware of the great importance of peace for humanity. I continue to tell you that you must always be by my side, for the world today needs more than ever my help and the mercy of my Divine Son, our Lord Jesus Christ. I tell you again that you must be careful, for Satan is strong and knows how to deceive you. Keep praying, but without ceasing. Remember that My Son still works in your hearts that reconciliation that makes the unity of the Church possible. Conscious of the precious gift God offers you, work, pray and offer your sacrifices day by day for the unity of all who believe in Christ. Say not only that you believe in God, but you are also ready to bear witness to the truth about His Resurrection. Do not be afraid of obstacles. Have courage. My Son has conquered the world. If you encounter difficulties on this journey, call for My Son Jesus. He will not forsake you. Remember that all of you have received a portion of the fullness that dwelt in My Son, and it is given to you as you make your earthly pilgrimage toward union with the Father. God, as the provident Father, will not forsake you. He urges you to leave darkness and follow His directions, which lead where life is in the light and where fear is removed. My Son, the meek Servant, sent as a covenant of the holy and light people of the nations, teaches you how great and beneficial is the power that is made available to charity. Thus the human heart becomes a dwelling place of mercy and truth, and daily existence develops in justice and peace. Thus the conflicts and their disintegrating weight dissolve and the spirit of each one opens to the will and wisdom of God, conforming to His wise design over the world. In your times when, unfortunately, there are still multiple imbalances due to lack of love and trust towards God and justice, the witness of those who base their lives in listening and contemplating God serve then the brothers, being inspired in His free, merciful love.

Love is very important to all of you, so you must always love. Strive to follow the example of the Son of God, Jesus Christ, who wanted to save the world through the humiliation of the cross for your sake. If you do not love, you will not be part of the promised Paradise. So love, love, love. Do not keep feelings of hatred or desire for violence in your hearts, but try to imitate by example and words, My Son Jesus. My Son is your great friend and expects from you a holy behavior that does not offend your brothers and, above all, Heaven. Great is My desire to see you grow in the path of love. Do not retreat. Give yourself to Me with complete confidence. I am your Mother and I have come from Heaven to offer you the possibility of times of peace and hope. When you feel the love of My Son in your hearts, you will be able to imitate and worship Him incessantly. If you give yourselves wholly to the Lord, you will be able to understand His great appeal: come to Me. He is the Lamb of God who takes away the sins of the world. It is also He who is waiting with open arms, for He knows that He created you in His image and likeness.

Believe in the Holy Gospel. I will pray to God the Father to never fail you with the living word, which purifies you and is the principle of conversion for you. Through Him, begin to transfigure yourselves and anticipate your relationship with the Father, in anticipation of the prophetic vision of eternity. If you open the Gospel each morning, My Son will tell you in the depths of your heart: "I am the Way, the Truth and the Life. I long for your salvation. It is I, Jesus, your Savior who speaks: Listen to Me, I am in all who make your life happy or difficult. It is Me, by faith, by hope, by love. It is Me founding a family: it is the vocation of the vast majority. I am in the service of your brothers, in solidarity with your people: it is also the vocation of all. I am consecrating your life as a priest, as a religious. It is the vocation of some to express my presence in My Church." So your dialogue with Him will grow day by day and surely your life will change. The Gospel opens to humanity perspectives of peace, even because of the Commandment of love that My Son has given you. It is a source of true peace between God, for it is the Father who gives rise to all peace with men. I will pray that you will be well penetrated by the Spirit of Peace of Christ, that you will be builders of peace and solidarity. The word of My Son strengthens you and gives you courage. Work hard, all of you, that the Gospel of Jesus may be lived by all who seek Him. Feed on the word of God and the Eucharist. Face with courage and hope the difficult times, the trials of life, including temptations, and overcome them to the extent possible with joy. With great confidence in My extraordinary protection, go onward without discouragement. The word of My Son strengthens you and gives you courage. Work hard, all of you, that the Gospel of Jesus may be lived by all who seek Him. Respect the feelings of your brothers and make yourself available to the most needy. If you act as I say to you, Jesus will live more and more in you and you will become ever more His instruments as builders of peace, brotherhood, true love, and solidarity, because you will no longer be acting, but will be Jesus who will live more and more in you. In this way love will always be more fully understood, and in you I will already have the Triumph of My Immaculate Heart.

When you look around you often feel impelled in the spirit, to interrogate about the origin of the world, man, the technique, the intelligence that produces it. Undoubtedly, dear children, you ask yourself from whence come all the things which you admire, and are led to think precisely of the infinite intelligence, goodness, and perfection of your Creator. I invite you, therefore, to comfort the heart of God, for He loves you. If you knew how much love He has for you, you would weep with joy. You know God through the created world, but in the name of creation proclaim His glory. Hear the voice of the Lord and avoid all evil. Be aware that you are important in God's eyes. Despite your shortcomings, My Son loves you infinitely. Remember also that God must be in His place, that is, in the first. The creature, though very noble and precious, cannot and should not be preferred over Him. He is a jealous God. He alone must be at the apex of all your interests, and has every right to demand it, precisely because He is your Creator and Savior. You will be great if you serve God: the branch cannot live unless it is in the vine. By parity, a man who is not subject to God or who excludes God from his own life, perhaps believes in asserting himself, but in reality is condemned to the death of the spirit. And the certainty of this lies in the very practical results of those ideologies that exalt man, offending God and denying him the absolute primacy over all things and over man himself. You are in the heart of God. There is no doubt in you the image of Him, but unfortunately it is disfigured by sin. It must be restored, it must be refounded, it must be saved. This is the duty of your Christian life. The time has come when you must insist first of all on a purification of the heart. Above all, you must accept the purification of thoughts, intentions, will, feelings, affections, desires, passions, in short, of your whole inner world, so that your outer attitude is truly sincere, and not the fruit of that desire for human glory against which My Son was so severe. Your great temptation is to look like Christians rather than truly being, due to compromises with the ideologies and fashions of this world, because you often want to please men more than God. Look for ways to make your valuable testimony credible and attractive, but always with the intention that men do not focus on you, but through you discover God and come to Him. To do this, you must strive to be docile instruments in the hands of the Lord.

My Son is the eternal Priest who is present, as in heaven, in the Blessed Sacrament. It is precisely in the presence of the Eucharist that you will better understand and appreciate the significance of My presence among you. With the Eucharist, you will feel the strength to carry out your great mission. You will find the courage to participate in the life of the Church. In this way you will contribute to the construction of peace and love. There is no true mission, indeed, if one does not live in depth the Eucharistic mystery, as communion with My Son: alive, true, sacramentally present, immolated Lamb for the salvation of you all. Through the Eucharist you have the possibility to value your life. But you cannot participate in the Eucharist unless you have true faith in God, One and Triune. If you live in communion with Christ, in an attitude of humility and fear, you will be able to experience the profound spiritual power of the Eucharist. If you accept Christ's gift with gratitude for all that He has done for you, you will be able to experience the profound spiritual power of the Eucharist. If you accept Christ's gift with gratitude for all that He has done for you, you will be able, through the Holy Spirit, to fulfill the vocation God has given you as members of the Church. Finally, if you recognize in Jesus and in the gift of His Eucharistic sacrifice the source of that truth, which alone can set you free, your hearts will be purified by worshiping God and working for His Kingdom of justice and peace. Express your gratitude to God for the gifts received in the participation of the Eucharist. The Eucharist is the sacrament of Christ's peace, because it is the memorial of the redeeming salvific sacrifice of the cross. It is the sacrament of victory over the divisions emanating from personal sin and collective selfishness.

My dear children, if you want to follow the example of My Son Jesus, you priests and bishops must live and act in a way that enables you to be available to the flock, from the most important to the littlest. You will want to be among them, whether rich or poor, educated or in need of education. You will readily share their joys and sorrows, not only in your thoughts and prayers, but also in their midst, so that through your presence and your ministry they may experience the love of God. You will only be able to proclaim effectively if you hear the Word of God and live it in your daily life. The message of My Son, the Gospel, must continue to be the center of your spirituality, the object of your daily prayer and meditation, so that it may be the source of your joy and fruitfulness. Be comforted by the truth that you do not work alone, for you have the support and blessing of My Son Jesus, Prince of Peace. Proclaim Jesus and His Beatitudes to all who freely choose to hear your words. Proclaim the Gospel and the growth of the Kingdom of God to all My dear and innocent children; this is the program undertaken by the Church as something received from its founder, Jesus, from the morning of Pentecost. Do not hesitate to sacrifice everything to remain faithful to Christ, your beloved Savior and Friend. Fight against religious indifferentism, the most dangerous temptation of modern times. God is love; this thought of faith always gives you serenity, inner peace and security, and makes your life meritorious before God. In Christ, the Way, the Truth, and the Life, all promises and hopes are answered. In him you will find the precious gifts of holiness and perfection, because he is the sign of a friendship, an endless love, an indescribable affection of the Father for each one of you. Put all your efforts into leading all God's people on the path of salvation. Do not be silent in the face of misleading campaigns that claim to defend the partial aspects of life, but in fact undermine the sanctity of marriage and marital intimacy. Strengthen, with the help of the Holy Spirit, the character of conjugal love in the face of models of marriage and families far removed from the evangelical ideal.

You cannot fail to note the deleterious effects that are produced among your simple people, the aggressive proselytizing campaigns that fundamentalist sects and new groups are carrying out in your Brazil, especially in recent years. I know that you have the desire to see peace and happiness reign in the hearts of your brothers. You must therefore continue to proclaim the Word of God, the saving action of Christ, through the sacraments, acceptance and response to the gift of salvation. I know your concerns and concerns for the weak and abandoned. Do your priestly work with love and sincere dedication, so that all may feel the closeness of the Church that welcomes, supports and helps them as a mother. Give special attention to the poorest and most helpless. Be men of unquestionable integrity and honesty, and give examples of a healthy moral life, for you are often seen by others as a model to be imitated. Be humble, for in this way you will embrace the simple way of life, in imitation of Christ who became poor for you. If you do not have poverty in spirit, it will be difficult for you to understand the problems of the weak and forgotten. Make yourselves available to the poor and needy so that they may approach you and open themselves to you without embarrassment. Make Christ the central force of your life and realize the task He has entrusted to you in building His Kingdom. Following the example of My Son Jesus, you must have prudence, maturity, and humility to work in harmony and under legitimate authority for the good of the Body of Christ, and not arbitrarily and independently. Be men of prayer before the Blessed Sacrament, and pray to My Son in that spirit of true worship, that you may imbue yourselves with the love of Christ. You can imitate My Son like this and make your ministry fruitful. Do everything in the light of the Gospel in order to prepare for the advent of the Kingdom of God, that Kingdom of God, which on earth is already germ in the Church and waiting to be completed in Heaven.

Be faithful to your Holy Church. May she be light of the world and salt of the earth, leaven of liberation and promotion of man in the natural and supernatural plan, the proclamation of a perspective of salvation and dignity that goes beyond the confines of human nature and reaches the condition of the children of God. This is the right time for all of you to reflect on the great and earnest duty of working to spread the Kingdom of God in obedience to the commandment of my Son Jesus. You who already have the wonderful gift of faith and have the joy of sharing in the saving mysteries, you cannot fail to respond to the graces received, especially with a renewed commitment, today and always, to make this faith grow within you, to consolidate itself in faithfulness and to translate into effective collaboration in the spread of the Kingdom of God, Kingdom of Peace. of love and hope. The life of the Church in each of her ministers is life in Christ through the Holy Spirit, a life of grace and holiness, nourished by the word of God and the participation of the sacraments and in the constant struggle against temptation and sin. Your great goal as pastors of God's people is to strengthen the fellowship of the faithful with the Holy Trinity. I ask you to be true friends of your people, always offering them the example of the Good Shepherd. As a priest and minister of God, watch over your flock. Many among you are no longer faithful to the will of the Lord. This is the moment of the great return to the God of Salvation and Mercy. The time has come when you must hear Peter's successor and Vicar of My Son, Pope John Paul II. Remember that your responsibility is great. Remember the poor souls that need to be saved through you. The time has come for you to put on your ecclesiastical habit and sit in the confessional so that the thirsty souls of God will seek His mercy through you. They need the sacrament of forgiveness; therefore you must make yourselves available to them. Remember that God wants your help and your availability. If you follow the path I am pointing to you, you will tread toward Paradise.

You undoubtedly have a great and special responsibility in preparing marriage and supporting the Christian family as a supernatural reality. But a specific and irreplaceable competence also lies with the spouses, who live in the first person the reality of love and family personality. Great evangelization cannot dispense with the contribution of Christian families in Brazil. Offer your worship to the one true God, and keep His commandments. You are called one by one to bear witness to Christ, through your own forgiveness, your self-denying participation and service, and your prayer. In a sense, the world is becoming achromatic. The time has come when you must be, above all, masters, for there is a great desire for many to know transcendental values. As priests, you are also educators of God's people, for they need a word of comfort that encourages them in their legitimate aspirations. Your commitment is, above all, to enhance and joyfully perform the task entrusted to you. I invite you to have a grateful feeling toward God, which has given you the possibility of being disciples of My Son Jesus. Above all, thank Him that He is with you. It is always

He who disposes the hearts: those who preach and those who welcome the Good News. Continue to love the Pope, to pray for him, to follow his exhortations. He needs your faith, which you show by faithfully serving the Holy Catholic Church. Strive, I repeat, for bringing the Good News to all peoples, so as not only to uphold God's law, but also to spread their own nature as human beings, created in the image and likeness of God and endowed with an innate and inalienable dignity that must be respected in all circumstances. This is the right time to devote yourselves to the great tasks of transmitting the full and integral faith of each generation, of defending family life from all that weakens it and of meeting the needs of your fellow citizens, especially the poor, the sick, and those who suffer, those lacking education, marginalized in the process of growth and development. Together with your bishops, you must lead the Church in Brazil to the fullness of Truth, to the fullness of Christ. You were invested, through the Holy Spirit given to the Church by My Son, that they may be able to teach the ways of God in truth. This is your calling and your ministry. Christ, who lives in His One, Holy, Catholic and Apostolic Church, gathered in all parts of the world, expects from you this service.

The truth is kept intact only in the Catholic Church. Founded on the apostles' foundation, the Catholic Church spread to the ends of the earth. And the Christian, apostolic and catholic faith has come to your dear Brazil. Thus began the building up of God by the envoys, the apostles' continuers. The Church is the sacrament of salvation for all of you, for My Own Son, Jesus Christ, gave it to Peter saying, "Whatever you bind on earth will be bound in heaven, and what you loose on earth will be unbound in heaven." Therefore, outside the Church salvation becomes difficult. Resist the temptation to leave your church. Do not listen to false prophets. I tell you again that the truth is kept intact only in the Catholic Church. The growth of sects in your nation is great, and the moment has come when your Heavenly Mother says: enough. Do not offend My Son anymore. Today the causes that favor the spread of sects in your nation are: insufficient religious instruction, abandonment of some communities, particularly in rural and suburban areas, lack of personalized attention to the faithful, the need they feel for authentic experience of God and a more lived and shared liturgy. I know that many of you are committed to this, but also that a large number do not care at all to carry out the task entrusted to them. Deepen the inexhaustible riches of the enlightening and saving Word of God. Humbly prepare your hearts to receive divine truths, in a spirit free of all human prejudice. In other words, dear children, know how to get away from the earth a little, and live turned to the things of heaven in order to reach a fervent intimacy in Christ, who is the revealer of eternal truths, and to bring you in turn others in the light of faith. Know that the true wisdom is that which comes from God.

From a position of poverty and freedom in relation to the powers of this world, the Church must courageously proclaim the law of brotherly love, the need for communion and solidarity among men, the inevitable demands of justice, the bright hope of eternal life. For God, who is at the center of life and history, continues to call men and women, children and elders, wise and illiterate, poor and rich, to offer them the joys of the unfathomable riches of His love. Therefore, you should spare no effort in meeting this priority responsibility and of such transcendence for the present and the future of the Church in your Brazil. In this sense, you must be committed, offering your generous contribution to the better formation of all who need to find My Son Jesus, for despite their little knowledge, they know that My Son is the Way, the Truth and the Life. Always transmit genuine priestly brotherhood, so that your faithful may always feel supported by their ministerial attitudes and always find encouragement to fulfill their commitments to God and to the Holy Church. Never be discouraged. Have confidence. Have courage. Undoubtedly, there are many challenges you must face in order to get the saving message of Jesus Christ to resound more fervently and to be present in all Brazilian homes. With living hope in the merciful love of My Son, have confidence that all of this will come under the action of the Holy Spirit, a growing renewal of the Church in her structures, charisms and ministries that will make her more alive, present and working as a sacrament of God's salvation among men. This is My wish and My Son's wish

Do not be afraid of the difficulties. In a sense, it is normal for them to exist, because, faced and resolved with God's help, they give occasion to promote and strengthen your virtue. Dear priests: prudently and wisely, encourage efforts, correct abuses, support the weak, direct all energies to the greatest ability to give and receive. All of you, through prayer and reflection, can offer the light of the Gospel and the radiance of its ethical and spiritual ideal. Your life must be based on the faith and love of God, and certainly inspired by faithfulness and generosity, so that it will be a source of satisfaction for yourselves and for the people you serve for the Lord's sake. My Son has given you a clear demonstration of His will and has left you the moving example of the love you need in the exercise of your noble and great mission. He who made the deaf to hear and the dumb to speak will always be with you with His Almighty love, that your work may produce abundant fruit for the Kingdom of Heaven. The God of the covenant is the liberating and saving God. It is God who shows men His providence and paternal solicitude. I hope that My presence will be for you all a providential occasion to renew the effort of conversion to Christ, which is based on reflection and prayer, but also on the sacramental life. In these times give space to the sacrament of Penance or Reconciliation, which restores to souls full intimacy with God. Open your hearts to Him who sees the hidden and who is your Father and Savior. Let My Son reign in the intimacy of your heart. Do not bargain with trust and generosity. He will be with you. The mission that awaits you is noble, and the reward will be great if you are faithful, which is based on reflection and prayer, but also on sacramental life. Open your hearts to Him who sees the hidden and who is your Father and Savior. Let My Son reign in the intimacy of your heart. Do not compromise on trust and generosity. He will be with you. The mission that awaits you is noble, and the reward will be great if you are faithful, which is based on reflection and prayer, but also on sacramental life. Know that the breadwinner's support is faith. Do not forget that the Christian life is a pilgrimage and that faith is your viaticum, your provisions. Seek in Christ courage and enthusiasm to bear witness to the hope that dwells in your hearts. Live the union with Christ, with ardent faith in prayer, so that you may always find in Him the strength to persevere and become like Him. Persevere in your prayer to the Lord and never let your hope be erased. With faith in the one God who is the Creator of heaven and earth, of all that is visible and invisible, you followers of My Son are inspired to work to promote peace and harmony among all the peoples of the earth. Consolidate the faith of your Baptism, hear the word of God, not only as a teaching, but as the personal word of the Lord who loves you and addresses each one of you. In reflection and prayer, assimilate His message of truth and salvation. In the exchange between you and the elders, see which way to go. My Son's Word is indeed the sap that passes from the trunk to the branch that you are all. You have come from God, and walk to Him. You are all in the hands of the Lord. And I say again to you, you are loved one by one by the Father in the Son through the Holy Spirit. Despite your unfaithfulness, the Lord does not abandon you. Glorify His name because He cares for you and wants to save you. Enlightened by the faith and Gospel of My Son, be faithful to the action of the Holy Spirit to respond to the differences that await you. My Son taught you how to proceed to participate in His life. He has given Himself for you to deliver you from sin and death, and with His Resurrection He has opened the doors that lead you to Paradise. Therefore stand firm in the faith. Live it with simplicity and sincerity.

Faith does not keep you from the world, from your friends, and from the things you like to do. As you embrace faith and let yourself be loved by Christ, you do not flee from yourself or others, but you will find the true meaning of life in faith. Do not be afraid of the truth. It is the great force capable of leading to salvation. Faithfully Follow Christ and His Church. The world is thirsty for God and spiritual values. To carry out this action, each of you must be enlightened by the Word of God through a constant and meditative liturgy. Know how to listen to the teachings of your bishops and priests, true teachers, by virtue of the mission received. Be vigilant, generous and keen to discern the roles and responsibilities entrusted to you. You are all called to contribute to the plan of salvation. Be men of faith. For this, we must certainly live in accordance with faith, baptism and the commitments made in it. Raise your flag in favor of the Pope and the bishops in communion with him. Selfishness and luxury, irresponsibility in the face of the problems and suffering of those most in need, continue to tempt you, and the Christian himself often falls asleep in this lifestyle. If you want to imitate the Lord, who is holy, seek to love your neighbor, because God loves you and is good to you. We must love His commandments and have hope in His promises. If you do not cherish the law of God, you will hardly keep it. If you wish to come to a very concrete grace, your heart must remain calm. From there one walks towards true happiness. Tell everyone that God is true, that God exists. As messengers of happiness, tell all your brothers that He is a Father and wants to save all. Therefore He gave you His Son, your Savior. Bear witness to the truth which My Son has communicated to you. Do not waste time. Hear today, now, what God has to say to you.

Pray for the Holy Father so that he may continue to carry his message of faith and hope to all who need God's love. Pray for him above all because he is betrayed, abandoned, and neglected by his closest collaborators. I have come from Heaven with a heart full of joy to comfort you and give you courage. Go with me in obedience, prayer, availability and trust. My Son has revealed to you the mystery of the divine life. He has spoken to you of the Father who loves you and wants to see you happy and holy. He Himself presented Himself to you as the Son, the Father's envoy. He announced the coming of the Holy Spirit, who would come to continue His work among you. His last words to His apostles before the ascension could not be clearer in the explicitness of the divine persons: "Baptize in the Name of the Father, the Son, and the Holy Spirit." Therefore, your acts must be performed by invoking the Holy Trinity. You are happy because the Father loves you and loved you so much that He sent you His Son to save you. Know that you are reconciled to the Father through the work of Christ. Even when you find yourselves in the midst of difficulties, do not be discouraged, for the hope shines in you that you will come to God. And this wonderful hope is nourished by the presence of the Holy Spirit in you, the divine gift promised by the Risen Jesus. Pray to God the Father, imploring for you the Holy Spirit, the Spirit of truth who transmits to you the love of the Father and leads you, helping you to be faithful to God's call. Be docile. The docility to the Holy Spirit that accompanies you and transmits you in the teaching of My Son Jesus leads you to constantly value your life in the fruits of holiness, the divine gift promised by the Risen Jesus. Pray to God the Father, imploring for you the Holy Spirit, the Spirit of truth who transmits to you the love of the Father and leads you, helping you to be faithful to God's call.

Do not be afraid to talk about My messages. Do not bury the truths I am communicating to you, but proclaim them to all who need the mercy of God. Let yourselves be led by the Lord. Convert yourselves if you want to be happy. Pray. Testify of your faith through prayer and conversion. I have come not to oblige you, but to, with Mother's love, lead you to Paradise. I ask you again for weekly confession. Confess yourselves weekly and do not hide any of your sins. If you make a good confession, and if the priest, in the name of My Son, forgives you, your soul will be saved. Do not accumulate sins that you may confess. Do it whenever you have need of God's forgiveness and mercy. There is the danger of eternal damnation for those who do not worry about confession. Pray, for only through prayer will you be able to understand the meaning of the messages I convey to you. Do not start any of your work without prayer. My Son knows you by name, and knows what you have in your heart. Let yourselves be guided by Him who has the words of eternal life. My Son expects you to do something important for Him. Do not leave buried the talents He has offered you. Be in Christ the distributors of His graces and blessings. Thus you will be showing the presence and goodness of My Son to all your brethren.

You must all become aware that love must be sown. Be assured that all of you are in My Heart. And you, more than ever, have courage, faith, hope and confidence. Keep My words in your hearts and become life. Through these messages I wish to lead you to My Son, for He is the Way, the Truth and the Life. Be assured that I am always with you to become like My Son in everything. When you feel tired and without courage, come to Me and I will give you the joy that only Heaven can offer. Be assured that I am always with you to become like My Son in everything. When you feel tired and without courage, come to Me and I will give you the joy that only Heaven can offer. When you discover the true meaning of My presence, you will always have with you the blessings of God the Father and Creator. The path you must follow is that of conversion and penance, humility and love. Be true brothers to your bishops and priests. Seek with understanding and compassion to share your responsibilities and reinvigorate them in your identity as ministers of the word and the sacraments. Have deep and lasting hope that tomorrow will be richer from the presence of God. Reject violence, reject contempt, refuse falsehood or dishonesty. Take a risk if necessary, but stay true to the privileged love of the poor and the small. Respect the dignity of every man, even if he has disappointed you. Know how to forgive and reconcile, for you are the witnesses of Christ, who gave His life for the multitude, in the infinite love that is in the Heart of God's Life and which He allows you to share with Him. I repeat to you: God calls each of you to develop the talents He has offered you. Do not cross your arms. Onward. Know all of you that the answer to God's call is free. This is clearly seen in the Gospel: A young man leaves not to give up riches while My Son loves him .

You have received the life of your Creator through your parents, as well as the strength of your spirit and the skill of your love. The time has come when you must form your personality. Be persevering. Be honest. Be loyal, worthy of the trust of your brethren, your companions, the younger ones that follow you. You well know that if you want to receive everything without doing your best, you will not be happy. Your learning will not satisfy you except with your constant application. Respect your body. Do not risk unconsciously the disease and the accident. Do not be carried away by the fruitless satisfaction of alcohol and drugs, which reduce you to slavery. Within yourself, listen to your awareness that calls you to be pure. On marriage, I tell you again: the sacrament of marriage is a serious thing, it is a foundation for a solid building. A home cannot feed on the fire of pleasure that burns like a handful of dried herbs. Passing encounters only caricature love, hurt hearts, and offend God's plan.. If you ponder your trust in Christ, you can lead your life generously in the purity of the Gospel. It is true for family morality, it is true for honesty in the presence of the good, it is true in all fields of solidarity, in which each one is responsible, in turn, for what makes your brothers and sisters live. Your responsibility will not be mature if you do not destroy the individualism that causes you to flee from others. Dialogue is a source of wisdom. Sharing is a source of wealth. It is in the work environment, the student community, the leisure community, the neighborhood community that each one acquires his true dimension of man. Try to gather in groups. Open the Gospel together, seek what Christ and the Holy Catholic Church tell you in order to act with your companions, to react positively to the "letting go" of the individualism that blocks society. Onwards, always with courage and confidence. Prepare together, share love with all your soul. Bring a young face to all that you do, wherever you go. Remember that your primary goal should be the glory of God and the salvation of souls.

To make your testimony credible, your life must radiate joy and courage even in the face of adversity. But this will only be possible if your inner life is realized through intimate communion with Christ, nourished by personal prayer and the practice of charity. As you grow up following the pattern of My Son, you will become a sign of hope and a living proclamation of the resurrection. Do not lose hope. Do not be discouraged by the difficulties. It is in them that you will bear witness to your fundamental guidance and your relationship with My Son Jesus. In this way you will come to the country, to the house of God. Overcome yourselves. This is your spiritual path, the path that challenges and invites each one of you, especially you young people, because for you My Son is especially the Way, the Truth and the Life. My Son has overcome to teach you how to overcome yourselves, to find life with Him, to accomplish your life in Him, your way, to teach you how to discover in Him the fullness of truth. For you My Son is in a special way the Way, the Truth and the Life.

You are gathered here today to pray that the immeasurable gift of faith will be lived more consciously and more generously shared by each of you so that each Brazilian will feel personally committed to evangelization, praying, setting a good example and helping. I welcome you all this day in My Immaculate Heart. My Heart is the safe place to which I wish to lead you, in order to keep you from the adversities of My adversary. My Heart is the medicine for your pain and it is the place where you will be protected at the moment of the great storm. Be alert and watchful, for Satan desires to use all means against you to depart from the way of salvation. Pray. Listen to what your Heavenly Mother speaks to you now. I have come from heaven to lead you on the path of salvation. Listen to me. I came not to oblige you, but to say to you: read and believe the Gospel. Hear what your superior ecclesiastics speak to you. Do not condemn anyone, but pray for those who are far from God. Remember that only God is the Supreme Judge.

As children of God, created in His image and likeness, you cannot stand idly by, but you must courageously give opportunity for others to meet Him. I know your faults, but I also know that in your hearts there is a great reserve of goodness. You are not precious but you are invited to testify that you are of Christ and that by His example you must always do good. Your life is rich with graces and blessings. And as a Mother, I want to assure you that you are close to the Heart of God. My Son is the truth that illuminates, liberates and gives meaning to life. It is the complete answer to man's deep questions. The Truth that is Christ, the Truth that has Christ, must become light to others, to the world. I will pray that Almighty God will continue to give you the gifts of wisdom and understanding, so that in your noble mission you can offer inspiring direction and render ever more generous service, following the highest aspirations of your people and in favor of the authentic good of men, women and children throughout Brazil. Make every effort so that more and more children and young people living in marginal situations can know and meet Christ as Savior. Always recognize the great mission of your bishops and priests. Pray for them. Walk with them. Live a full communion that, uniting you more and more with Christ, the Way, the Truth and the Life, makes your life a living witness of your faith. You who are listening to Me, in the light of the Christian faith, encourage those who hunger and thirst for God to know the universe created by Him. Make your life a living testimony of your faith. Ignite in them the love of Truth that excludes superficiality in learning and judging. Revive the Christian sense that rejects the naive acceptance of much information. Guide them to order, method, prescription and sense of responsibility. Support them with the sacrifice and perseverance required for their day-to-day hard work.

Here in your nation, where My adversary has succeeded in seducing the great number of poor children into error, I wish with your help to perform great wonders in silence and concealment. My Heart breaks to pieces when it finds that many of the most disadvantaged are treated as worthless animals. I remind you that they, like you, have value in the sight of God and that they are precious treasures to Me. I suffer for those who suffer from misery and hunger. I suffer for those who are often victims of hatred and violence. I came to comfort you and help you. I came not to condemn you, but to show you the will of the Lord. See how the poor suffer. Many are the displaced and refugees, those who suffer from lack of love and hope, those who have succumbed to evil and close themselves to all spiritual light, those who have a heart full of bitterness, victims of the injustice and predominance of the strongest. Selfishness takes the place of moral courage and solidarity. The highest value is then measured in terms of having rather than being. Indeed, an atmosphere of great and small injustice and countless forms of violence is formed. What is accepted as true freedom is really just a form of slavery. The violence perpetrated in Brazil offers no solution to the real problems of your people. This is not the method chosen by God's people. It offers no truth that can attract and convince the spirits and hearts of the suffering people. Its only expression is the fear and destruction it produces. The world, in which much is marked by the eagerness of exploitation and the contempt of the weak, must change its behavior and welcome in a fraternal spirit to all who suffer, both body and soul.

Today much of humanity is driven by the power of those who oppose God, and so, day by day, large numbers of souls rush into hell. I therefore invite you to the great return to Him who is your Merciful Father and who awaits you with open arms. Do not be carried away by My adversary's insidiousness. Listen to what your Heavenly Mother, the Sun-clad Woman, tells you. I wish to embrace each of the Brazilians and lead them on safe paths. I love you all, even those who turn away from God and Me. I pray My Son for each one of you, for those who are victims of hatred and violence. I suffer because of those who despise the messages of peace and salvation that My Son has proposed to you. I have come from heaven not to save you, but to offer you the possibility of salvation. My Son's appeals for conversion are not accepted, and therefore there is a danger of eternal perdition for many souls. Let us also conclude to you that you will listen to Me and pray to your Guardian Angel, for it is also his great task to protect you from the insidiousness of My adversary. Do not be discouraged because you have, above all, the protection of God your Father. Satan has managed to spread his errors everywhere. Even within the Church, he managed to deceive many into embracing erroneous teachings, such as those of liberation theology, and to deny that which preaches the successor of Peter and vicar of My Son, Pope John Paul II. If humanity does not turn to God on the path of conversion, a great punishment will soon come upon you. The time has come when you should welcome all that I have been imparting to you. If you accept My appeals, you are beginning the great triumph of My Immaculate Heart. Hear me. I want to be by your side, following your steps and interceding so that you can do everything My Son tells you.

You are heading for an unknown future, but certainly full of potentiality and optimism for the Kingdom of God. Remember that you all carry the weight of your responsibilities before the sufferings of your brothers. Humbly acknowledge your sins, the first source of all the evils that afflict the world. Be builders of peace and return to the God of salvation. Peace among you is an arduous task in which you must collaborate generously. Peace cannot be achieved by the path of intransigence or self-centeredness. On the contrary, it will be attained if the trust, understanding, and solidarity that come to you, you men of a God-created world, are formed so that all may share in His goods in an equitable manner. If you walk with Christ, if you take Him as a traveling companion to show you the way, you will go on to Paradise, for which you were uniquely created. The voice of the Lord is His presence in you through Baptism. Each of you must discern the appeal addressed to you. However, for the priest it is the Church that has the task of authentically confirming the appeal and entrusting a mission. I will pray the Lord to help you find your way in His following. If you live according to the desire of My Heart, your faith will be strengthened and revitalized, and your feelings of adherence to the principles will be exalted, ideals and teachings of the One, Holy, Catholic and Apostolic Church. Have confidence in the merciful love of the Lord. Never doubt God's forgiveness.

Sincerely repent and open your heart inwardly to the Lord, to rediscover that you have great value in His eyes. To respond to God's calls, you must come to Christ, the source of living water that strengthens and purifies you. My presence brings you more hope, love and faith. I invite you to discover in yourselves the riches of the gift of God. Hear from my messages Christ your Savior. He is the Good Shepherd who knows His sheep and gave His life to save them from evil and lies, to keep them from the wrong ways and to keep them from falling into the abyss. Live in the certainty of the definitive encounter with the One you lived for, in which you believed and waited.

With Christ you obtain the remission of sins, and thus the world finds reconciliation with God in Christ. Stop and imagine how great is the love of Jesus for you. The Sacrifice of the Cross, performed by love, undoubtedly had a redemptive power: love is stronger than sin. In the love of My Son, the world, and especially man, was reconciled to God. The love that Jesus offered you on the Cross has this victorious power: it unites with the Father everything that has separated from it because of sin. What, because of sin, had opposed God, is in Christ again oriented to the Creator and Father. Accept the teachings that Jesus presents to you through His Gospel. Accept the truths that the Church of Christ presents to you. The Catholic Church is reconciling in that it shows the ways and offers the means. The ways are exactly the conversion of the heart and victory over sin, be it selfishness or injustice, arrogance or exploitation of others, attachment to material goods or the unbridled pursuit of violence. The means of salvation are those of faithful and loving listening to the word of God, of personal or communal prayer, and above all of the sacraments, true signs and instruments of reconciliation. You call it the sacrament of reconciliation or penance. God sustains the perseverance and courage of all who truly work with brotherly love to spread My messages.

Know that whatever you do in My behalf, you will double the reward.. Redouble your efforts to make the communion of the Church ever more intimate among you and the solidarity among all Brazilians stronger. You are attentive witnesses of the love of the Holy Trinity, which was infused into your soul on the day of your baptism. With the certainty of this Trinitarian breath of loving and harmonious availability of intent, bravely face the great challenges facing the world. Prepare to be the dispensers of God's gifts, with a heart open to all. Also offer to all God's people the means of deepening their spiritual life, so that as they discover ever more the joy of the beauty of God's love in the spirit of the Beatitudes, they renew the dynamism of their commitment as children of God. Help the youth to take the steps to meet Christ and to deepen and deepen the riches of faith and live them. Encourage everyone to carry out God's calls. To practice in this sense means to live the commandment of love, source of serenity and peace. We must overcome evil with good, put the gifts received at the service of one another, and continually put on feelings of mercy, kindness, humility, meekness, and patience. If you want to find satisfaction for the thirst for happiness that burns your heart, it is for Christ, the Way, the Truth and the Life, that you must guide your steps. We must overcome evil with good, put the gifts received at the service of one another, and continually put on feelings of mercy, kindness, humility, meekness, and patience. My presence throughout the world and among you is a sign of My troubling Mother's tenderness. For centuries I have come into the world through countless appearances to ask you to be converted and consecrated to My Immaculate Heart. I also make myself present in My statues, with tears, including blood, to call you to the great return to the God of Salvation. I come as a humble servant of the Lord, with full obedience to His Gospel and His Church, the Pope, and the bishops and priests in communion with him . I did not come to oblige you, but what I say must be taken seriously. Humbly listen to what I speak to you, for it is with love that I am among you. In heaven I ask my Son for you and your suffering brothers. Your journey to paradise begins the moment you become obedient. Only God, pouring His love into your hearts, calling you to faith and giving you the gift of hope, makes you grow in communion with Him and among you. Know that human history is not an absurd maze and your existence is definitely not going to death and nothingness. My Son, with His divine and infallible words, shows you that God created you out of love and expects from you, during your earthly existence, a response of love, and then becomes partakers of His eternal love beyond time. . Surely heaven awaits you. Of course, each one should strive to stay on the road to holiness, realizing your own talent and yielding, above all, the seed that He has left you. But you must do all this by always remembering that after death you will have a house made by God in heaven, an eternal dwelling place.

I am the Mother of all, especially those who suffer because of racial discrimination. Do not look indifferently upon your black brothers, for they are, like you, the children of God . Faith in one God, Creator and Redeemer of all mankind made in His image and likeness, constitutes the absolute and adamant denial of all racist ideology. You cannot invoke God as the father of all if you refuse fraternal treatment to your black brothers, who are also created in God's Image and likeness. God's work of salvation in Christ is universal. Its recipient is not only the elect people, but the whole race of Adam. Feeding racist thoughts and actions is a serious sin which goes against the specific message of My Son, for whom the neighbor is not only the man who lives near you, your environment, your religion, or your nation: your neighbor is everyone you meet day by day. day on your way. Everyone knows that all racist theory is against the principles of the Catholic faith, against Christian love and can alienate man from its Creator. Racism is an open wound in the heart of humanity, and healing requires a great deal of firmness, patience and, above all, acceptance of the divine message and love.. The sad phenomenon of slavery, once very universal, is unfortunately not completely overcome, so the heart of man is increasingly closed to the God of Salvation and Peace. When justice is lacking in this sense, violence and war easily explode. Convert, Convert, Convert. There should be no discrimination and prejudice, for God loves everyone. Salvation is offered to the universality of mankind, to all creatures and to all nations. Seeing your indifference to the weak and helpless, Heaven weeps bitterly and prays for you. Change your way of thinking and acting. Deepen yourselves in the Holy Scriptures. God has something important to say to you through the Gospel. Remember that My Son has destroyed the wall of hate that separates the opposing worlds, to recapitulate all human beings in Him. I invite you to imitate God's love for godliness toward your neighbor, especially to the weak and suffering. You are called to be witnesses of My Son: respond to him by growing aware of what he is to you and what you are to him. Be witnesses of life and hope.

When I ask your consecration to Me, you must understand that I desire your existence. When you consecrate yourselves to Me, I feel this sincere and total surrender. Then I begin to be part of your life and take care of you as beloved children. Your consecration is the greatest gift you can offer Me. My Heart rejoices in joy when you ponder all your trust in Me. Since Fatima, when I appeared to three shepherds, I have come into the world to ask for consecration to My Immaculate Heart. If what I had asked for had been put into practice, peace would have come into the world. However, I was not heard. I wish your consecration to be sincere and conscious. Never forget to pray for those who suffer in body and soul, those who are afflicted with disease or disability, those who carry the weight of loneliness and poverty. To all of them I wish to say: My Son is very close to you. Brother of all men, He is in the first place the Brother of the most disadvantaged among you. Whenever you make your consecration to Me, say these words to Me: Mary, Queen of Peace and Comforter of the afflicted here we are at your feet, with a heart full of joy as You, to consecrate us to your

Immaculate Heart, always be our constant companion and protect us from the dangers that surround us. Bless our families and protect our Brazil, which also belongs to You. Give us your peace, for you are our Queen of Peace. Help us to live and Gospel of your Son and to be meek and humble of heart. With this sincere act of consecration, we intend, as you, to do the will of the Father. We see the danger the world is in, and with your help and your grace we want to save it. We promise you more fervent prayer, participation in Holy Mass and, above all, we promise you to be faithful to the Church of your Son and to Peter's successor, Pope John Paul II. We promise you also live our consecration and bring as many souls as possible to your dear Son, our Lord Jesus Christ. We ask your blessing and your protection for our dear Brazil. Amen.

Be ready to say your yes, as I do, to the will of the Lord. With My yes, the hearts of those who live in solitude can rediscover true joy. Here is the handmaid of the Lord, your Heavenly Mother's perfect and conscious response to God's messenger. At that moment the Divine Word was deposited in My virgin breast. Behold, Immanuel, the God with us so longed for and announced by the Prophets, had come to the joy of many and the despair of the majority.. With My yes I brought him into the world to live among you. As a child I would take him in My arms and, as I caressed his face, I would say to him: "My God, my God Boy." Thus I saw the God of Salvation and Peace grow in My arms. Great was His love for the children who played with Him in front of the workshop of My most chaste husband Joseph. As a little child, around the poor house where we lived, little Jesus, sitting on a rock, he blessed all who passed by. In a gesture of infinite love and kindness, it brought tears to travelers from far away. Everyone admired Him for the extreme kindness and love. I remember that one day, as usual, we received a group of children, among them a very curious one who asked many questions. The child was called Dimas, and among the various questions, one drew attention: "When you grow up, do you want to be King or Prophet?" To which little Jesus answered, "I am the King of kings. I am the Prophet of the prophets. And I say more: when I am on the Cross, you will be by my side. " And he added, "In my house there is a place for you." Little Dimas continued his interrogation, but did not understand what Jesus meant to him. Only later, at the Cross, beside my Son, did he remember the words of little Jesus.

As a Mother, I accompanied him step by step and saw how great was his love for all, and which was later completed in his total surrender for the salvation of humanity. And the little God grew and by His side was I, who always accompanied Him and heard Him speak to the great crowds who, weeping, wept with joy. His soft voice was heard for miles, so there was no difficulty in dialogue with the people, who in great number surrounded Him to hear Him. He often levitated over the multitudes, to make Himself visible to all who would see Him. His words comforted the most anguished hearts. His gestures conveyed serenity and peace. He was always worried, available to everyone. No doubt even His greatest enemies admired Him, and many of them sought Him to ask His forgiveness. The offenses addressed to Him always had the answer: Father forgive them, they do not know what they do. His pitying gaze and infinite mercy expressed the purest love. His hands outstretched over the crowds made a rain of grace fall from heaven. Always, in those moments, the blind saw, the deaf listened, the dumb spoke, the lame walked. And the blessed multitude felt closely the great love of God the Father Creator. His love for the world was completed on the Cross as He looked to heaven and said, "Father, into your hands I commit My Spirit." So everything was done. Even after the Resurrection and before His Ascension into Heaven, My Son performed great wonders, and all that He did, did for love and for your sake.

Today, as the Mediatrix of all graces, I bring down from heaven an extraordinary shower of graces on each one of you present here, and also on those who are here at this moment in heart . If you imagined the great love I have for you, you would weep with joy . I hope that this great message will invigorate your faith and give spiritual light to each one of you so that you may become increasingly aware of your responsibility in these decisive moments of your existence. I pray God the Father to fill you with His blessings and His graces, that you may be faithful to Him. Know that My Son loves you and awaits your great testimony. May He keep you forever. This is the little message I convey to you today in the Name of the Holy Trinity. Thank you for allowing Me to meet with you here once again. I bless you in the Name of the Father, the Son and the Holy Spirit. Amen. Peace be with you.

Many say they are living My Messages, but in truth they are still far from being converted. I worry about you. Be careful. Today, more than ever, you are prone to fall into a great abyss. Pray. Pray. Live especially the example of the holy protector of the poor, your sister and servant of God, Sister Dulce. Today she is in Heaven at the side of My Son, and there she prays for your conversion and for the salvation of the world. Her example of life was a consolation for the heart of My Son. Her willingness in the service of the Lord was a remedy for the pains of many Brazilians, especially for the pains of many Bahians. May all of you have the courage to give your witness of faith. Thus My Son will be happy. Help all who need you. It is in this world and not in the next world that you must do good. Therefore, help. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

501 - 28/03/1992 - Dear children, I love you. This is the great reason for My presence in your midst. Tonight I humbly ask you to continue helping Me by your prayers and sacrifices. Know that the evil that still possesses you is sin. Humanity is sick, dear children. Humanity is contaminated by this most dangerous illness which is sin. I ask you to be attentive, dear children. Be very careful. Satan is strong and wants to take you into his kingdom of darkness. Pray, pray, pray. I have come from Paradise, a place of happiness and peace, to call you to conversion. Obey Me. You who are here need not grieve. Do not lose hope. I, with My Son, am at your side. Courage. God is with you. He will not leave you all alone. Accept His love. Hear His words. Live His Gospel. If you do so, My Son will take you to Heaven. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

502 - 31/03/1992 - Dear children, be careful. Pray always. Pray well with Me. Pray before the Cross for the salvation of the world. Pray also and above all to be free from Satanic attacks. I repeat: be attentive. The great weapon used by the father of lies to take you off from the path of salvation is to make you think he does not exist. Do not allow the enemy to deceive you. Listen to Me. Jesus wants to save you, so live like children. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

503 - 4/04/1992 - Dear children, I am the Queen of Peace. I have come from Heaven to fill you with joy, peace, love, and above all, with courage and faithfulness. May God bless and reward you. Return to the God of Salvation and Mercy. He is waiting for you with Open Arms. Do not be discouraged because of trials. You need them for your purification. Rejoice. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

504 - 7/04/1992 - Dear children, I am the Virgin of Graces. I am the Virgin of Heaven. Tonight I place in your hands the responsibility to live and witness to My presence in your lives. Like you, others need My help, and so, as a loving Mother, I have come from Heaven to help you. Know, all of you, that in spite of your indifference and egoism, My Son does not forget you. He expects great things from you. In this moment I grant My blessing and My protection to all priests in the whole world, especially those who have been here and to this one who now prays with us. I am the Mother of all of you, and so I am preoccupied with your destiny. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

505 - 11/04/1992 - Dear children, when I ask you to pray, pray, pray, you should understand that the world can only be saved by prayer. People cling to Satanic ideologies, and humanity continues heading toward a great abyss. The moment has come when you should live the commandments of the law of God with courage and fidelity. If you are not disposed to change your lives, you will not be saved. God is pure Mercy, but do not forget that He is also just. I am the Mother of Divine Justice. If you are not converted, the Wrath of God will come upon you. Be careful. Repent now. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Pray for yourselves and your conversion, for if you do not live as My Son Jesus desires, you will not enter into Heaven. Pray also for your nation, for it too is in grave danger. What I foretold you is near and will happen. Pray. Do not be estranged from God, but return with joy. I am at your side, even though you do not see Me. 528 - 29/06/1992 - Paris. Dear children, hear with love the words of the successor of Peter and Vicar of My Son, Pope John Paul II. Remember today the words My Son Jesus directed to the first Pope and be, you too, courageous and firm in the faith. Defend with love and courage what the High Pontiff, Pope John Paul II proclaims. In these your times, which have become worse than the time of the Flood, you risk of being lost eternally if you do not obey the Pope. Therefore, do not cross your arms, but hear him with humility and confidence. Pray to God that the projects I have begun will be realized. And pray for the Pope, for he will have to suffer much because of the unfaithfulness of his closest collaborators. As for you, do not be discouraged, but pray with fervor and consecrate yourselves to My Immaculate Heart. Your prayer and consecration can save the world, which is almost lost. Know that humanity still survives thanks to those who still pray. Therefore, you, too, pray that the Wrath of God does not fall upon humanity. When the punishment from Heaven comes, only those who pray will be saved, and those who do not pray will have to repent of a life passed without God, but it will be too late. I am your Mother, and am sad for all that is waiting for you. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

551 - 15/09/1992 - Dear children, tonight I invite you to pray with all your heart so you may feel My presence in your midst. If you stand there with your arms crossed, you will not be able to feel the blessing of God on your country. God the Father wants to bless you and wants to give you the blessing of peace for your nation. Love The Most Holy Trinity increasingly, because Heaven will grant you joy. Criticisms and complaints are no way to resolve the situation of your country. Pray now as never before and you will see blessings and graces falling on you Brazilians. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. Do not stand idly by. Onward to meet Him Who is your joy and salvation. Pray and live faithfully the Gospel of My Son. If you do so, My Jesus will generously reward you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 557 - 6/10/1992 - Dear children, to each and every one of you here I want to say: do not be discouraged. Onward with confidence, for I am your Mother, and want to be daily at your side. I want to be part of your life and help you to do all that Jesus desires of you. Why worry too much about things? Do you not know that I am your Mother? Therefore, do not be preoccupied, for all is possible with God, even those things that are difficult for you. I will speak to My Son to help you overcome them with joy. Pray. Above all, pray the Holy Rosary, for with the prayer of the Rosary you will be capable of growing in the spiritual life. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

558 - 10/10/1992 - Dear children, today I invite you to live more intensely all My Messages. Through them I want you to grow daily in the spiritual life. Also, I invite you to live the Gospel of My Son with love and courage. I did not come from Heaven as a joke. What I say is serious and if you do not convert it will be too late for you. Therefore, hear Me now, for when the chastisement from Heavens comes, you will not be able to endure it. Pray, pray, pray. I am your Mother and I desire your eternal happiness. Be converted now. I ask all of you to pray with fervor that God the Father will pour out His Grace and Mercy on all Brazilians, and in a special way on those estranged from His Grace. I wish that the presence of Jesus in your life will be not for just one moment, but eternal. Today I renew the invitation I made in Fatima and I ask you to pray the Holy Rosary every day, for this is the only way the world will attain peace. Pray, pray. Especially pray in a heartfelt way so you can feel the presence of God in your life. And I repeat: pray also for your Brazil. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

560 - 17/10/1992 - Dear children, be calm and confident, for I am your Mother and have I have come from Heaven to help you. Do not worry about the obstacles you will meet with on your way. You are not alone. God is with you. Pray. Satan wants to destroy the projects I have started here. Help Me. I, too, will help you. Do not lose hope. Onward with joy. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

561 - 20/10/1992 - Dear children, do not be deceived by the devil. Pray. God loves you and wants to save you. Open your hearts to Him Who is the Way, the Truth, and the Life. Pray, pray a lot, especially now, for your times are dangerous and you risk of being lost if you are not truly converted to God. I do not come to oblige you, but My desire is to lead you to the truth. Accept Me. I want you just as you are. And I want each one of you to be like My Son Jesus. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 562 - 24/10/1992 - Dear children, I love you and I am at your side even when you withdraw from My Son Jesus. Today I call you to faithfully live the Gospel of My Son. My Son, and He alone, Who is the Way, the Truth, and the Life, will free you. My Son desires your salvation, and so sent Me to you. I know you are free, but as your Mother, I ask you to be obedient to My Son. For love of you He gave Himself up to death on the Cross. The moment has now come when you must return this love. You too, give yourself to God so you can be saved. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

563 - 27/10/1992 - Dear children, onward with joy and courage. Do not be discouraged. Rejoice, for in My Heart there is a special place for each one of you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

564 - 31/10/1992 - Dear children, pray that the devil does not deceive you. The devil has destroyed the faith of many and brought many of My poor and innocent children to perdition. The devil has even penetrated the interior of the Church of My Son Jesus, dragging a great number of priests to the abyss of sin. Do not be afraid. Speak the truth, always the truth, for this is the only way you can be saved. I am your Mother and repeat the same song; return, return, return. If you do not return, the Wrath of God will fall upon you. I am your Mother and suffer because of your sins. Be converted. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

565 - 3/11/1992 - Dear children, I am the Mother of Divine Mercy. They will not suffer eternal death, nor pass through purgatory, those who live faithfully and spread the Messages I send here. I say to you once again that you live in serious times, so be careful. Do not allow yourselves to be deceived by the things of this world, but be faithful to My Son and His Church. Do not waste your time with useless things, but dedicate at least two hours a day to prayer. I am your Mother and know what is waiting for you. This is the Message which I am sending to you today in the Name of the

Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I love you and want all of you at My side. Follow Me on the path of prayer and penance. I do not want to oblige you, but I desire to gently lead you day by day to meet Him Who is the Way, the Truth, and the Life. Do not be sad. I am here to help you. Listen to Me. Tonight I ask you to respond to My Supreme Appeals, for this is the only way that you will be capable of faithfully living the Gospel of My Jesus. I do not want to oblige you. I just want to lead you to the truth. Open your hearts and obey your ecclesiastical superiors, and do not be unfaithful to the Church of My Son, for it is the sacrament of salvation, and if you were to be unfaithful to the Catholic Church, you could be eternally lost. Be careful. Obey the Pope, bishops and priests in the Eucharist with him. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Continue to help Me. A place in Heaven is reserved for you, so do not be afraid. Just obey Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

569 - 17/11/1992 - Dear children, do not think about the past, but rejoice because you have a special place in My Immaculate Heart. Do not be sad. God will save you. Open your hearts to His fatherly love. Tonight My Heart exalts with joy to meet with you here. Thank you for coming. I ask you to continue on the path I have shown to you, for it is the only way you will be able to grow in the spiritual life. I am your Good Mother and I am here to help you. Do not worry. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

570 - 21/11/1992 - Dear children, I love you and have I have come from Heaven to help you. If you want to make Me happy, be obedient to My Jesus and His Church. Your obedience is a consolation for My Heart. Do not ignore the Appeals of your ecclesiastical superiors, rather hear them to be saved. Continue to pray, too. Your prayer attracts the Mercy of My Jesus. Therefore, pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

571 - 24/11/1992 - Dear children, I ask you to send all the Messages that I have already given you. Begin your apostolate with them. If you do so, I will bless you with joy. Begin by telling everyone that God is Truth, that God exists and if men and women are not converted, My Son will not delay in punishing them. Therefore, pray for sinners, and pray for you who walk with Me, in order to be always more faithful. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

572 - 28/11/1992 - Dear children, I am the Mother of Jesus and your Mother. I have come from Heaven to help you and lead you on the path of love and peace. Continue to pray the Rosary, for this the only way that the world will again have peace. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

573 - 1/12/1992 - Fortaleza/Ceara. Dear children, I am the Mother and Queen of Brazil. I have come today from Heaven to offer you My Heart and My love. I ask you to not depart from Me, for I want to help you. Do not be discouraged by difficulties, but have courage and have confidence. I also ask for your consecration to Me, so I can be each and every day closer to you. I want to pour out graces and blessings on your land so beloved by God, but also, so attacked by My adversary. Start today to pray the Rosary to free you from the attacks of the devil. You cannot defend yourselves without prayer and will not be capable of growing spiritually. Know, all of you, that a great chastisement will fall on the world without delay, and so I am saddened about what is waiting for you. I am your Mother who loves you and I want to say, be converted, be converted, be converted. Return to God. Repent. Ask for forgiveness. Heaven wants to save you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

574 - 5/12/1992 - Dear children, do not let yourselves be deceived by the fascinating things of this world, but return to God Who loves you and is waiting for you with Open Arms. Always be attentive to the Appeal of Jesus. Live the Gospel faithfully, for this is the only way that you will be saved. Today I offer you My Immaculate Conception to be your refuge and protection. My Heart is all yours to be your refuge and protection and you can make your habitual dwelling here. I want all of you united to Me and that each one of you be united with Me in Heaven. I am your Mother and you well know that a Mother is more preoccupied with her child who is sick, and so you can know why I am preoccupied with you. I want to be your help

and your protection. I want to help you because you are sick because of sin. Tonight I will bring down blessings from Heaven upon all of you meeting here, and especially for all who help spread My Messages. Thank you for helping Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

576 - 12/12/1992 - Dear children, today I invite you to witness My presence here by your life. Thus I can daily realize My prodigies in the world. Open your hearts to Me, for only I am your Mother, and have I have come from Heaven to offer you My Heart. Accept Me, for this is the only way you will be saved. Remember the Messages I have already given you in the past, and live them. Continue, therefore, on the path I have laid out for you. My Jesus is waiting for you with Open Arms. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 577 - 15/12/1992 - Dear children, blessed will you be if you are obedient to the Church of My Jesus and to the successor of Peter, Pope John Paul II. I ask you once again to pray for the Pope, because now, more than ever, he will suffer much. The Church will pass through great trials, but do not be afraid. My Jesus will always be present. Pray, pray, pray. What I have foretold you in the past is about to happen. Stand firm. I am at your side. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

578 - 19/12/1992 - Dear children, I am the Mother of Jesus and your Mother. I love you in a special way, and so have I have come from Heaven to offer you My Heart. You may make your home there. Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 1993

582 - 2/01/1993 - Dear children, I am your Mother and Queen of Brazil. Tonight I ask that you pray for the conversion of all sinners and that you live all My Messages, for that is the only way I can obtain the Victory of My Immaculate Heart. Also, I ask you to pray for the Pope because the hour of his martyrdom is coming closer. The Church will lose a great treasure, but those who were faithful to My Jesus will remain firm. Pray. Pray for the Pope, the successor to the chair of Peter. He will have to suffer much. Pray and do penance. If men and women are not converted, fire will I have come from Heaven and it will be too late. The danger of a new world war is drawing closer and closer. I am saddened because of what is waiting for you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

583 - 5/01/1993 - Dear children, I am your Mother and I want to tell you that you are very close to Me. Courage. Have Faith and Hope. Do not be sad. God is with you. I ask you to continue being faithful to My Jesus and His Church. Do not retreat. Walk with Me. I will take you to Jesus. Rejoice, for the great Triumph of My Immaculate Heart is coming closer. Pray. Do not stop praying. Prayer strengthens you and brings you closer to the Grace of God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

584 - 9/01/1993 - Dear children, I thank you for your prayers and I ask you to remain faithful to My Jesus. Do not be afraid, but have confidence, all of you who are living My Messages, because your names are already in My Heart. Have courage. Onward. Your times are dangerous, but have confidence in Divine Mercy. Pray, for prayer takes you away from Satan and his temptations. Fast and do penance. Continue praying the Holy Rosary. The world can be saved by the power of the Rosary. I repeat: pray, pray, pray. I am your Mother and I want to take you to Heaven. Have confidence in Me and faithfully make your consecration to My Immaculate Heart. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

585 - 12/01/1993 - Dear children, I am the Queen of Peace. I am the Mother of Jesus and your Mother. Today, too, I want to offer you My love so you can be increasingly in My Heart. Do not be discouraged, just trust in My extraordinary protection. I love you and without Me you cannot do anything. Pray and live My Messages. I need you courageous witness. Do not be silent. Help Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

586 - 15/01/1993 - Dear children, be converted and return to God. Be careful that you do not turn away from the truth that is found only in the Holy Catholic, Apostolic, Roman Church. My Jesus founded your Church as a Sacrament of salvation, but to deceive My poor children, Satan made various false religions appear, deceiving even many of the chosen ones. Do not believe those people who doubt Pope John Paul II. To deny what the Pope, bishops, and priests in union with him proclaim, is to deny the very Gospel. Be careful. Whoever is estranged from the Magisterium of the Church is in the world not to do the Will of God, but to do the will of the father of lies. I repeat: obey only those who obey the Pope. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

587 - 16/01/1993 - Dear children, change your lives, for this is the only way you can find Jesus. I have come from Heaven to help you on the long path to conversion and to give you joy. Your Brazil today has turned into a nation unfaithful to God, and if there is no conversion, a great punishment will befall your nation. And so the moment has come in which you should seek Jesus through the Gospel, and faithfully live its teachings. Do not be unfaithful. Return, return, return. Depart from immorality. Renounce television to be great in the eyes of God. Immorality increases daily through television, and the Wrath of God will strike without delay. I repeat to you: be converted. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

588 - 19/01/1993 - Dear children, be converted and turn to God. I am your sorrowful Mother. I am saddened because of your sins and I ask you to depart from all evil. You cannot grow with sin, so be converted, pray, and do penance. Do not stand idly by, but return to God Who is calling you and is waiting for you with Open Arms. If you are not converted, a great punishment will befall Brazil. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

589 - 21/01/1993 - Dear children, tonight I invite you to enter into the Ark of the Covenant that I have prepared for you in My Immaculate Heart to save you. You live in a time worse than the time of the Flood and risk of being eternally lost if you do not faithfully live the Word of My Jesus. Therefore, be careful. If humanity does not repent, men and women will have to repent, but it will be too late. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

590 - 23/01/1993 - Dear children, I am your sorrowful Mother. I am saddened because of your sins and I ask you to depart from all evil. When you are in sin, you cannot grow, so be converted, pray, and do penance. Do not stand idly by, but return to God Who is calling you and is waiting for you with Open Arms. If you are not converted, a great punishment will befall Brazil. Pray, pray, pray. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. I invite you therefore to look to the poorest of the poor. You who have plenty should give. Know, all of you, that the value of a man is not measured by what he has, but by what he is. In this feel, try to understand My Message and change your life to be saved. I love you and so I have come from Heaven to speak to you. Listen to Me. Pray and live My Messages. May God bless all of you and always give you serenity and peace. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. I want everyone to be happy, and that each one will be with Me in Heaven. I did not come to oblige you, but listen to Me, for I am your Mother and want you in My Heart. Return to praying before any and all work. If you do so, the Lord will bless you and bless your work. It is not by chance that the Lord permits Me to be here. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

728 - 7/12/1993 - Dear children, I am in a hurry. Behold, the time of tribulation has come. Prepare yourselves, for the time has also come for your suffering. Begin to pray the Holy Rosary with more fervor, for only by praying the Rosary will you be capable of supporting all that must come. Do not be discouraged, for I am at your side. I have warned you for years, but few believe in My words. You can still change the situation. Return on this very day. Do not take something serious as a joke. Know that no one can mock the Lord. He is Merciful, but also He is just. Many will have to repent of a life without God, but it will be too late. So the hour of your sincere Yes to God has come. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

729 - 8/12/1993 - Dear children, I am your Immaculate Mother, for I never knew sin. Today I invite you to depart from every type of evil, and return to the Lord Who knows you by name. The great evil of humanity is sin. Be careful, because Satan wants to deceive you. Be attentive. Prepare yourselves with prayer. Do not turn away from prayer, for prayer is your support. You run the risk of turning away from Grace and offending God. Strive to love the Lord and follow His guidelines. You are the People of the Lord, and He loves you. God wants to save you. Do not allow worldly things to deceive you. Return to Him Who is your Way, Truth, and Life. I will give you the Grace to always belong to the Lord, but onward, do not retreat. Remain at My side, and I will place you in My Immaculate Heart. Say no to sin and say Yes to the Grace of the Lord. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

730 - 11/12/1993 - Dear children, bear witness to the Messages I have already given you and you will see how many graces the Lord will grant to you. Do not grieve. Have confidence. In spite of problems and questions without answers, you can be sure that the Lord loves you with an unlimited love. Humanity has turned away from God, and so men no longer love one another. And so I invite you to a heartfelt conversion, for only those who are converted from the heart are capable of loving God and neighbor. Spare no effort to be like My Jesus in everything. God wants your happiness already here on earth and later in Heaven. The Lord is not far from you. Rejoice. Behold, Heaven encourages you to go onward and be builders of peace. Pray, and I will give you the Grace to grow increasingly in the spiritual life. Reject violence. Depart from every kind of evil and return to God Who is waiting for you with Open Arms. Continue helping Me. Those who help Me will not be without their reward. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I am your Mother and I want all of you in My Immaculate Heart. Be careful with the ideologies of the world. Belong only to the Lord. Give yourselves to Him Who knows you by name. Continue praying. Do not forget that the Rosary is My favorite prayer. Pray it every day, especially for the conversion of sinners. Follow Me on the path of goodness. Love one another. The world cannot find salvation without love. Therefore, love, if you want to be saved. Be imitators of My Jesus. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

733 - 18/12/1993 - Dear children, come to Me, you who are persecuted, and I will give you the Grace of final Victory. Tonight I invite you to love. Love always. Love everyone. Do not allow feelings of hatred, of desire, of violence, in your heart. I love you and want to see you happy, but know

that true happiness comes from the Lord. Therefore, let the Lord speak to your heart. Do not stand idly by. Onward through prayer and by living the Word of God. I did not come from Heaven as a joke. What I say is serious. O humanity, return quickly, for this is the time of tribulation, and if you are not converted, you will not be able to bear the burden of pain. A great punishment is ready to fall upon humanity. I suffer for what is waiting for you. Repent. Repent. This is the opportunity My Lord offers to you. Be reconciled with God. Live in peace and in the joy I offer to you. Be careful. Be converted now. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

744 - 11/01/1994 - Dear children, tonight I invite you to pray the Holy Rosary with joy. Give everyone a good example. Be good with each other. Love everyone, even those who mistreat and persecute you. Ask the Lord to give you the Grace to love, because love is the defense against all evils. I am your Mother and I want to help you. Listen to Me. I cannot help you if you do not open your heart. Therefore, give yourselves to Me with joy. The world is very tense and is at the brink of great catastrophes. I love you as you are, and I ask you to live the Messages I have already given to you. I did not come to oblige you, but what I say is no joke. 746 - 18/01/1994 - Penedo. Dear children, I am the Mother and Queen of Brazil. I am also in a special way, Queen of your state. Today I have come from Heaven to ask you to return to the Lord as soon as possible. Your conversion should occur now. Do not stand idly by. Onward with Me. All of you, belong to the Lord. Be faithful to your Church. Obey the Pope John Paul II. The world will be involved in a great scandal, and those who do not obey the Pope will not support it. So listen to what your ecclesiastical superiors tell you. Participate in the Holy Mass with joy and devotion. Always confess when you feel the need to have your soul purified. Find time to pray. The world goes badly because there are few who pray. A great chastisement is about to fall upon humanity. Pray and be converted. Everything depends on your conversion. It is not by chance that I have come from Heaven. I love you much and want to help you. Open your hearts to Me. Give Me your very existence and do not forget to pray the Holy Rosary. Depart from places where the dignity of a Christian is profaned. Renounce smoking, alcohol and television programs. Television is destroying families. Have the courage to renounce sin. Embrace the Grace of God. I want you always at My side. Let Me guide you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

The world is worse than in the time of the Flood, and you risk of being eternally lost if you are not converted. Return to the Lord as soon as possible. Those who belong to the Lord and do His will shall be spared on the day of punishment. I am saddened because of your sins. Change your life, pray, love, and offer yourself to the Lord. I love you and want each one of you with Me in Heaven. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. The world faces great dangers, and you run the risk of turning away from the Lord. Be attentive. Be careful with those who proclaim doctrines contrary to the teaching of the Church, and contrary to what is announced by the successor of Peter, Pope John Paul II. I do not want you to be sad. Know that from your pain a great joy will arise. I am your Mother and I will not abandon you. Hear the voice of the Lord who speaks to your heart. Obey your Church. Love the Pope. Be attentive to the Appeals of the Church of Jesus. Hear what your ecclesiastical superiors say to you. Your obedience will be a consolation to My Immaculate Heart. Return. I know that you have many difficulties, but do not be discouraged. Place yourselves in the hands of the Lord. Always come to Him Who is your Way, Truth, and Life. Continue to walk on the path to holiness. Do not depart from the path I have shown you. I do not want to oblige you, but what I say is serious. I repeat: be converted, be converted, be converted. I want to take you to Him Who knows you by name and has the words of eternal life. Continue praying. Without prayer the Christian life loses its value and effectiveness. Above all, pray now. Pray for yourselves and for others. Pray for bishops and priests. The action of the devil will bring many to lose the true faith. Do not allow materialism take hold of your heart. Be careful. You are precious to the Lord. Return this very day to your God Who loves you and is waiting for you with Open Arms. I love you and want you with Me in Heaven. Be converted now. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

860 - 11/10/1994 - Dear children, I am your Mother, and you have nothing to fear. Have courage, faith and hope. Live turned to the Lord, and your life will be filled with blessings and graces. Continue on the path I have shown to you. If you do so, you can be sure that Jesus will receive you with the immense love of the Father. Pray always and do not allow anything to overcome you. You are all of Christ, so do not retreat. My Son loves you. Be converted and do not leave for tomorrow what you can do today. I am the Queen of Peace. I want to offer you the possibility of peace. I want to lead you to the Lord. Courage. Do not be discouraged. I am with you. If you knew how much I love you, you would weep for joy. Onward. Do your part for the Victory of God with the Triumph of My Immaculate Heart. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

861 - 12/10/1994 - Fazenda Cavaco. Dear children, I am the Queen of Peace. I am the Mother and Queen of Brazil. I want to tell you that you are a people chosen by the Lord and loved with an unlimited love. Therefore, have confidence. In spite of the difficulties, tomorrow will be better for all of you. Pray that there will be hearts disposed to receive My Appeals. The Messages I give you are not to be kept as just remembrances. I want you to put into practice all that I ask of you. Do not be unfaithful to your God. Brazil is a country loved by Me and My Son. I want each Brazilian to be converted and that all be with Me in Heaven. Return this very day to your God. God is love and wants you to live in conformity with His desire. It was He Who created you, and He Who gives you everything. You well know that without Him you are nothing and can do nothing. Therefore, be only of the Lord. May God bless you and bless your Brazil. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

862 - 15/10/1994 - Dear children, I have come from Heaven to ask you to return to your God. The opportune time for your conversion has come. Humanity is heading toward a great abyss, and if you do not change your lives, it could be too late. Be mine in prayer, in gift of self, and in confidence. Pray with Me so we can change this sad situation. The world of today is worse than in the time of the Flood. God continues to be offended, and the time has come when I say: enough; do not offend the Lord Who is already so very offended. Pray, do penance to be saved. Live with joy and faithfulness the Gospel of My Jesus. He alone has the words of eternal life. Return to Him Who loves you and knows you by name. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

863 - 17/10/1994 - Dear children, the most sorrowful times for you are on the path. The time of the great battle between Me and My adversary has arrived. Therefore, pray that you do not fall into his snares. Be careful. You are precious and I want you with Me in Heaven. Do not be surprised when you see ministers of the Lord deny the truths taught by the Church. The devil will deceive many priests, making them proclaim doctrines contrary to those of My Jesus. Pray, dear children, for sad moments for you have come. Stay with Me. Open your heart to Me and do not be afraid, for those who hear Me will come out the better. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

864 - 18/10/1994 - Dear children, I am your Sorrowful Mother. I am saddened because of those who have turned away from God and do not know where to go. They are like sheep without a shepherd. I also suffer because of the hardness of so many hearts who do not want to accept My Appeals. I want to tell you that I did not come from Heaven as a joke. There are serious reasons for My presence here. The day will come when many will have to repent, but it will be too late. The time is now, and do what you have to do now. Do not stand idly by. Read the Messages I have already given and Meditate on them. I do not want to oblige you, but what I say is serious. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

865 - 22/10/1994 - Dear children, onward. Do not retreat. I am with you. I want to tell you that you are loved, each one of you, by the Father, in the Son, through the Holy Spirit. Continue praying. Know that prayer must be the mainstay of your life. Let yourself be guided by Me and I will lead you to Him Who is your Way, Truth, and Life. The world today is worse than in the time of the Flood, and if you are not converted, you risk of being eternally lost. Therefore, the time has come for your sincere and courageous Yes. Do not allow what you have to do to wait for tomorrow. Behold My Jesus offers you the opportunity to be reconciled with Him. God is a caring Father and does not abandon anyone. Whatever happened or may happen, give yourself to His Fatherly love. Do not lose hope nor be afraid. You can be sure a great joy will arise for you. Be always of the Lord and live

turned to the things of Heaven. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

866 - 25/10/1994 - Dear children, I am your Mother and I have come from Heaven to say to you: return to your God Who loves you and waits for you with the immense love of the Father. Humanity is heading towards the destruction which men have prepared with their own hands. The moment has come to accept peace. Do not offend My Jesus. Be capable of accepting the love and the Message of My Son Jesus. I do not want to oblige you, but what I say is serious. If you are not converted, a great chastisement will befall humanity. Many will need to repent of a life spent without God, but it will be too late. I am your Mother and sing the same song: return, return, return. If you do not pray, you will not be capable of understanding what I say. Therefore, pray, pray, pray. Without prayer you cannot walk toward the Grace of God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

867 - 26/10/1994 - Dear children, be attentive. Live turned to the things of God and do not let yourselves be overcome by evil. You are of the Lord, therefore you must not retreat. I am your Mother and know that a great punishment will not delay to fall on humanity. Sin is no longer considered as bad, and so My poor children are being lost in greater numbers. Cling to prayer, for in the most sorrowful moments those who do not pray will suffer much. God is offering men and women a great chance for conversion. Do not retreat. Listen to Me. I did not come to oblige you, but I humbly ask: listen to Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

868 - 29/10/1994 - Dear children, I love you immensely and desire to lead you to Him Who is your true Savior. Let yourself be led by Me. I do not want to oblige you, but listen to Me. Do not be discouraged by difficulties. In a certain way it is normal that they exist because if overcome with joy, they give you the opportunity to grow spiritually. Courage. Pray. Live My Messages with humility. Obey your ecclesiastical superiors. Hear the voice of the One, Holy, Roman Catholic, and Apostolic Church, with attention. Be fervent in faith. Do not allow sin to take hold of your life. Be only of the Lord. My Jesus is counting on you. Do not retreat. Onward with courage. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

869 - 1/11/1994 - Dear children, I am your Mother. I have come from Heaven to you to ask you to return to your God Who loves you and is waiting for you with joy. I am in a hurry and there is no more time to lose. The opportune time for your conversion has come. Do not stand idly by. Onward always and do not be discouraged. I am with you even though you do not see Me. I want to take you to a high peak of holiness, so let yourselves be guided by Me. I do not want to oblige you, but I invite you to meekly accept the Appeal of My Jesus. My Jesus counts on you. He is your Great Friend. Salvation for the world is only in Him and without Him humanity can never be saved. Do not lose time. Open your heart to the Grace of the Lord. He cares for you. Love Him, for He loves you. Do not allow sin to occupy space in your life. You belong to the Lord, each one of you, and if you were to know how much He loves you, you would weep for joy. Be instruments of the peace of God. Love one another, for love is the defense against any and every evil. I am happy with your presence here. Thank you for coming. Tonight I bring down a rain of graces from Heaven upon you, especially My beloved children [bishops and priests]. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

870 - 2/11/1994 - Dear children, I am the Mother of Divine Mercy. I ask you to renew your consecration to Me and live with love all My Messages. Pray for yourself and for others. Pray for the souls in purgatory and lovingly hear the words of My Jesus. Things are not going well for lack of prayer. There are few who pray. Many pray, but not from the heart, and therefore do not please the Lord. Therefore, pray from your heart, for prayer from the heart comes to God. Be sincere, be honest in your actions and live turned to the wonders of God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

871 - 5/11/1994 - Dear children, pray the Holy Rosary daily. Know that without prayer you are not capable of accepting the love of God. Have confidence, faith and hope. In spite of all your pain, tomorrow will be better. Just pray. I invite you to participate in the Holy Mass with devotion and seek the Mercy of the Lord through Confession. God is not far from you. Be certain that each one of you is loved by the Father, in the Son, through the Holy Spirit. Seek to live always turned to the things of Heaven. You live in a world of so many crimes, of so many sins, but in truth you were created for Paradise. Be converted and do not retreat. What I say is serious; if you are not converted, a great punishment will come to Brazil. Prayer is necessary. As plants without rain cannot grow, the Catholic who does not pray cannot grow in the spiritual life. Be careful. Remember that you are precious in the eyes of God. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

872 - 8/11/1994 - Sao Paulo. Dear children, I love you and I want to tell you that you are important to the Lord. I ask you to listen with love to all My Messages. Through them I desire to lead you to an ardent and continuous desire of God. I do not want to oblige you, but hear what I have to say: you live in a time worse than in the times of the Flood and, if you are not converted, you risk of being eternally lost. My Jesus expects great things from you. He is your Great Friend, a friend who does not deceive nor abandon you. Trust in Him, for He is your Way, Truth, and Life. I have come from Heaven to lead you to conversion. I know what is waiting for you, so do not retreat. Be only of the Lord. Do not allow sin to take hold of your life. Refuse sin, refuse violence, and accept peace. I am the Queen of Peace. I am a Mother who repeats the same song: love, love, love. I am in a hurry and there is no more time to lose. Be careful. Your time has come, the time of your sincere and courageous testimony. Follow Me on the path of prayer, obedience, and acceptance of the Divine truths. If you do what I ask, you can be sure the world will find peace. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

873 - 10/11/1994 - Sao Paulo. Dear children, do not be afraid. Continue to follow the path I have shown. Humanity finds itself on the edge of a great abyss and the moment has come when the Lord, as a loving father, calls you and will not abandon you. Depart from sin and seek to be like My Jesus in everything. Pray, do penance, love, and above all, hear the voice of the Lord Who always speaks to your heart. I need you. Courage. Know that

whatever you do for Me will not be without reward. Rejoice, for you are in My Heart. There is no danger for those who hear Me because My words are from Heaven and I will save you in time of danger. There is no time to lose. Onward. My Lord is waiting for you with Open Arms. Be converted, because many things depend on your conversion. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

Be careful. Do not stand idly by. My Son is counting on you. Do not retreat. Return quickly, because the time is short. Firmly believe in the Gospel of My Son. Listen to His words that guide and save. When I ask you to pray, you should understand that without prayer you are not capable of understanding the plans of the Lord for you. Therefore, pray, pray, pray. I want everyone to be converted, and that each one be with Me in Heaven. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Give yourselves to the Lord Who is your only hope. He cares for you. Look where you are walking. You are precious to Me and I do not want you in pain. Be Mine in prayer, in gift of self, and in confidence. The time for your testimony has come. Courage. Do not be discouraged. I am at your side. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

876 - 17/11/1994 - Sergipe. Dear children, depart definitively from sin and draw near to the Lord. God loves you and is waiting for you with joy. Do not allow yourself to be overcome by evil. You are of the Lord and you must always walk for Him. Do not retreat. Show that all of you are of the Lord. Set a good example and seek to live the Messages I have already sent. The world is in great danger and the hour has come when I beg of you: return to your God. Be wise and do not refuse My words. I want to lead you to holiness. There is no more time for doubts and uncertainty. I repeat to you: I am your Mother and I know what is waiting for you. I am saddened when you turn away from God. Do not lose time. I repeat: return, return, return. My Jesus is counting on you. Listen to His words that direct and save. A great punishment will fall upon humanity without delay. What I foretold to you in the past is about to happen. Pray. Be converted. If you are not converted, it could be too late. Listen to Me. I suffer because of your suffering: I also suffer because so many hearts close themselves to the Grace of My Lord. I want to help you. Open your hearts to Me. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I invite you to pray, for without prayer it is impossible to be a good Catholic. Pray every day and you will see how many graces the Lord will give you. Renounce smoking, alcohol, and television programs, for television contributes to the destruction of many families. The hour has come when you must be totally of Jesus. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

907 - 28/01/1995 - Dear children, I am your Mother and I ask you to give to Me your very existence, for I desire to lead you to Him Who has the words of eternal life. Know that I need your continual prayers and your sacrifices. I want each one to be converted and everyone to be with Me in Paradise, the only place for which you were created. Pray now more than ever, for the times foretold by Me for centuries have come. Everything I foretold must happen, but in the end Victory will belong to the Lord. Give your testimony. Do not be afraid, for the Lord is at your side. Be careful. Show that all of you are of the Lord. Be modest in your way of dressing. Close your eyes to the easy seductions of this world and be only of the Lord. It is not by chance that I have come from Heaven. Help Me. I need your help. If you do what I ask, the Lord will reward you generously. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

908 - 31/01/1995 - Dear children, tonight I invite you to lovingly live My Appeals. Through these Messages I want to lead you to an ardent and continuous desire of God. You are the People of the Lord, and He loves you. Also, I ask you to continue to pray. Humanity lost peace for lack of prayer, but there is still a chance. Do not stand idly by. Return to praying more. Pray always. Let prayer become the mainstay of your life. I want to help you, but listen to Me. The Lord is saddened by so many sins. Enough. Do not offend the Lord Who is already offended too much. Know, all of you, that the time is short, so hasten your conversion. I do not want to oblige you, but what I say is serious. Do not stand still, but seek to be like My Jesus in everything. I ask you to continue praying. Prayer strengthens you and brings you closer to the Lord. If you want to give Me immense joy, pray, pray, pray. There is no more time for doubts and uncertainty. Be converted now. Hear what your ecclesiastical superiors say to you. Obey your Church. Hear the voice of the Pope and pray for him. You live in a time worse than in the time of the Flood and run the risk of turning away from the Lord. Be attentive. I want each one of you to be converted and everyone to be with Me in Heaven. Onward. Do not retreat. The Lord loves you and is with you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

911 - 6/02/1995 - Dear children, return to Him Who has the words of eternal life. Daily read a passage from the Sacred Scripture. Take to heart the Word of the Lord, and give your testimony with joy. The Lord will ask an accounting of those who hear Me, for as you know, to whom much has been given, much will be required. Do not retreat. 914 - 14/02/1995 - Dear children, I invite you today to be like My Jesus in everything. Begin to live My Appeals with joy. Be honest in your actions. Refuse everything that offends the Lord. You cannot be silent in the face of deceitful campaigns that aim to separate men and women from their Creator. Say no to everything hurtful to you or to your soul. Pray. Pray increasingly. Know that humanity is heading towards self - destruction that men have prepared with their own hands. The hour of your return has come. Do not stand idly by. Onward, for you are not alone. I am with you. Courage. Continue praying. The lack of prayer contributes to the lack of peace. Men and women no longer love each other and so things are going badly. Therefore, love if you want to find peace. I am your Mother. I love you immensely and want you to be happy now here on earth and later in Heaven with Me. I do not come to oblige you. I know you are free, but, as your Mother I say: do the will of My Jesus. There will yet be much suffering. Many will have to repent of a life lived without God, but it will be too late. This is the right time. Do not waste time. Do not wait for tomorrow to do what you have to do. I am happy to meet with you here. May My Lord fill you with blessings and may you be capable of receiving My Messages. If you want to give Me immense joy, consecrate yourselves daily to My Immaculate Heart. And pray in a special way for My first beloved son, Pope John Paul II. Know, all of you, that the Church of My Son will pass through a crisis such as has never been seen. Cardinals and bishops will turn against the Pope, many will lose the faith, but as I have said, hear the voice of him who is truly the successor to the chair of Peter. The Pope has been betrayed by his closest collaborators. There are few who have the courage of Peter, but many who have the courage of Judas. Pray. I repeat: Pray. The decisive time is coming. Only by praying will you be able to understand what I say. Continue to pray for the Church of My Jesus. Hear the voice of My beloved Pope John Paul II. Pray for Him. As I already said, he will have to suffer much because of the unfaithfulness of many. But you who are mine, love him and be ready to defend him by your prayers. Pray also for the Church of this country [Italy]. Here too Satan has managed to deceive many consecrated people, leading them to abandon the true faith. If you are not converted, fire will fall from Heaven and a great part of humanity will be destroyed. Do not stand idly by. What I say is serious. I am not here as a joke. Many will regret not having heard the Appeals from Heaven, but it will be too late. Repent of your sins and seek to be like Jesus in everything. Pray. Only by praying will your life be transformed. Live turned to Paradise, for you were created for it. You live in this world, but are not of this world. Be aware that you are only of the Lord. Pray. I want to help you, but what I can do depends on you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

955 - 18/05/1995 - Jerusalem. Dear children, I love you and want to see you happy. I easily forgive your sins and desire to lead you to Him Who has the words of eternal life. You are here in the Holy Land where My Jesus went doing good to many. Unhappily, many turned away from Grace, and the faith of many disappeared so a great multitude went to the abyss of sin. But I want to tell you that this people will be the people who most honor God. There will be a great transformation here, for the Lord has long been preparing many hearts to worship Him and bear witness to the truth. You are in the center of Christianity, because it was here that My Jesus communicated his words of salvation to many and, by His Grace, these words have come to you. If you open the Gospel, you will find biblical passages where, on this earth, the Lord did wonders, loved, forgave, and warned. Open your hearts to be able to feel the loving Mercy of My Son. Pray. Everything must happen, but in the end My Immaculate Heart will Triumph.

This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

956 - 16/05/1995 - Dear children, today I invite you to heartfelt prayer. Know that only by praying will you be capable of understanding what I say to you. Humbly receive the Messages I have already given you. Through them I want to take you to a high peak of holiness. Set a good example for all. Seek to witness that you are of the Lord. Seek to be like Jesus in your actions and in your words. Do not allow sin to take hold of your life. God is waiting for you with the immense love of Father. Go to meet Him, all of you. Courage. Onward. I am with you, even though you do not see Me. Walk on the path I have shown you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

957 - 23/05/1995 - Dear children, I love you and I am with you. I want to say to you that you are loved, each one of you, by the Father, in the Son, through the Holy Spirit. Tonight I ask you to give your very existence to Me. I want to lead you to Him Who has the words of eternal life. My Jesus is waiting for your return. Do not retreat. Do not leave for tomorrow what you have to do. Pray, for only by prayer will you be capable of understanding what I say. Courage. Do not be discouraged. Know that the time is short. 959 - 27/05/1995 - Dear children, I want to tell you that the peace of the world is in crisis. Pray, pray, pray. I am in a hurry and ask you to not stand idly by. Be attentive. I have not come from Heaven as a joke. What I say is serious. You have little time left. If you are not converted, a great chastisement will fall upon humanity. The hour of your Yes has come. My Jesus waits for you with the immense love of the Father. Go, all of you, to meet Him. Now, more than ever, you need to be attentive. Give yourselves to the Lord. Your hope is in Him only. 960 - 29/05/1995 - Dear children, pray for the Church of My Son, which is internally divided and in danger of losing the true faith. Satan has managed to penetrate the interior of the Church causing great divisions, scandals, envy, and dragging a great number of consecrated souls to the path of error. Pray. I repeat: pray. Pray for the Holy Father, for he will suffer much. He already feels the abuse and abandonment of many of his closest collaborators. Pray for Him and all the Church. What I have foretold will happen. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

961 - 30/05/1995 - Dear children, lovingly hear My Appeals. I am in a hurry, for the time is short. Do not leave for tomorrow what you have to do. Be good to each other. Love. Pray and be in everything like Jesus. Now more than ever you need to live in the Grace of the Lord. These are the times of tribulation. Satan continues to attack to take you from the Grace of God. You must confront him with the Rosary, confession, consecration to Me, and witness that you are only of My Jesus. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

962 - 3/06/1995 - Dear children, I am in a hurry. Know, all of you, that My Jesus is waiting for your response to His call to holiness. Do not stand idly by, but joyfully assume your true role as Catholics. I know about your difficulties, but do not be discouraged. Onward with courage. Begin to dedicate a good part of your time to prayer. There are few who pray and so many who suffer difficulties. Therefore, pray to be able to feel the love of Jesus in your life. You are of the Lord and you are to be heedful only to Him. Listen to His words and witness to them. Thus you will be capable of accepting the will of the Lord. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I speak because I have the good pleasure of My Son, and to warn you, for I am your Mother. I love you and want to see you happy here on earth, and each one of you with Me in Heaven. Pray. Make prayer be the mainstay of your life. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. Prayer will strengthen you and help you understand God's purposes. I am in a hurry. I am saddened by those who are far from the Lord and want to help you so that there will be a Great Return to Him who loves you and awaits you with Open Arms. Onward with courage. This is the message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you

1141 - 26/07/1996 - Dear children, tonight I invite you to contribute to the Lord Who expects great things from you. The time of the battle between Me, the Woman Clothed with the Sun, and My adversary, the red dragon, has come. Be firm in the faith and do not waiver. Know that the Victory will be of the Lord. I want you at My side, for I am your Mother and want you to share the Victory with Me. The Lord is with those who fear Him.

You live in a time of Great Tribulation. Now, more than ever, you need to pray. Only those who pray will be able to endure all that must come. Courage. Do not allow evil to take hold of your heart. You belong entirely to the Lord and need not fear anything. Know that I walk with you. Strive to be converted in your hearts. Do not be afraid. The Lord and all those who are with Him will be victorious. Onward. Do not retreat. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I feel sad because of those who live without the Grace of God. I therefore invite you to an urgent conversion. I do not want a single one of My children to be lost. Be careful. Many times the creature is considered more important than its Creator, and so men and women are easily lost. Be converted. Unless you are converted, a great punishment will come. I have come from Heaven to direct you and tell you that this is the time of Grace. Behold, the great opportunity that the Lord offers to you. Do not stand idly by. Listen to Me. Do not stand idly by. Do what you have to do now. Be attentive. Begin to lead a simple life and do not pretend to be more than you are. Give a good example to all and strive to remain faithful to Jesus and to His Church. I did not come to oblige you, but lovingly hear what I tell you. Courage. Happen what may, do not turn away from the Lord. Onward. I love you and I am with you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1146 - 6/08/1996 - Dear children, I am your Mother and tonight I invite you to remain faithful to My Messages. Do not allow your doubts to disturb My projects. Your doubts and uncertainty are interference from My adversary. The Lord is saddened by your sins. Repent and return to Him Who is your Way, Truth, and Life. Say your Yes to the Lord this very day. He loves you and is calling you. Do not retreat. Soon there will be grave conflicts. What I foretold in the past will happen. Pray. Pray for the Church of My Son. The devil will cause many of My chosen ones to lose the true faith. Many consecrated people will turn against each other. I suffer because of what is waiting for you. Pray. Do penance. Your time has come. Do not stand idly by. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I want you in My Heart, for when the great storm comes you will be protected from every danger. Be courageous and live attentive to Paradise, the only place for which you were uniquely created. Also, I invite you to live My Messages with enthusiasm. Through them I want to lead you to a continuous and ardent desire of God. You are important to the Lord. Pray. Only by praying will you be able to understand the desire of God. Humanity has turned away from God and is heading toward a great abyss. Be converted now. There is no more time for doubts and uncertainties. Be men and women of prayer. Onward. I am with you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1148 - 10/08/1996 - Dear children, today I invite you to live in holiness and witness that all of you belong to Christ. Know, all of you, that I need your Yes. I love you and I am at your side, even though you do not see Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. I want to tell you that the times I foretold have come, and now, more than ever, you need to pray. I have come from Heaven to offer you all My love and show you the way that leads to full happiness. Listen to Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1151 - 17/08/1996 - Dear children, be honest in your actions and try to be like My Son Jesus in everything. Know, all of you, that you have a special place in My Immaculate Heart. I want to help you overcome the trials of your daily life. Be brave. Never be discouraged. The Lord comes to help those who sincerely seek Him. Strive to remain faithful to the Gospel of My Jesus. I did not come to oblige you, but what I say is serious. Be

converted, because many things depend on your conversion. I am in a hurry. Do not stand idly by. Work, love, and seek to live My Appeals lovingly. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1152 - 20/08/1996 - Dear children, know that the Lord is waiting for your return and your conversion. Say Yes to His call. I want to see you happy already here on earth and later with Me in Heaven. The world lives in terrible tensions and is heading to a great abyss. The devil has managed to deceive many into losing the true faith. He has seduced many, even in the Church, leading them into a real schism. I suffer for what is waiting for you. Pray. Only by sincere and perfect prayer will the world be saved. Be careful. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1153 - 23/08/1996 - Dear children, do not lose your courage. Know that the Lord is with you. Nothing and no one can do anything to you if you give yourself to the Lord with full confidence. Tell everyone that My presence here is not just a joke. The Lord has sent Me to lead you on the path of goodness and holiness. Listen to Me. Whoever hears My voice hears also the voice of My Lord. Therefore, be attentive. This is the Message which I am sending to you in the Name of the Most Holy Trinity Thank you for allowing Me to meet with you here again. I suffer because of those who reject My Messages and are not interested them at all. They are ungrateful children who do not know what they are doing. The devil has deceived them and they are not capable of receiving My Appeals. The Lord is saddened because of your sins. Repent today and do not return to sin. So many of My children are in a grave situation because they live in a state of sin. They are not the least bit concerned, and live closed to the Grace of God. I want to tell you that the Lord can call you at any moment, and so you must be prepared. Be careful. You are precious to the Lord and He loves you. Think about your life. Examine it and repent quickly. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. Just as plants cannot grow without water, you cannot grow in the spiritual life if you do not have a life of prayer. Listen to what I am saying and you will be able to live and bear witness to all My Messages. Do not be silent. Tell everyone that Jesus is in a hurry and the time for conversion is running out. I do not say this to scare you. I say this so you will prepare yourselves because you know neither the day nor the hour when the Lord will require you to give account. Listen to Me. What I say is serious. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 1208 - 28/12/1996 - Dear children, know that I need your Yes. I ask you to live all My Messages joyfully. I, too, invite you to heartfelt prayer, for only when you pray from your heart will you be answered. Your time is very short. Humanity is at the eve of major chastisements. O men and women, where do you want to go? Be converted, for if you are not converted, the chastisement will come. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 1997

1210 - 1/01/1997 - Dear children, I am the Queen of Peace. I ask you to be responsive to My words and seek to imitate My Son Jesus in everything. This year will be marked by great happenings which I foretold in the past. Do not depart from Me. I want to help you. Open your hearts. I also ask you to intensify your prayers. Pray for the Church of My Jesus. It will suffer because of great persecutions. Many of My beloved children will turn against the Pope. There will be a great schism. True doctrine will be denied even by members of the hierarchy. Pray. The Church of My Jesus will be attacked; it will be the target of great attacks. Only the faithful, the true faithful, will stand firm. Do not be afraid of what I speak. You need to hear this so that when it happens you will remember that I foretold it. Do not lose hope. You who are with Me will be supported and protected. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1211 - 4/01/1997 - Dear children, My Jesus needs your sincere and courageous witness. Be men and women of prayer. Know how to confront your difficulties with courage, for this is the only way that you will be able to contribute to the Victory of the Lord. I have come from Heaven to ask you to return to your God who loves you and is waiting for you with Open Arms. The most difficult times for you have come. Pray. If you do not pray, you will not be able to endure what must come. I am your Mother and I want to tell you: happen what may, remain faithful to Christ. Victory will belong to the faithful. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1212 - 7/01/1997 - Dear children, I love you and I want to tell you that the times foretold by Me have come. Do not depart from Me, because I want to help you. I ask you to continue praying. In prayer you will feel the power to take My Messages to the world. I want to offer you the Grace of conversion. Open your hearts and do not stand still in sin. If you live in sin, you will not understand what I am saying. Give yourselves to Me. I want to lead you to My Jesus. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1213 - 9/01/1997 - Dear children, tell everyone that I am in a hurry and there is no more time to lose. Pray that My projects will come true. I do not want to oblige you, but listen to Me. Do not stand idly by. Be converted quickly. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1214 - 11/01/1997 - Dear children, live simply and do not pretend to be more than you are. Depart from evil and return to the Lord Who loves you and calls you to His Grace. Be good to each other. Know that humanity will reap what it sows. I am saddened because of what is waiting for you. I suffer for those who live far from God and do not know where to go. Pray. The world is not doing well for lack of prayer. There are few who still pray. If you are not converted, punishment will come. I do not want to frighten you. I say this because I am your Mother and I want to help you. Do not stand idly by. Change your life. Repent. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1215 - 12/01/1997 - Dear children, know that you have received much from the Lord and He will require you to give an accounting. Strive for My Messages to be known by the greatest possible number of people. Many need to hear My Appeals. Do not stand idly by. Know that the time is short, and the time for your courageous and sincere testimony has come. Do not be discouraged because of so many who criticize you. When they criticize you tell them that you will answer to the Lord. Always walk with hope and prayer, for this is the only way you can contribute to My projects. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1216 - 14/01/1997 - Dear children, Always pray the Rosary, for everyone who prays the Rosary will have My special protection. I have come from Heaven to ask you to return to the Lord as soon as possible. Humanity is heading toward a great abyss, and the time of your return has come. Be careful. Do not allow yourself to be contaminated by sin. Belong always to the Lord. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1217 - 18/01/1997 - Dear children, I love you and I ask you to not remain in sin. You belong to the Lord and must only serve Him. I ask you to continue praying. Only sincere and perfect prayer will bring humanity to meet its Maker. Know that it is not by chance that I have come from Heaven. The Lord has sent Me to tell you that now is the time of Grace. Repent quickly. Know that repentance is the first step on the path to conversion. Onward. Do not stand idly by. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1218 - 22/01/1997 - Dear children, I know your difficulties and suffering and want to help you. I ask you to continue praying. Humanity has turned away from God for lack of prayer. Repent. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1219 - 24/01/1997 - Dear children, do not allow Satan to deceive you. You are very interested in the things of this world and this takes you away from the things of the Lord. If you want to grow spiritually, seek first the things of Heaven, knowing that the Lord will reward you generously. What good is it to have the whole world in your hands if you lose your soul? Think now, dear children, is it worth it? You belong to the Lord and not to the world. You are here for a short time. Your eternal dwelling place will be in Heaven where the Lord has reserved for you what human eyes have not seen and no human has ever experienced. I am your Mother. I want everyone to be converted and each one to be with Me in Heaven. Even your joys in this world pass. Be converted, for God is waiting for you with unending happiness. I want all of you here present to help Me save those who depart from My Lord, and contaminate themselves with sin. Pray more, for you do not pray a lot. When you pray, pray with attention. Ask your guardian Angel to accompany you in prayer. Call upon Me. I want to pray with you. I want your prayers to get to My Jesus. Do not be discouraged. Onward.

This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1220 - 25/01/1997 - Dear children, I am your Mother and I am always with you. I know your difficulties and want to help you. Pray. From all your pain a great joy will arise. As I said, whoever prays the Rosary will not be left unaided. Believe firmly in the Lord. I have come from Heaven to invite you to conversion. Humanity has turned away from God, and must return while there is still time. Do not ask questions. Pray. In prayer you will understand what I am saying. If you are not converted your path will be difficult. Listen to Me. I am in a hurry. What I say is serious. The times foretold by Me have come. Do not stand idly by. Courage. Have confidence, faith and hope. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1221 - 28/01/1997 - Dear children, I am your Mother and I want to tell you that this is a time of Grace. Do not leave what you have to do for tomorrow. I ask you to multiply your prayers and be like Jesus in everything. Humanity lives in a time of great tension and is heading toward a great abyss. You are very important to the Lord and cannot stand still in sin. I do not want to oblige you, but listen to Me. Look to those who are most lacking in the Grace of God. There are so many fallen away from God. Help Me. Stay with Me and recover these poor children. I await your Yes. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1222 - 30/01/1997 - Dear children, be responsive to My words. Know that the Lord awaits you with the immense love of the Father. Be courageous and proclaim My Messages to everyone. You will be generously rewarded for everything you do for Me. Do not hide My Messages. Tell everyone that I, the Mother of the Savior, desire the conversion of everyone as soon as possible. Do not be silent. You have received much and He will require you to account for everything. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1223 - 1/02/1997 - Dear children, be honest in your actions and try to live all My Messages. I ask you to not turn away from prayer. Always pray more. Prayer gives you strength and will take you to a more serious commitment to God. Know the value of prayer. If you pray you will be converted and the world will again have peace. Be mine, because I want to lead you with docility to Him Who sees what is hidden and knows you by name. I do not want to oblige you, but as obedient children, listen to Me. Depart from sin. Be reconciled with God. I want to help you, but I cannot help you if you do not open your heart to Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1224 - 4/02/1997 - Dear children, take care of your spiritual life and do not allow Satan to deceive you. Renounce sin. Depart from every place where your dignity is profaned. Tell everyone that God is saddened by so many errors and sins that are being committed. I ask you not to participate in the carnival. If you truly love the Lord, do not be disobedient. Those who partake of the carnival offend the Lord Our God. Courage. Renounce it for your own good. I do not want to oblige you, but I am your Mother and tell you that God will require you to give account of all that you do in this world. The devil destroys you completely, bringing you to a sad spiritual blindness. I repeat: be careful. Woe to those who do not listen to My voice, for God will not spare their souls from punishment. Pray. Belong only to God. You cannot serve God and the devil. Where do you want to go to? You know that Heaven is more important for you. Listen to Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1225 - 7/02/1997 - Dear children, seek to always live in the Grace of God. Grace is the light that illuminates your soul. Without Grace your soul will be in darkness. I repeat: seek to live in the state of Grace. Be light for those who live in the darkness of sin and do not know where to go. Be instruments of God. Work, pray, and strive to be faithful to the Lord. Pray. Prayer will help you be meek and humble of heart. By praying you will be able to understand what I am saying. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1226 - 8/02/1997 - Dear children, I need your sincere and courageous witness. Be men and women of prayer. Know how to courageously confront your difficulties, and do not be unfaithful to My Lord. I ask you to give your very existence to Me through the Consecration to My Immaculate Heart. Also I ask you to be responsive to the teachings of the Church of My Son and to intensify your prayers for the Pope. I want to tell you that the time of the Great Tribulation is coming, but those who are with the Lord will come out the better. Take up your Rosary. It is the weapon you have for this great battle. Whoever prays the Rosary will be victorious with Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1227 - 9/02/1997 - Dear children, My Son is your only hope. I especially ask you to not be afraid to witness to My Messages. Firmly believe in My promises and take courage, because I need you in order to realize My plans. Be attentive. You live in the midst of wolves in sheep's clothing. Pray increasingly. Those who pray will not be touched. I want to reveal a very important spiritual secret to you: praying the Rosary after a good confession can transform the most hardened hearts. Encourage others who do not yet pray to pray with complete confidence. Be My soldiers. Fight the enemy with Me. Victory will be mine and yours, for you are faithful to Me. Stand firm. Do not weaken. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1228 - 11/02/1997 - Dear children, be converted. Firmly believe in the Gospel of My Jesus. The Word of My Son is the light that will shine on those who live in the darkness of sin. It is the font in which you can slake your spiritual thirst. Be attentive to what I am saying. I ask you to pray the Holy Rosary every day. During Lent renounce something and offer it as a sacrifice for your own conversion and the conversion of all your brothers. Go to Confession. Pray a lot before the Cross, and be like Jesus in everything. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1229 - 15/02/1997 - Dear children, I ask you to live My Messages daily and try to imitate My Son Jesus in everything. I do not want to oblige you, for you are free, but I am your Mother and ask that you to not stand idly by. I encourage you to tell everyone what I am saying. Know that everyone who spreads My Messages will not be without a reward. Be good to each other. Pray. Assume your true role as Christians. Love. Forgive. Approach Jesus through a good confession. If you do what I ask, your conversion will be possible. Courage. Do not be discouraged. What I say is no joke. Onward. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1230 - 18/02/1997 - Dear children, I suffer because of so many children who are victims of injustices and lacking what they need. God is not content with a humanity that because of sin, has become indifferent to the miserable situation in which My poor and innocent children live. Know that God will require you to give account of all that you do. You must strive to be faithful to My Lord because all injustices are the fruit of disobedience to God. I ask you to not lose hope. Tomorrow will be rich in the presence of God. Courage. Follow Me on the path of prayer, of gift of self, and of obedience. Pray a lot. You still do not pray a lot. I want to help you. Open your hearts. Listen to Me. Do not stand idly by. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1231 - 21/02/1997 - Dear children, pray. Prayer is the remedy that cures great spiritual illnesses. If men would pray, a great part of humanity would be cured spiritually. Lack of prayer takes humanity to sin, and so peace is lacking and love in hearts is lacking. And the fruit of all this is a violence that grows daily, taking My poor children to a terrible spiritual blindness. Be converted, My dear children, for this is the only way the world will find peace. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1232 - 22/02/1997 - Dear children, I love you and want you in My Immaculate Heart. I suffer because of your sins and I ask you to turn away from every kind of evil. The Lord has sent Me to you to ask you to be faithful to his Gospel. Know that only with your sincere and courageous witness will you be able to accept the mission I have entrusted to you. Do not be afraid. I am at your side. I promise to help at the hour of death all those who live and witness to My Messages to the world. Do not stand idly by. Have courage. Do not retreat. Pray. Let prayer be the mainstay of your life. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1233 - 25/02/1997 - Dear children, witness to My Messages and help all My poor children to joyfully live the Gospel of My Son Jesus. Know how to appreciate what I have said to you during all these years. I do not want to oblige you, but be faithful to what I say. I ask you to not stand idly by. Pray. Without prayer you cannot understand My love for you. Open your hearts to Me, for I want to lead you to Him Who is your only Way, Truth, and Life. Be mine. Do not retreat. I am your Mother and want you at My side. Listen to Me. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I have come from Heaven to earth to offer you the possibility of conversion. Open your hearts to Me. I want to offer you the Grace of conversion. I want to bring you to live and witness to the love of My Son Jesus. Courage. Pray. If you pray, you will be able to endure that which must come. Onward. I have given you so many Messages and you still want to know how to spread them or what means you should use to take them to the world. Know that I desire your union. Be always ready with your Yes to My call. Onward with your idea to spread My Appeals. Help My chosen one in his material and spiritual necessities. You cannot stand idly by. Strive. Do not be discouraged. Courage. Know how to face your difficulties with joy. You will always have difficulties, but do not be discouraged. I am with you. 1332 - 12/10/1997 - Dear children, I am the Mother and Queen of Brazil. I want all Brazilians to live turned to the Redeemer of the world and that this nation will always be a land of the Holy Cross. Here in your nation My adversary has managed to seduce a great number of people into error. I ask you to be responsive to My words. I want to help you, but what I can do depends on you. Also, I ask you to intensify your prayers for the Church of My Son, for the action of the devil will lead a great number of consecrated souls to deny true doctrine. The evil action of masonry has managed to penetrate into the very interior of the Church, leading many of My beloved children into error. Pray. Only prayer can change this sad situation. Apparently things are going well, but this is not so. What is about to happen hurts My Heart greatly. Jesus is saddened, for as in the beginning of His public mission, His own people have become contaminated with evil. I ask of you: pray, pray, pray. Whoever is with Me will achieve Victory. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

I am here to tell you that the times foretold by Me have come. I ask you to continue following the path I have shown you. Begin to pray, and do not withdraw from the Grace of the Lord. If men are not converted, a terrible disaster will fall upon humanity without delay. Be converted. Do not stand still in sin. Take care of your spiritual life. Know that the value of a person is measured by what he is and not by what he has. Listen to Me. I do not want to oblige you, but listen to Me. You are precious to Me and to My Son Jesus. 1400 - 19/03/1998 - [Feast of St. Joseph]. Dear children, tonight I invite you to be meek and humble of heart. Also I ask you to imitate Saint Joseph in his virtues and above all in his faith. Surrender your families to the protection of the glorious Saint Joseph and you can be sure that your families will always experience the peace of the Lord. In these your times, the devil has destroyed many families, extinguishing a flame that never should be extinguished. Value prayer in the family. Families that pray together will never lose the faith. Courage. Do not be discouraged. Humanity has advanced in technology, attaining great achievements, but many of them are not the Will of God. But regarding faith, humanity is increasingly distant from the truth and from evangelical ideals. Be careful. Do not allow Satan to deceive you. This is the hour of truth. Stay with the Lord. The day will come when many will repent, but will go through great suffering. I ask of My Divine Son Jesus that it be not too late for many. Humanity is full of evil and people are on their way to perdition. I am your Mother and I have come from Heaven to offer you the possibility of returning to the Lord. Open your hearts. 1406 - 31/03/1998 - Dear children, do not lose courage. Happen what may, stand firm on the path I have shown you. I need each one of you. Humanity is sick because of sin and needs to be cured by the Merciful Love of My Son Jesus. I am glad to be here. I want to tell you that you are important to Me, and I thank you for living My Appeals. Tonight I invite you to receive the Graces of God with joy and gratitude. Pray with courage and enthusiasm. Your prayer will contribute to the conversion of those who are still far from God. Onward. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1407 - 4/04/1998 - Dear children, tonight I invite you to live all My Messages with humility. I want to tell you that I am your Mother and I want to help you. Intensify your prayers and sacrifices in these days. Pray your Rosary and fast on bread and water. I am in a hurry and need your help. Do

not stand idly by. Know that My suffering is great because of your sins. Repent. Change your life. Onward without fear. I am at your side. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 1408 - 7/04/1998 - Dear children, I invite you to pray before the Cross, beseeching My Son Jesus to have Mercy on humanity. My Son continues to suffer the sorrows of His Passion because of the sins of humanity. Never have men and women been so distant from God as now in your times. Know that this is the time of return. Do not stand still in sin. I know that you are tempted, but call upon Jesus Who is stronger than temptation. Courage. Do not turn away from My Son. Humanity will find salvation only in Him. Pray. In prayer you will be able to understand what I am saying. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1409 - 9/04/1998 - Dear children, know that My Son Jesus suffers greatly because of men and women. I invite you to sincere repentance of all your sins. Know that My Son is rich in Mercy and wants to forgive you. Open your hearts. Today remember the institution of the Eucharist and the priesthood. Because these sacraments are a great power for the Church of My Son, Satan has tried to destroy them in every possible way. See how many sacrileges are committed against the Eucharist. See how many scandals involve priests. The great plan of the devil is to end the Eucharist and destroy the true meaning of the consecrated life. By accepting false doctrine, many will say that Jesus is just symbolically present, and with this the devil will drag a great number of consecrated people and faithful into error. This is the time of great confusion. Whoever listens to Me will never be deceived. Be careful. Pray. Love the truth and be like Jesus in everything. My Son is really in the Eucharist, body and blood, soul and divinity. Those who teach the contrary are sent from the antichrist. Be attentive. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1410 - 11/04/1998 - Dear children, pray a lot. What I have foretold in the past will happen. You will be persecuted because of your faith, just as the first Christians were. Do not be discouraged. As I have said, it is better to serve God Who is your absolute good, than to serve men. You are the People of the Lord. I have called you to offer My love and to give you courage. If you pray and do what I ask, you will be victorious. Onward without fear, for I am at your side. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1411 - 14/04/1998. Dear children, take care of your spiritual life. Nourish yourselves with the Word of God and in the Eucharist, for you must be strong for the Great Combat. Humanity will pass through a great transformation which will enable men and women to better live their spirituality with God, but before this happens there will be a terrible crisis of faith. Be men and women of prayer. If you pray you will be able to endure what must come. Courage. Do not be discouraged. I am at your side. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1412 - 17/04/1998 - Pau Ferro. Dear children, I love you as you are and I have come from Heaven to bless you and give you My love. I am glad you are here. I ask you to pray always and do not stray from the way I have indicated. Humanity has turned away from God and is heading toward a great abyss. Pray. I need each one of you. You are the Chosen People of the Lord and He loves you. Open your hearts to Me, for I am your Mother and want you always at My side. I do not want to oblige you, but what I say is serious. Be careful. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 2000

1681 - 1/01/2000 - Dear children, I am the Queen of Peace. I am the Mother of God the Son and your Mother. I ask you to intensify your prayers for the Church of My Son Jesus, which is passing through difficult moments. What I foretold in the past is about to happen. Pray. The apostasy in the Church has become very clear. Many consecrated souls have lost the faith and the captain of this great ship will suffer much. The time of agony of the Church is coming. The faithful will go through great trials, but in the end the Lord will conquer. Do not lose hope. I am your Mother and I am with you. Tell everyone that the decisive moment in the struggle between the Woman Clothed with the Sun and the red dragon has begun. Open your hearts and receive the Grace of the Lord. Courage. Those who are with the Lord will win. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1682 - 4/01/2000 - Dear children, do the Will of God in every moment of your existence. Try to make your life here on earth a continuous series of encounters with Jesus. You can find Him daily in the Eucharist, Body and Blood, Soul and Divinity; in the Holy Bible as the Word of God, in His ministers, as Master, Priest, and Pastor, and in your neighbor whom you encounter daily. Let your hearts be filled with love, for this is the only way that humanity can find the way to salvation. Pray a lot so you can accept the Holy Will of God. Have courage, faith, and hope. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

Humanity walks in a sad spiritual blindness and must be cured. Do not turn away from the love of the Lord. He is expecting great things from you. Courage. Whoever is with the Lord will never feel the weight of defeat. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1685 - 11/01/2000 - Dear children, love the truth and defend it. My Son Jesus Christ needs your courageous public testimony. Do not be silent. Tell everyone what I announced to you. You have received much from the Lord and can be sure that He will require you to give an accounting. Humanity will receive the reward it merits from the hands of The Supreme Judge. Do not stand still in sin. Return to the Grace of God. He loves you and waits for you. Be strong. You are not alone in this journey. Pray. Prayer is the secure resource that you have for these difficult times. Onward without fear. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1686 - 12/01 2000 - Dear children, I ask that you have Jesus always present in your hearts. Do not lose the Grace of God, but strive to always live in conformity with His desires. Today, more than ever, you need to live in constant prayer. The devil continues attacking to destroy My projects. I ask you to always be attentive. You can overcome him by prayer, and living and giving witness to the Word of God, confession, and in the Eucharist. Be careful so he does not deceive you. Many things will happen and those who are not faithful will fall. I have come from Heaven to offer you My Maternal support, and if you listen to My Appeals you will never be confounded. Have courage, faith, and hope. If you give yourself to the Lord, you will experience a Great Victory with the Triumph of My Immaculate Heart. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 1687 - 15/01 2000 - Dear children, tonight I invite you to pray in front of the Cross for peace in the world and the salvation of souls. I ask that you not live in mortal sin, because if you come to the end of your life in this state, eternal death in hell is waiting for you. Strive to be saints, for this is the only way humanity will find salvation. I do not want to oblige you, but welcome My Appeals. You have a responsibility with the Lord. Do not depart from Him. If you faithfully open yourself, the Lord will generously reward you. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1689 - 18/01/2000 - Dear children, do not offend My Son Jesus with your sins. Do not be like those who led My Son Jesus to Calvary; they wronged Jesus and smiled as if they had done nothing sinful. Know that God knows your hearts. I ask you to be authentic Christians. What good is it for men to live deceitfully, if God knows the intimate secrets of your hearts? Be careful. Tell everyone that God is Truth and what each one will receive depends on what he did in this life. Return to reading a passage of the Holy Word of God every day. I ask you not to live in mortal sin. Humbly recognize your weakness and repent. Go to confession, for this is the only way you will be able to be reconciled with your God and Lord. I do not want to oblige you, but I am in a hurry and there is no more time to lose. Do not leave for tomorrow what you can do today. 1721 - 4/04/2000 - Dear children, sin has penetrated the heart of My poor children, bringing them to a sad spiritual blindness. Contamination has even entered into the heart of My Church. Today many of My consecrated souls no longer accept true doctrine. They have even come to deny what the successor of Peter, Pope John Paul II is saying. The number of those who celebrate a Eucharist they no longer believe in is increasing daily. Apostasy has become clear within the Church and so My poor children go to false doctrines. Your time has come. Be defenders of the truth. Do not allow anything nor anyone to separate you from the Merciful Love of Jesus. What prophets announced in times gone by is now being fulfilled. I ask you to be attentive. Belong to the Lord. Onward with courage. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Tell everyone that if men and women do not change their lives, a terrible punishment will come to humanity. Do your part for the full realization of My plans. Pray. Men and women stray from their Creator, and so become spiritually poor. Humanity now lives a terrible crisis of faith. Work to grow in Grace and Love of the Lord. Pray. Prayer is the greatness of God in the hands of men and women. Do not retreat. This is the Message which I am sending to you in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1908 - 12/06/2001 - Dear children, You now live in the time of a great spiritual battle. Be fervent in your faith and do not depart from prayer. Pray. When you pray, you become strong and in being strong no harm will come to you. I am your Mother and I am at your side. Do not lose your hope. Continue to meet the Lord. Seek Him in the Eucharist that is a source of grace for you all. When you feel the weight of sin in your lives, come to the sacrament of Confession. Courage. The Lord is with you and will always be the light of your way. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1909 - 12/06/2001 - Dear children, encourage yourselves and witness to the love of the Lord everywhere. Humanity has become cold in faith because people have distanced themselves from love and truth. Look around you and value all the people you meet, for you are all brothers and children of the same Father. Give everyone the same treatment. Turn away from the racism that paralyzes true love and turn to the Lord who is waiting for you with immense love of the Father. The deceptive smoke of Satan has spread throughout the earth, bringing to My poor children a sad spiritual blindness. See how violence, lack of faith and selfishness grow. They are evils like those that separate you from God and His grace. Pray always. When you open your hearts to prayer, the world will be transformed. I suffer for the abandonment of My poor children who are often treated with indifference and contempt. You who are listening to Me be attentive and do not depart from the Lord. At last the Lord's justice will be done and the righteous will take the best part. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1910 - 6/19/2001 - Dear children, I ask you to have the truth always in your hearts. If you have love for the truth, no harm can come to you. Those who live in lies and deceit are distancing themselves from the Lord and His Grace. You who are listening to Me rejoice because your names are already engraved in My Immaculate Heart. Pray. Your victory is in the power of prayer. Do not forget: truth above all else. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1911 - 6/22/2001 - Anguera/Bahía. Dear children, trust in the infinite love of the Lord who knows you by name and desires to save you. Open your hearts to the call of My Son Jesus and strive to live His word. Turn away definitely from sin, for if you live in sin and if you continue the rest of your life in this state, you run the risk of eternal damnation. Pray. Do not turn away from prayer. Whoever prays is saved; those who do not pray are condemned. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1912 - 6/23/2001 - Dear children, strive for your life to be a constant encounter with Jesus. Do not depart from the path I have shown you to you and always remember that Jesus is very close to you. My Jesus desires your public and courageous witness. Seek strength in the word of God and be guided by the way of salvation. I desire that you have the courage and humility of John the Baptist and that with your examples and words, seek to contribute so that men turn to the God of Salvation and Peace. Onward without fear. What I tell you, announce to all. This is the Message which I am

sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1913 - 6/26/2001 - Dear children, I have come from Heaven to make you great in faith. I ask you not to be indifferent to the injustices to My poor children's victims. Be defenders of the weak, oppressed and abandoned. God is not happy with injustice. Do not forget that before the Lord all are equal and have the same right. Say no to indifference and all that is contrary to God's desire. Pray. If men do not open to prayer, they will remain closed to love and Divine truths. I am your Mother and I have come from Heaven to help you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1914 - 29/06/2001 - Dear children, love the Church of My Jesus and defend it. Pray for the successor of Peter, the Pope, for the Bishops and Priests of the whole world. The smoke of the devil penetrated into the Church of My Son, leading many of My chosen ones to the path of error, division and lack of faith. Whatever happens, do not forget: The full truth is maintained only in the Catholic Church. I am your Mother and I suffer for those who have turned away from the truth, embracing false doctrines and false ideologies. Caution. Do not run from the truth. My Jesus is the truth and only in Him will you find salvation. Pray. Do not turn away from prayer. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

Thank you for allowing Me to meet with you here again. Amen. Peace be with you.

1916 - 7/2/2001 - Dear children, today I invite you to pray for the peace of the world and for the conversion of all people. Pray also in reparation for the sins committed against the Immaculate Heart of My Son Jesus. I ask you to do good to all and to have the love of the Lord always present in your hearts. Worship the Lord who is present in all the tabernacles of the earth. Do not forget that your victory is in Jesus. Seek strength in the Eucharist and in the word of My Son Jesus. If you open yourselves to the Lord's call, your life will be filled with blessings and graces. Onward without fear. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1917 - 3/07/2001 - Dear children, put yourself in God's hands like a child on your Maternal lap. Trust fully in the love of the Lord, for as the Provident Father He cares for you and opens his arms to welcome you even when you are far away. Make haste to be converted. This is the time for your Great Return. Strive and say no to sin, for sin separates you from God and makes you slaves to the devil. Pray always. Do not live far from prayer. I want to help you, but it is up to you what I do. You have a great value in the eyes of God. When you open yourselves to Him, you will discover the great treasure within you. You are of the Lord, and the things of the world are not for you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1918 - 7/07/2001 - Dear children, Peace be with you. I am your Mother and I have come from Heaven to lead you to My Son Jesus. I ask you to return to the Lord as soon as possible, for you live in the time of Great Tribulation and if you live apart from the Lord, you will be deceived by the devil. Pray. Many years ago I have come from Heaven to call you to conversion, but many still remain far away. I want to tell you that this is the time of the Great Return. Take care of your spiritual life with love. You are worried about the things of the world and little interested in the things of God. Be careful. Do not want you to be a victim of My adversary. Be attentive. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1919 - 10/07/2001 - Dear children, do not be discouraged by your difficulties. The Lord is with you. When you feel the weight of trials, call upon Jesus. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1920 - 7/12/2001 - Dear children, if you have faith in your hearts, you will help people to become living witnesses of the love of the Lord. Humanity is far from the Lord because they no longer live the Commandments of the Law of God. The word of My Son Jesus is despised and the creature is more valued than the Creator. Sin has defiled you and blinded you spiritually, dear children. Repent and come back. If you pray and open yourselves, Love will be loved and you will see a great transformation in humanity. If you live as I ask you, evil will be defeated and peace will reign forever. Onward with courage. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1921 - 7/14/2001 - Dear children, I ask you to have confidence and faith. Nothing or nobody is lost. Whatever happens, believe that tomorrow will be better, for God is with his people. Turn away from sin and turn to Him who is your Great Friend and knows you by name. In these difficult times, intensify your prayers for peace. If you surrender to God, you will find the solution to all your problems. You are not alone. I am your Mother and I walk with you. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1922 - 7/17/2001 - Dear children, I am with you in joy and in pain. Embrace your cross with joy and do not question the things that you cannot understand. The Mysteries of the Lord are like an Impenetrable Light. Accept your difficulties by faith. Seek strength in prayer to support all the weight of the trials that the Lord sends you. Lord. Onward with courage and joy. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1923 - 19/07/2001 - Dear children, I have come from Heaven to offer you peace. Humanity walks to a destruction that men have prepared by their own hands. The lack of love, violence and lack of faith have alienated men from God and His Grace. This is the time of the Great Return. There is still a chance that everyone can be saved. Repent, depart from sin, and return to your God who loves you and forgives you. I want to help you, but I ask you to live My Messages with sincerity, because through them I desire to become great in faith. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. I bless you in the Name of the Father, and of the Son, and of the Holy Spirit. Amen. Peace be with you.

1924 - 21/07/2001 - Dear children, I want to tell you that you are important for the Lord's plans and He expects your sincere and courageous Yes. I invite you to conversion and repentance for all your sins. Strive to be an example to those who have distanced themselves from the Lord. Your public and courageous witness will contribute to the return of many estranged children. Deliver yourselves truly from all that is contrary to the Desire of God and return with joy to Him who is your Way, Truth and Life. Do not turn away from prayer. Dedicate part of your time to prayer, because without prayer the Christian life loses its value and effectiveness. Do not retreat. I am your Mother and I am with you. Families turned away from God because they distanced themselves from prayer and Christian living. I suffer because of those who live far from God and are not interested in his word. Today a large number of families live as blind people guiding other blind people and so each day they approach a great abyss. Be aware of the great importance of living as the Lord desires and you will see that the world will return to peace. I am your Mother and I want you to be holy. I ask you to live with joy the Gospel of My Jesus and everywhere try to witness the wonders of God in your lives. You are the Chosen People of the Lord and He loves you. Turn away from sin and turn to the Lord through sincere conversion. I ask you also to partake of Holy Mass with devotion and respect. Walk to meet My Jesus who is waiting for you in the Eucharist. 1928 - 31/07/2001 - Dear children, do not depart from the truth. Remember always that the truth is kept intact only in the Catholic Church, so you must not abandon your faith to walk to the abyss of perdition that the sects are leading My poor children. The devil spread his venom over all earth with false doctrines and false ideologies. If you wish to remain in truth the faithful to the successor of Peter, Pope John Paul. My Jesus is the Way, the Truth and the Life. There is no other way that leads you to salvation other than the one pointed out by My Son in His Gospel. Seek strength in the Eucharist and Confession that are channels of His Savior Action. I am your Mother and I want to tell you that your time is short. 1932 - 7/08/2001 - Dear children, I invite you today to open yourselves to prayer, for prayer is the only resource I offer you to free you from all evil and danger. Great are the graces that the Lord sends to those who pray. Humanity has become unfaithful to God because people turned away from prayer. Pray and everything will be transformed. Prayer is the first step to be taken on the path to conversion. I want to help you, but it is up to you what I do. Stand firm in the mission that the Lord has entrusted you. The peace of the world is threatened, and behold, the time has come as I foretold you in the past. Pray a lot. Pray before the Cross, pleading the Lord's Mercy for humanity. Bend your knees and intensify your prayers. Humanity has turned away from God and walks the paths of destruction and perdition. Return quickly. The Lord loves you and is waiting for you. I suffer because of the wickedness of many of My poor children. The devil has managed to deceive many with false signs and false teachings. Messages of Our Lady, Queen of Peace, given to Pedro Regis in the year 2002

1995 - 1/01/2002 - Dear children, I am the Queen of peace. I have come from Heaven to offer you the grace of peace which is the great treasure that humanity has lost because of those who live without God and in hatred. I suffer because of My poor children who live like the blind and do not know how to find the way of the Lord. I am your Mother and I have come to lead you. I ask you to continue to pray, for you will have Great Tribulation. If you open yourselves to My call and live My Messages, you will be transformed and you will see peace reign on earth. Bend your knees in prayer, for only thus will you contribute to the definitive Triumph of My Immaculate Heart. The prophecy I announced to you last year [Message of 01/01/2001] took place with the sad and painful event in the United States. Pray a lot, for all this will still cause great harm to humanity. For centuries I have come into the world to call men to conversion, but they prefer war, death, and lack of love. I have come to offer you new life, live in grace in the Lord. I ask you to be builders of peace and love. With your examples and with your words seek to bring God to those who are far away. The Lord trusts you and expects your sincere and courageous witness. Strive to live in truth, for only thus will you contribute to the Victory of the Lord. Be men and women of prayer. Depart from sin, and embrace the Grace of God to be saved. Do not be discouraged. I will speak to My Son for you. Onward without fear. This is the Message which I am sending to you today in the Name of the Most Holy Trinity. Thank you for allowing Me to meet with you here again. 1997 - 8/01/2002 - Dear children, return to the Lord Who loves you and is waiting for you with Open Arms. Humanity has gone far from the Lord, and each day comes closer to a great abyss. Pray a lot. Only by prayer will man find the way to peace and love. You are important to the Lord, and He expects much from you. Do not be discouraged. I am at your side and will lead you by the way of conversion, repentance, and the living of the Word of My Jesus. If you have confidence and faith you will be victorious.
